## RIVAS WOOD

---

*Never Be Alone Again* A&C Black  
 The co-creator of the Chicken Soup for the Soul series and the author of the best-selling *Nothing Down* demonstrate how to apply current resources to generate lasting streams of income, outlining a process for developing a "millionaire mindset" while continuing the story of a character previously introduced in *The One Minute Millionaire*.

**The Book on Investing in Real Estate with No (and Low) Money Down**  
 Createspace Independent Publishing

Platform  
 From *The Onion* and *Reductress* contributor, this collection of essays is a hilarious nostalgic trip through beloved 2000s media, interweaving cultural criticism and personal narrative to examine how a very straight decade forged a very queer woman "Honest, funny, smart, and illuminating." —Anna Drezen, co-head writer of SNL "If you came of age at the intersection of Mean Girls and The L Word: Read this book." —Sarah Pappalardo, editor in chief and co-founder of *Reductress* Today's gay youth have dozens of queer peer heroes, both fictional and real, but former gay teenager Grace Perry did not have that luxury. Instead, she had to search for queerness in the

(largely straight) teen cultural phenomena the aughts had to offer: in Lindsay Lohan's fall from grace, *Gossip Girl*, Katy Perry's "I Kissed A Girl," country-era Taylor Swift, and Seth Cohen jumping on a coffee cart. And, for better or worse, these touch points shaped her adult identity. She came out on the other side like many millennials did: in her words, gay as hell. Throw on your Von Dutch hats and join Grace on a journey back through the pop culture moments of the aughts, before the cataclysmic shift in LGBTQ representation and acceptance—a time not so long ago, which many seem to forget. [Because Living My Best Life Took a Little Work](#) St. Martin's Griffin  
 Bring Back the Late 90s and Early 2000s

describes a time with the coolest music and movies ever made. The clothing was baggy, the girls were raw, and the boys were hard-core. Brace for impact, these next pages are a wild ride down memory lane, baby.

*The Giving Tree* Penguin

Following the success of the bestselling *Multiple Streams of Income*, *Multiple Streams of Internet Income* took the idea of making money on the Internet to the next level, by revealing how to deliver a marketing message faster, cheaper, and to a larger number of potential customers. This new updated edition includes the same wisdom that made Allen one of the most influential financial advisors in the world, but also features updated information on everything readers need to know. The book features the original seven powerful methods that average people can use to make money on the Internet, and covers such topics as taking offline products online, niche marketing, successful Web-based business models, information marketing, affiliate programs, and more. There's plenty of new material in this Second Edition, including coverage of new federal and state laws covering spam and how to work around much of the new anti-spam technology active on the Internet. All the Web sites and online resources featured in the book have also been updated.

*The Inside Story of Six M.I.T. Students Who Took Vegas for Millions* Crown Business Explains how to look for real estate that the owner is eager to sell and to buy on favorable terms, how to build equity on several properties, how to better your investment position, tips on selling, and more advice on real estate.

*Finding Opportunity in the Twenty-First Century* John Wiley & Sons

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*,

*The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss these other Shel Silverstein ebooks, *Where the Sidewalk Ends*, and *A Light in the Attic!*

*Essays on Pop Culture* Two Palms Publishing

When war broke out in Europe in 1914, political leaders in the United States were swayed by popular opinion to remain neutral; yet less than three years later, the nation declared war on Germany. In *Nothing Less Than War: A New History of America's Entry into World War I*, Justus D. Doenecke examines the clash of opinions over the war during this transformative period and offers a fresh perspective on America's decision to enter World War I. Doenecke reappraises the public and private diplomacy of President Woodrow Wilson and his closest advisors and explores in great depth the response of Congress to the war. He also investigates the debates that raged in the popular media and among citizen groups that sprang up across the country as the U.S. economy was threatened by European blockades and as Americans died on ships sunk by German U-boats. The decision to engage in battle ultimately belonged to Wilson, but as Doenecke demonstrates, Wilson's choice was not made in isolation. *Nothing Less Than War* provides a comprehensive examination of America's internal political climate and its changing international role during the seminal period of 1914--1917.

