Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In *The Lost Art of Reading*, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, and its seriousness and depth. Ulin emphasizes the importance of reflection and pause allowed by stopping to read a book, and the accompanying focus required to let the mind run free in a world that is not one's

own. Are we willing to risk our collective interest in contemplation, nuanced thinking, and empathy? Far from preaching to the choir, *The Lost Art of Reading* is a call to arms, or rather, to pages.

They Call Me Mr. De Lantern Publishing & Media

Named one of the Top 10 Books of the Year in 2020 by the Academy of Parish Clergy "Drawing on his own spiritual journey, David Gushee provides an incisive critique of American evangelicalism [and] offers a succinct yet deeply informed guide for post-evangelicals seeking to pursue Christ-honoring lives."
—Kristin Kobes Du Mez, *Calvin University* Millions are getting lost in the evangelical maze: inerrancy, indifference to the environment, deterministic Calvinism, purity culture, racism, LGBTQ discrimination, male dominance, and Christian nationalism. They are now conscientious objectors, deconstructionists, perhaps even "none and done." As one of

America's leading academics speaking to the issues of religion today, David Gushee offers a clear assessment and a new way forward for disillusioned post-evangelicals. Gushee starts by analyzing what went wrong with U.S. white evangelicalism in areas such as evangelical history and identity, biblicism, uncredible theologies, and the fundamentalist understandings of race, politics, and sexuality. Along the way, he proposes new ways of Christian believing and of listening to God and Jesus today. He helps post-evangelicals know how to belong and behave, going from where they are to a living relationship with Christ and an intellectually cogent and morally robust post-evangelical faith. He shows that they can have a principled way of understanding Scripture, a community of Christ's people, a healthy politics, and can repent and learn to listen to people on the margins. With a foreword from Brian McLaren, who says, "David Gushee is right: there is indeed life after evangelicalism," this book offers an essential handbook for those looking for answers and affirmation of their journey into a future that is post-evangelical but still centered on Jesus. If you, too, are struggling, *After Evangelicalism* shows that it is possible to cut loose from evangelical Christianity and, more than that, it is necessary.

Columbine Open Road Media

The real-life mystery featuring the two men - Joseph Bell and Henry Littlejohn - who inspired the creation of Sherlock Holmes. December 1893. Arthur Conan Doyle shocks his legions of fans by killing off the world's favourite fictional detective, Sherlock Holmes. Meanwhile, in Scotland, a sensational real-life murder trial is playing out. Alfred Monson, a scion of the aristocracy, is charged with killing a young army lieutenant, Cecil Hambrough,

on the sprawling Ardlamont estate. The worlds of crime fiction and crime fact are about to collide spectacularly. Among the key prosecution witnesses that the Ardlamont case brought together were two esteemed Edinburgh doctors, Joseph Bell and Henry Littlejohn. Bell - Doyle's tutor when the author studied medicine in the 1870s - had recently been unmasked as the inspiration behind the creation of Sherlock Holmes (Doyle said of Bell, 'It is most certainly to you that I owe Sherlock Holmes.'). But what the public did not know was that Bell and Littlejohn - a pioneer in the emerging field of forensic detection - had actually been investigating crimes together for more than twenty years. Largely unacknowledged, Littlejohn deserves equal billing as the prototype of Baker Street's most famous resident. In *The Ardlamont Mystery*, author Daniel Smith re-examines the evidence of the case that gripped Victorian Britain, putting forward his own theory as to why Cecil Hambrough was murdered. Outlining the key roles of the men whose powers of deduction and detection had so inspired Doyle, Smith explores the real-world origins of Sherlock Holmes through the prism of a mystery as engrossing as any case the Great Detective ever tackled. Will Bell and Littlejohn's shared faith in science and reason be enough to see justice win out?

