CRISTOPHER RISHI

Llewellyn-Jones Fundamentals of Obstetrics and Gynaecology U of Minnesota Press

In 1900 a group of sponge divers blown off course in the Mediterranean discovered an Ancient Greek shipwreck near the island of Antikythera dating from around 70 BC. Lying unnoticed for months amongst their hard-won haul was what appeared to be a formless lump of corroded rock, which turned out to be the most stunning scientific artefact we have from antiquity. For more than a century this 'Antikythera mechanism' - an ancient computer - puzzled academics, but now, more than 2000 years after the device was lost at sea, scientists have pieced together its intricate workings. In *Decoding the Heavens*, Jo Marchant tells for the first time the story of the 100-year quest to understand the Antikythera mechanism. Along the way she unearths a diverse cast of remarkable characters - ranging from Archimedes to Jacques Cousteau - and explores the deep roots of modern technology not only in Ancient Greece, the Islamic world and medieval Europe.

The Holy Thief Elsevier

One of the most successful books ever published on women's health, *Everywoman* is the essential guide for women who want to learn more about their bodies and their health. Written in a sensible and straightforward way, it provides the medical and gynaecological facts as well as the social aspects of women's sexuality and wellbeing. This groundbreaking book has again been revised and updated to meet the needs of women of all ages.

Ma'am Darling Edinburgh University Press

Faith, I tell them, is a mystery, elusive to many, and never easy to explain.

Sweeping and lyrical, spellbinding and unforgettable, David Ebershoff's *The 19th Wife* combines epic historical fiction with a modern murder mystery to create a brilliant novel of literary suspense. It is 1875, and Ann Eliza Young has recently separated from her powerful husband, Brigham Young, prophet and leader of the Mormon Church. Expelled and an outcast, Ann Eliza embarks on a crusade to end polygamy in the United States. A rich account of a family's polygamous history is revealed, including how a young woman became a plural wife. Soon after Ann Eliza's story begins, a second exquisite narrative unfolds—a tale of murder involving a polygamist family in present-day Utah. Jordan Scott, a young man who was thrown out of his fundamentalist sect years earlier, must reenter the world that cast him aside in order to discover the truth behind his father's death. And as Ann Eliza's narrative intertwines with that of Jordan's search, readers are pulled deeper into the mysteries of love and faith. Praise for *The 19th Wife* "This exquisite tour de force explores the dark roots of polygamy and its modern-day fruit in a renegade cult . . . Ebershoff brilliantly blends a haunting fictional narrative by Ann Eliza Young, the real-life 19th "rebel" wife of Mormon leader Brigham Young, with the equally compelling contemporary narrative of fictional Jordan Scott, a 20-year-old gay man. . . . With the topic of plural marriage and its shattering impact on women and powerless children in today's headlines, this novel is essential reading for anyone seeking understanding of the subject."—Publishers Weekly (starred

review)

Designs on the Past Harvard University Press

Darius III ruled over the Persian Empire and was the most powerful king of his time, yet he remains obscure. In the first book devoted to the historical memory of Darius III, Pierre Briant describes a man depicted in ancient sources as a decadent Oriental who lacked Western masculine virtues and was in every way the opposite of Alexander the Great.

Supernatural Childbirth Mosby

The medieval monk digs for clues when a body is unearthed by a plow: "His detecting talents are as dazzling as ever" (Publishers Weekly). When a newly plowed field recently given to the Benedictine Abbey of Saint Peter and Saint Paul yields the body of a young woman, Brother Cadfael is quickly thrown into a delicate situation. The field was once owned by a local potter named Ruald, who had abandoned his beautiful wife, Generys, to take monastic vows. Generys was said to have gone away with a lover, but now it seems as if she had been murdered. With the arrival at the abbey of young Sulien Blount, a novice fleeing homeward from the civil war raging in East Anglia, the mysteries surrounding the corpse start to multiply.