**A Novel** Random House Books for Young Readers

Here is the new revised edition of the all-time bestselling real estate book. Readers will discover safe and solid surefire strategies for profitable real estate investing in the '90s, including techniques on how to take advantage of opportunities in depressed and stagnant markets, motivational tools, and more.

*The One Minute Millionaire* Random House Australia

AN INSTANT NEW YORK TIMES BESTSELLER The untold stories behind *The Office*, one of the most iconic television shows of the twenty-first century, told by its creators, writers, and actors When did you last hang out with Jim, Pam, Dwight, Michael, and the rest of Dunder Mifflin? It might have been back in 2013, when the series finale aired . . . or it might have been last night, when you watched three episodes in a row. But either way, long

after the show first aired, it's more popular than ever, and fans have only one problem—what to watch, or read, next. Fortunately, Rolling Stone writer Andy Greene has that answer. In his brand-new oral history, *The Office: The Untold Story of the Greatest Sitcom of the 2000s*, Greene will take readers behind the scenes of their favorite moments and characters. Greene gives us the true inside story behind the entire show, from its origins on the BBC through its impressive nine-season run in America, with in-depth research and exclusive interviews. Fans will get the inside scoop on key episodes from "The Dundies" to "Threat Level Midnight" and "Goodbye, Michael," including behind-the-scenes details like the battle to keep it on the air when NBC wanted to pull the plug after just six episodes and the failed attempt to bring in James Gandolfini as the new boss after Steve Carell left, spotlighting the incredible, genre-redefining show created by the family-like team, who together took a quirky British import with dicey prospects and turned it into a primetime giant with true historical and cultural significance. Hilarious, heartwarming, and revelatory, *The Office* gives fans and pop culture buffs a front-row seat to the phenomenal sequence of events that launched *The Office* into wild popularity, changing the face of television and how we all see our office lives for decades to come.

*The Population Bomb* Simon and Schuster Shows how anyone can dramatically improve his or her financial situation in three months by investing in real estate, with step-by-step specifics on real estate buying

**Nothing Feels Good** Simon and Schuster With more than 350,000 units sold worldwide, this fan-favorite will show you every strategy, tool, tip, and technique you need to become a millionaire rental property investor.

*Real Money in No Time* Simon and Schuster

A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

Cash in a Flash Simon and Schuster  
Nothing Down for the 2000s Dynamic New Wealth Strategies in Real Estate Simon and Schuster

**The Moon Dragon (The Secrets of Droon #26)** Harper Collins

From hip-hop pioneer Darryl "DMC" McDaniels comes Darryl's Dream, a new picture book about creativity, confidence, and finding your voice. Meet Darryl, a quiet third grader with big hopes and dreams. He loves writing and wants to share his talents, but he's shy—and the kids who make fun of his glasses only make things worse. Will the school talent show be his chance to shine? Darryl's Dream, by iconic performer Darryl "DMC" McDaniels, is a story about finding confidence, facing bullies, and celebrating yourself. This full-color picture book is certain to entertain children and parents with its charming art and important message.

**Nothing Down for the 90's** John Wiley & Sons

NEVER BE ALONE AGAIN: How Bloghouse United the Internet and the Dancefloor is the first book dedicated to the music and Internet culture in the early 2000s known

as bloghouse. With a foreword by DJ/producer A-Trak the book includes over 50 original interviews with musicians, bloggers, music industry professionals, and party people from around the world including Steve Aoki, The Bloody Beetroots, Girl Talk, The Cobra Snake, Chromeo, Flosstradamus, The Cool Kids, MySpace Music, MSTRKRFT, and Simian Mobile Disco. NEVER BE ALONE AGAIN chronicles the rise of the DJ-slash-It Girl, roaming party photography, illegal Mp3 file sharing, canonical scene reports of bloghouse capitals Los Angeles and Paris, the overlooked impact of suburban Latino communities on nightlife, Kanye West's contribution to the movement, and the slow death of the blog itself.