Sutherland Springs Hachette UK

Winner of the 2021 Texas Institute of Letters Carr P. Collins' Award for Best Book of Nonfiction One part *Columbine*, one part *God Save Texas*, Joe Holley's riveting, compassionate book examines the 2017 mass shooting at a church in a small Texas town, revealing the struggles and triumphs of these fellow Texans long after the satellite news trucks have gone. *Sutherland*

Springs was the last place anyone would have expected to be victimized by our modern-day scourge of mass shootings. Founded in the 1850s along historic Cibolo Creek, the tiny community, named for the designated physician during the siege of the Alamo, was once a vibrant destination for wealthy tourists looking to soak up the "cures" of its namesake mineral springs. By November 5, 2017, however, the day a former Air Force enlistee opened fire in the town's First Baptist Church, Sutherland Springs was a shadow of its former self. Twenty-six people died that Sunday morning, in the worst mass shooting in a place of worship in American history. Holley, who roams the Lone Star State as the "Native Texan" columnist for the Houston Chronicle and earned a Pulitzer-Prize nomination for his editorials about guns, spent more than a year embedded in the community. Long after most journalists had left, he stayed with his fellow Texans, getting to know a close-knit group of people - victims, heroes, and survivors. Holley shows how they work to come to terms with their loss and to rebuild shattered lives, marked by their deep faith in God and in guns. He also uses Sutherland Springs' unique history and its decades-long decline as a prism for understanding how an act of unspeakable violence reflects the complicated realities of Texas and America in the twenty-first century.

Pinnacle Books

The author of *Excellent Women* explores female friendship and the quiet yearnings of British middle-class life—a literary delight for fans of Jane Austen. Jane Cleveland and Prudence Bates were close friends at Oxford University, but now live very different lives. Forty-one-year-old Jane lives in the country, is married to a vicar, has a daughter she adores, and lives a very proper life in a

very proper English parish. Prudence, a year shy of thirty, lives in London, has an office job, and is self-sufficient and fiercely independent—until Jane decides her friend should be married. Jane has the perfect husband in mind for her former pupil: a widower named Fabian Driver. But there are other women vying for Fabian's attention. And Pru is nursing her own highly inappropriate desire for her older, married, and seemingly oblivious employer, Dr. Grampian. What follows is a witty, delightful, trenchant story of manners, morals, family, and female bonding that redefines the social novel for a new generation.

[A New Generation Draws the Line](#) Hachette Books

Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. "The tragedies keep coming. As we reel from the latest horror . . ." So begins a new epilogue, illustrating how Columbine became the template for nearly two decades of "spectacle murders." It is a false script, seized upon by a generation of new killers. In the wake of Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror left an indelible stamp on the American psyche, but most of what we "know" is wrong. It wasn't about jocks, Goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent ten years on this book—widely recognized as the definitive account. With a keen investigative eye and psychological acumen, he draws on mountains of evidence, insight from the world's leading forensic psychologists, and the killers' own words and drawings—several

reproduced in a new appendix. Cullen paints raw portraits of two polar opposite killers. They contrast starkly with the flashes of resilience and redemption among the survivors. Expanded with a New Epilogue

Columbine Greenhaven Publishing LLC

The author, a friend of both Dylan Klebold and Eric Harris, describes the events surrounding the shootings at Columbine High School.

The Columbine School Shooting Random House

This powerful retrospective analysis of the aftermath of the 1999 Columbine High School shooting considers society's response to the attack, the long-term implications of the shooting, and the ways in which research and related policy must continue to move forward. • Analyzes the broad cultural impact of the Columbine High School shooting • Reviews changes in police responses that have developed since the day of the attack • Examines warning signs that pre-dated the attack and how threat assessment has advanced to preclude similar tragedies • Explores legislative responses in the aftermath and why they were not successful • Considers the lessons learned in the 20 years after the shooting and how they can be used to prevent future acts of mass violence

A Novel Penguin

Offers advice on reading and writing poetry, and discusses imitation, sound, the line, poem forms, free verse, diction, imagery, revision, and workshops