The Trick is to Keep Breathing

Oxford University Press, USA

Reviews normal and abnormal pregnancy, pap smears, infertility, menopause, sexual assault, and more. Full-color with this edition, including tables, drawings, and photographs. Considers the psychosocial aspects of the discipline and the contributions women bring to their own care and management. Includes over 250 line drawings to better illustrate procedures. Provides thorough coverage of clinical management

Zero population growth Rabaah Publishers

Around 550 B.C.E. the Persian people—who were previously practically unknown in the annals of history—emerged from their base in southern Iran (Fars) and engaged in a monumental adventure that, under the leadership of Cyrus the Great and his successors, culminated in the creation of an immense Empire that stretched from central Asia to Upper Egypt, from the Indus to the Danube. The Persian (or Achaemenid, named for its reigning dynasty) Empire assimilated an astonishing diversity of lands, peoples, languages, and cultures. This conquest of Near Eastern lands completely altered the history of the world: for the first time, a monolithic State as vast as the future Roman Empire arose, expanded, and matured in the course of more than two centuries (530–330) and endured until the death of Alexander the Great (323), who from a geopolitical perspective was "the last of the Achaemenids." Even today, the remains of the Empire—the terraces, palaces, reliefs, paintings, and enameled bricks of Pasargadae, Persepolis, and Susa; the impressive royal tombs of Naqsh-e Rostam; the monumental statue of Darius the Great—serve to remind visitors of the power and unprecedented luxury of the Great Kings and their loyal courtiers (the "Faithful Ones"). Though long eclipsed and overshadowed by the towering prestige of the "ancient Orient" and "eternal Greece," Achaemenid history has emerged into fresh light during the last two decades. Freed from the tattered rags of "Oriental decadence" and "Asiatic stagnation," research has also benefited from a continually growing number of discoveries that have provided important

new evidence-including texts, as well as archaeological, numismatic, and iconographic artifacts. The evidence that this book assembles is voluminous and diverse: the citations of ancient documents and of the archaeological evidence permit the reader to follow the author in his role as a historian who, across space and time, attempts to understand how such an Empire emerged, developed, and faded. Though firmly grounded in the evidence, the author's discussions do not avoid persistent questions and regularly engages divergent interpretations and alternative hypotheses. This book is without precedent or equivalent, and also offers an exhaustive bibliography and thorough indexes. The French publication of this magisterial work in 1996 was acclaimed in newspapers and literary journals. Now *Histoire de l'Empire Perse: De Cyrus a Alexandre* is translated in its entirety in a revised edition, with the author himself reviewing the translation, correcting the original edition, and adding new documentation. Pierre Briant, *Chaire Histoire et civilisation du monde achéménide et de l'empire d'Alexandre*, Collège de France, is a specialist in the history of the Near East during the era of the Persian Empire and the conquests of Alexander. He is the author of numerous books. Peter T. Daniels, the translator, is an independent scholar, editor, and translator who studied at Cornell University and the University of Chicago. He lives and works in New York City. *Decoding the Heavens* CRC Press

The first of its kind, *A Hunger So Wide and So Deep* challenges the popular notion that eating problems occur only among white, well-to-do, heterosexual women. Becky W. Thompson shows us how race, class, sexuality, and

nationality can shape women's eating problems. Based on in-depth life history interviews with African-American, Latina, and lesbian women, her book chronicles the effects of racism, poverty, sexism, acculturation, and sexual abuse on women's bodies and eating patterns. *A Hunger So Wide and So Deep* dispels popular stereotypes of anorexia and bulimia as symptoms of vanity and underscores the risks of mislabeling what is often a way of coping with society's own disorders. By featuring the creative ways in which women have changed their unwanted eating patterns and regained trust in their bodies and appetites, Thompson offers a message of hope and empowerment that applies across race, class, and sexual preference.

Death Bringer Simon and Schuster
 A GUARDIAN BOOK OF THE YEAR * A
 TIMES BOOK OF THE YEAR * A SUNDAY
 TIMES BOOK OF THE YEAR * A DAILY
 MAIL BOOK OF THE YEAR 'An original,
 memorable and substantial
 achievement' TLS 'A masterpiece' Mail on
 Sunday 'I honked so loudly the man
 sitting next to me dropped his sandwich'
 Observer She made John Lennon blush
 and Marlon Brando clam up. She cold-
 shouldered Princess Diana and
 humiliated Elizabeth Taylor. Andy Warhol
 photographed her. Jack Nicholson
 offered her cocaine. Gore Vidal revered
 her. John Fowles hoped to keep her as
 his sex-slave. Dudley Moore
 propositioned her. Francis Bacon heckled
 her. Peter Sellers was in love with her.
 For Pablo Picasso, she was the object of
 sexual fantasy. "If they knew what I had
 done in my dreams with your royal
 ladies" he confided to a friend, "they
 would take me to the Tower of London
 and chop off my head!" Princess
 Margaret aroused passion and

