Hollander Auto Parts Interchange Manual The Hollander Interchange provides auto recyclers and auto collectors, rebuilders, and others with the easiest and most comprehensive solution for identifying interchangeable auto parts. The Hollander Interchange is available in traditional printed format, as a stand-alone CD-ROM, and integrated into Hollander's industry leading yard management systems

and part locating network. Hollander Interchange: The Best Tool for the Right Part Hollander publishes some interchange manuals for specific makes and models such as Corvette, Nova and Mustang; these are usually in the \$25 range. Printed versions and CD-ROM are available. You may even be able to find a good used one that may have some extra nuggets of information hand-written in the margins. Hollander Interchange Manual | Hemmings Hollander persisted, and in 1934 published the first

edition of the Hollander Interchange Manual. Hollander Interchange Manuals have been a staple of auto recycling operations for more than 70 years. In recent years, they've also become a trusted reference among individual car enthusiasts, particularly classic car collectors, restorers and parts suppliers. Hollander Interchange: The Best Tool for the Right Part! It shows you which parts from vehicles of other makes, models, and years will fit your car or truck. Even if your vehicle is rare or has expensive parts, an interchange manual will make your search for parts easy, quick, and economical. This set is a new Hollander-made reprint of the classic 45th edition