Columbine Killers Diaries Twelve

This 210 paged book contains both journals written by Dylan Klebold and Eric Harris along with a side by side transcript for easier reading. Both journals span two years leading up to what

became America's worst high school shooting in U.S. history of its time. When both teenagers went on a shooting spree at Columbine High School in Littleton, Colorado, killing 13 people and wounding more than 20 others before turning their guns on themselves and committing suicide. Contained in these journals are their plans of how they envisioned killing as many as 500 students, before going on to attack neighbouring homes. As well as an eerie plan to hijack a jet and crash it in New York. Also included are some of Eric's internet writing and the infamous 'Basement tapes' transcripts partly recorded 30 minutes before their terrible killing spree.

The Story of Columbine's Heart, Resilience, and Recovery

Sasquatch Books

The definitive book on the school massacre that shocked a nation.

The Ardlamont Mystery Twelve

A Penguin Classic In Nobel Prize winner John Steinbeck's beautifully rendered depictions of small yet fateful moments that transform ordinary lives, these twelve early stories introduce both the subject and style of artistic expression that recur in the most important works of his career. Each of these self-contained stories is linked to the others by the presence of the Munroes, a family whose misguided behavior and lack of sensitivity precipitate disasters and tragedies. As the individual dramas unfold, Steinbeck reveals the self-deceptions, intellectual limitations, and emotional vulnerabilities that shape the characters' reactions and gradually erode the harmony and dreams that once formed the foundation of the community. This edition includes an introduction and notes by James Nagel. For

more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Columbine School Shootings Columbine

Investigates the heated debate among historians, psychologists, philosophers, and theologians attempting to understand the life and nature of Adolph Hitler

A Poetry Handbook Macmillan

Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. "The tragedies keep coming. As we reel from the latest horror . . ." So begins a new epilogue, illustrating how Columbine became the template for nearly two decades of "spectacle murders." It is a false script, seized upon by a generation of new killers. She Said Yes Penguin

This Whitbread Award-winning biography and basis for the film *Mary Queen of Scots* starring Saoirse Ronan and Margot Robbie "reads like Shakespearean drama" (The Atlanta Journal-Constitution). "A triumph . . . A masterpiece full of fire and tragedy." —Amanda Foreman, author of *Georgiana* In the first full-scale biography of Mary Stuart in more than thirty years, John Guy creates an intimate and absorbing portrait of one of history's greatest women, depicting her world and her place in the sweep of history with stunning immediacy. Bringing together all surviving documents and uncovering a trove of new sources for the first time, Guy dispels the popular image of Mary Queen of Scots as a romantic leading lady—achieving her ends through feminine wiles—and establishes her as the intellectual and political equal of Elizabeth I. Through Guy's pioneering research and superbly readable prose, we come to see Mary as a skillful diplomat, maneuvering ingeniously among a dizzying array of factions that sought to control or dethrone her. *Queen of Scots* is an enthralling, myth-shattering look at a complex woman and ruler and her time. "The definitive biography . . . Gripping . . . A pure pleasure to read." —The Washington Post Book World "Reads like Shakespearean drama, with all the delicious plotting and fresh writing to go with it." —The Atlanta Journal-Constitution