indignation in equal measures. To her friends, she was witty and regal. To her enemies, she was rude and demanding. In her 1950's heyday, she was seen as one of the most glamorous and desirable women in the world. By the time of her death, she had come to personify disappointment. One friend said he had never known an unhappier woman. The tale of Princess Margaret is pantomime as tragedy, and tragedy as pantomime. It is Cinderella in reverse: hope dashed, happiness mislaid, life mishandled. Combining interviews, parodies, dreams, parallel lives, diaries, announcements, lists, catalogues and essays, *Ma'am Darling* is a kaleidoscopic experiment in biography, and a witty meditation on fame and art, snobbery and deference, bohemia and high society. 'Brown has been our best parodist and satirist for decades now ... *Ma'am Darling* is, as you would expect, very funny; also, full of quirky facts and genial footnotes. Brown has managed to ingest huge numbers of royal books and documents without losing either his judgment or his sanity. He adores the spectacle of human vanity' Julian Barnes, *Guardian*

Eating Disorders Fourth Estate
THE STUNNING NOVEL, PERFECT FOR A SUMMER HOLIDAY, FROM THE NUMBER ONE BESTSELLING AUTHOR A life-changing secret. An unforgettable summer. Arriving at the familiar old stone church nestled in the beautiful countryside of Hampshire, Antoinette prepares to say goodbye to her husband; the man she has loved for as long as she can remember. Little does she know, the arrival of the beautiful and mysterious Phaedra will make her question everything about the man she shared her life with. Phaedra loved George too, and couldn't bear to stay away from his funeral. But Phaedra is hiding a deeply

buried secret. One that will change the lives of Antoinette and her family forever, and one that she can no longer keep hidden . . . Bestselling author Santa Montefiore delivers a captivating novel about love, family and secrets that will stay with you long after you've finished reading. A beautiful summer read for fans of Lucinda Riley, Victoria Hislop and Joanna Trollope. ***PRAISE FOR SANTA MONTEFIORE*** 'Nobody does epic romance like Santa Montefiore' JOJO MOYES 'An enchanting read overflowing with deliciously poignant moments' DINAH JEFFERIES on *Songs of Love and War* 'Santa Montefiore hits the spot for my like few other writers' SARRA MANNING 'One of our personal favourites' THE TIMES on *The Last Secret of the Deverills* 'Accomplished and poetic' Daily Mail 'Santa Montefiore is a marvel' Sunday Express

Llewellyn-Jones Fundamentals of Obstetrics and Gynaecology, E-Book Destiny Image Publishers

The Necromancers no longer need Valkyrie to be their Death Bringer, and that's a good thing. The catch? They don't need her any more because they've found their Death Bringer already, the person who will dissolve the doors between life and death. And that's a very, very bad thing ...

[Llewellyn-Jones Fundamentals of Obstetrics and Gynaecology E-Book](#) Random House

Shortlisted for the 2015 Costa Poetry Prize Like Neil Rollinson's earlier books, *Talking Dead* is a refreshment of the

senses: lifting the lid on the human condition in a heartfelt celebration of the act of being, whether in moments of love or mortality, sex or feasting. In the central sequence of the book – a meditation on the space between life and death – the dead speak of their final earthly moments with a liberating sense of fascination, and a luminous awe. Elsewhere we enjoy al fresco sex, astronomy via many pints in the Cat and Fiddle, and the deliverance of an Indian monsoon after weeks of thirst and drought. In 'Christmas in Andalusia' two lovers Skype each other achingly across hundreds of miles – 'I am full of loss and longing,' the poet says, 'the heart is hewn from elm and oak and mistletoe.' As provocative, sensual and subversive as ever, these poems seek and find the numinous in the everyday: some element of ritual or wonder that transforms experience. Although the spectre of darkness is never far away, it is the spirit of pleasure that endures, and we discover to our delight, as D. H. Lawrence did, that the Dionysian finally prevails over the Apollonian.