Mark Z. Danielewski's House of Leaves Balboa Press

"An impressive combination of diligence and verve, deploying Ackerman's deep stores of knowledge as a national security journalist to full effect. The result is a narrative of the last 20 years that is upsetting, discerning and brilliantly argued." —The New York Times "One of the most illuminating books to come out of the Trump era." —New York Magazine An examination of the profound impact that the War on Terror had in pushing American politics and society in an authoritarian direction For an entire generation, at home and abroad, the United States has waged an endless conflict known as the War on Terror. In addition to multiple ground wars, it has pioneered drone strikes and industrial-scale digital surveillance, as well as detaining people indefinitely and torturing them. These conflicts have yielded neither peace nor victory, but they have transformed America. What began as the persecution of Muslims and immigrants has become a normalized, paranoid feature of American politics and security, expanding the possibilities for applying similar or worse measures against other targets at home. A politically divided country turned the War on Terror into a cultural and then tribal struggle, first on the ideological fringes and ultimately expanding to conquer the Republican Party, often with the timid acquiescence of the Democratic Party. Today's nativist resurgence walked through a door opened by the 9/11 era. Reign of Terror will show how these policies created a foundation for American authoritarianism and, though it is not a book about Donald Trump, it will provide a critical explanation of his rise to power and the sources of his political strength. It will show that Barack Obama squandered an opportunity to dismantle the War on Terror after killing Osama bin

Laden. That mistake turns out to have been portentous. By the end of his tenure, the war metastasized into a broader and bitter culture struggle in search of a demagogue like Trump to lead it. A union of journalism and intellectual history, Reign of Terror will be a pathbreaking and definitive book with the power to transform how America understands its national security policies and their catastrophic impact on its civic life.

The Four Maps of Happy Successful People Penguin

In "Cash Flow Forever" commercial real estate broker Jeff K. Johnson lays out a simple but highly effective formula for building net worth and cash flow through real estate investing. Jeff shares his unique insight from working with a number of highly successful real estate investors for over thirty five years. You will find the real life stories that Jeff shares about his clients and his own investing experiences to be invaluable. This practical and easy to read book cuts right to the chase and lays out "The Real Secrets of Real Estate Investing".

**The Blueprint to Quitting Your Job with Real Estate - Even Without Experience Or Cash** Biggerpockets Publishing, LLC

With nearly 2 million books in print, this Little Apple series is H-O-T, hot. The SECRET is out -- DROON is the series that kids, parents, and teachers are talking about! There's no place like home! Eric and his friends have finally restored the Rainbow Stairs, but that was the easy part. Now Gethwing is loose in the Upper World, and the Moon Dragon is causing big trouble. Eric, Julie, and Neal have to protect their town, but they're up against mysterious creatures, strangely-behaving parents, and powerful magic. Can the kids stop Gethwing before he destroys the Upper World -- for good?

Sophie's World Nothing Down for the 2000s Dynamic New Wealth Strategies in Real Estate

The ultimate tool for unleashing your inner entrepreneur and for achieving enlightened wealth. This is a step-by-step guide to cracking your personal millionaire code and turning your enlightened ideas into millions. It showcases real-life stories of men and women who discovered and capitalised on their own "million-dollar ideas", or MDIs. These MDIs, the authors contend, are right under our noses - from bottled water to Post-It notes to less well-known but highly lucrative ideas - if only we can crack our personal millionaire code that will lead us to wealth. Throughout the book there are inspirational stories of ordinary people who cracked their code

and created extraordinary fortunes from a single idea, often in the face of severe challenges. Hansen and Allen show how to

overcome personal fears, gather an amazing team, discover and soul-storm

not one but dozens of million-dollar ideas, as well as incredible, enlightened ways to market ideas and then hundredfold them.