Inside the Minds of School Shooters Hachette UK

The acclaimed New York Times bestseller by Sue Klebold, mother of one of the Columbine shooters, about living in the aftermath of Columbine. On April 20, 1999, Eric Harris and Dylan Klebold walked into Columbine High School in Littleton, Colorado. Over the course of minutes, they would kill twelve students and a teacher and wound twenty-four others before taking their own lives. For the last sixteen years, Sue Klebold, Dylan's mother, has lived with the indescribable grief and shame of that day. How could her child, the promising young man she had loved and raised, be responsible for such horror? And how, as his mother, had she not known something was wrong? Were there subtle signs she had missed? What, if anything, could she have done differently? These are questions that Klebold has grappled with every day since the Columbine tragedy. In *A Mother's Reckoning*, she chronicles with unflinching honesty her journey as a mother trying to come to terms with the incomprehensible. In the hope that the insights and understanding she has gained may help other families recognize when a child is in distress, she tells her story in full, drawing upon her personal journals, the videos and writings that Dylan left behind, and on countless interviews with mental health experts. Filled with hard-won wisdom and compassion, *A Mother's Reckoning* is a powerful and haunting book that sheds light on one of the most pressing issues of our time. And with fresh wounds from the Newtown and Charleston shootings, never has the need for understanding been more urgent. All author profits from the book will be donated to research and to charitable organizations focusing on mental health issues. — Washington Post, Best Memoirs of 2016

The Shakespeare Wars Greenhaven Publishing LLC

THE NATIONAL AND INTERNATIONAL BESTSELLER "If you liked *Gone Girl*, you'll like this."—Stephen King Ten years ago, six friends went on vacation. One made it out alive.... In that instant, college student Quincy Carpenter became a member of a very exclusive club—a group of survivors the press dubbed "The Final Girls": Lisa, who lost nine sorority sisters to a college dropout's knife; Sam, who endured the Sack Man during her shift at the Nightlight Inn; and now Quincy, who ran bleeding through the woods to escape the massacre at Pine Cottage. Despite the media's attempts, the three girls have never met. Now, Quincy is doing well—maybe even great, thanks to her Xanax prescription. She has a caring almost-fiancé; a popular baking blog; a beautiful apartment; and a therapeutic presence in Coop, the police officer who saved her life. Her mind won't let her recall the events of that night; the past is in the past...until the first Final Girl is found dead in her bathtub and the second Final Girl appears on Quincy's doorstep. Blowing through Quincy's life like a hurricane, Sam seems intent on making her relive the trauma of her ordeal. When disturbing details about Lisa's death emerge, Quincy desperately tries to unravel Sam's truths from her lies while evading both the police and bloodthirsty reporters. Quincy knows that in order to survive she has to remember what really happened at Pine Cottage. Because the only thing worse than being a Final Girl is being a dead one. WINNER OF THE 2018 INTERNATIONAL THRILLER WRITERS AWARD FOR BEST HARDCOVER NOVEL

[#NeverAgain](#) Oms, LLC

This is the behind the scenes story of the Columbine tragedy,

from a year before the killings and through the entire story, to twenty years after the killings. This book covers many of the unknown details, the cover-ups, the lies, the secrets and the real life story of the family involved in Columbine. If you think you know the story of Columbine, you are wrong. This is the real story of the tragedy, from the point of view of the family at the center of the tragedy.

Final Girls ABC-CLIO

From one of the world's most beloved and bestselling authors, a terrifically useful and readable guide to the problems of the English language most commonly encountered by editors and writers. What is the singular form of graffiti? From what mythological figure is the word "tantalize" derived? One of the English language's most skilled writers guides us all toward precise, mistake-free usage. Covering spelling, capitalization, plurals, hyphens, abbreviations, and foreign names and phrases, Bryson's Dictionary for Writers and Editors will be an

indispensable companion for all who care enough about our language not to maul, misuse, or contort it. As Bill Bryson notes, "English is a dazzlingly idiosyncratic tongue, full of quirks and irregularities that often seem willfully at odds with logic and common sense." This dictionary is an essential guide to the wonderfully disordered thing that is the English language.

Columbine HarperCollins

The result of 15 years of research and exclusive information, this is the first book of investigative journalism to tell the complete story of Littleton, Colorado's 1999 mass shooting, its far-reaching consequences, and common characteristics among public shooters across the country. A classic in the tradition of *In Cold Blood* and *The Executioner's Song*, it comprehensively explores fundamental American themes of violence, racism, parenting, and policing. This updated and revised edition concludes with new material about public shootings since Columbine and how communities can stop such horrific events from happening in the future.