After Me Comes the Flood Elsevier Health Sciences

Written by a successful medical author Understanding Sexuality is a straightforward and lucid book that presents information for young people about all aspects of sexuality. This edition includes the latest information on sexually transmitted diseases, including AIDS.

Understanding Sexuality Peter Bedrick Books

"Written by a practitioner of various Western occult traditions -- the author has a background in druidism, freemasonry, cabala, Louisiana hoodoo, and is a certified tarot grandmaster -- this is an authoritative and engaging

reference on the occult. Cross-references lead to relevant entries, and sources for further reading are often suggested (a bibliography of these sources is included at the end of the volume). Extensively researched yet concise, this encyclopedia will provide a wide range of users with information on both occult history and current practice."--"Reference that rocks," American Libraries, May 2005.

Llewellyn-Jones Fundamentals of Obstetrics and Gynaecology University of Hawaii Press

The tenth edition of Llewellyn-Jones Fundamentals of Obstetrics and Gynaecology carries on the mission of Derek Llewellyn-Jones (encapsulated in the first edition of this book, published in 1969) to support the WHO's target to ensure women worldwide have good healthcare, safe deliveries and healthy children. In his words: 'It is our hope to continue to meet the needs of today's medical students and students of nursing and midwifery; and to encourage self-learning skills while providing essential information in a readable manner'. Intervention rates continue to climb; women in the developed world embark on pregnancy later in life and with more complex medical disorders. The need to know and apply the best available standards of care is ever more critical. The tenth edition brings this highly regarded book completely up to date whilst retaining its characteristic concision and readability. New to this edition: Now on StudentConsult New ultrasounds New material covering: Diabetes and obesity in pregnancy Advances in IVF Complications arising for older first-time mothers Highly illustrated in full colour throughout Totally revised

Everywoman OUP Oxford

Professor Derek Llewellyn-Jones discusses puberty, sexuality, pregnancy and sexually transmitted diseases. Designed for use with the book of the same name. Aims to stimulate family discussion. For age group 10-17.

A Taste of Honey HarperCollins

The eating disorders - anorexia nervosa, bulimia nervosa, and obesity - affect many thousands of people each year, particularly young women. Eating disorders are a subject which parents today cannot study enough; it is believed that over 1 million people in the UK alone have a significant problem with an eating disorder and that up to 90,000 of those are receiving treatment. *Eating Disorders: The Facts* is a guide to the three major eating disorders: anorexia, bulimia and obesity. This comprehensive guide considers why eating disorders occur, and then looks at each in turn, describing the eating behaviours, diagnosis, and treatments available. The opening chapters tackle adolescent eating behaviours and the sexual maturation process, and further chapters look at the problems that the family or friends of someone with an eating disorder may face, providing advice on how they can cope and provide support and help for the sufferer. This sixth edition contains numerous case history outlines, which provide surprising insights into the mind of the eating disorder sufferer, making it easier for patients and their families to read and dip into as needed. Sympathetically and clearly written, the book provides an

authoritative resource on eating disorders, one that will prove valuable for sufferers and their families.

Darius in the Shadow of Alexander
Crown

Concurrently with her physical development, a teenage woman's opinions and attitudes develop and change as the years pass. She moves from being a girl, dependent on her parents for support and nourishment, to a relatively or completely independent woman. For some, this transition is easy, but for others, it is a period of apparent conflict, anger, and anxiety as the teenager and her parents find that their relationship is changing. *Everygirl*, a well-established best seller, provides reassuring advice about the mysteries and problems of growing up. The new fourth edition addresses current personal and social issues that concern young women. Written in accessible language, *Everygirl* helps the adolescent woman to establish her sense of herself as a woman. It is essential reading for teenage women - and for those who wish to understand them better.

Breast Feeding, how to Succeed Elsevier Health Sciences

"A young drama teacher in the West of Scotland suffers deep psychological problems which affect all areas of her life. She fails to find meaning in anything around her, but in her search she strips situations of their conventional values and sees them in a sharp, new light." -- Publisher's description.
