Truly Madly Royally (Point) Claire Love Publishing A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-

institutional parents in a household of extremes. *A Time to Kill* Blackstone Publishing Lucy Valentine is as smart as can be, as single as you can get, and so not qualified to run a matchmaking service. But when her parents temporarily step down from the family business, Valentine, Inc., it's Lucy's turn to step up and help out—in the name of love. Plus, her rent is due. Here's

the problem: Lucy doesn't have the knack for matchmaking. According to family legend, every Valentine has been blessed by Cupid with the ability to read "auras" and pair up perfect couples. But not Lucy. Her skills were zapped away years ago in an electrical surge, and now all she can do is find lost objects. What good is that in the matchmaking world? You'd be surprised. In a city like Boston,

everyone's looking for something. So when Lucy locates a missing wedding ring—on a dead body—she asks the sexy private eye who lives upstairs to help her solve the perfect crime. And who knows? Maybe she'll find the perfect love while she's at it...in Heather Webber's **Truly, Madly, Madly, Deeply** Graphic Arts Books Percy Jackson is about to be kicked out of

boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. "well rounded and entertaining" (New York Times) Hollywood biography about the passionate, turbulent marriage of Laurence Olivier and Vivien Leigh. In 1934, a friend brought fledgling actress Vivien Leigh to see Theatre Royal, where she would first lay eyes on Laurence Olivier in his brilliant performance as Anthony Cavendish. That night, she confided to a friend, he

was the man she was going to marry. There was just one problem: she was already married—and so was he. TRULY, MADLY is the biography of a marriage, a love affair that still captivates millions, even decades after both actors' deaths. Vivien and Larry were two of the first truly global celebrities - their fame fueled by the explosive growth of tabloids and television, which helped and hurt them in equal measure. They seemed to have it all and yet, in their own minds, they were doomed, blighted by her long-undiagnosed mental-illness, which transformed their relationship from the stuff of dreams into a living nightmare. Through new research, including exclusive access to previously unpublished correspondence and interviews with their friends and family, author Stephen Galloway takes readers on a bewitching journey. He brilliantly studies their tempestuous liaison, one that took place against the backdrop of two world wars, the Golden Age of Hollywood and the upheavals of the 1960s — as they struggled with love, loss and the ultimate agony of their parting. *Dear John* Simon and Schuster Nina - successful, bright and

funny - lives in a dingy North London flat with bad plumbing and a plague of rats. Her lover Jamie has died and no amount of attention from new men or a fulfilling career can ease the pain of her grief. Then Jamie comes back. *Idea Man*

past and a sadness beyond her years. These three women are at different crossroads, but they will all wind up in the same shocking place. Big Little Lies is a brilliant take on ex-husbands and second wives, mothers and daughters, schoolyard scandal, and the little lies that can turn lethal. Blackberry and Wild Rose Entangled: Lovestruck "The Princess Diaries meets Meghan and

Harry in this swoony rom-com!" -- In Touch Magazine Truly, Madly, Whiskey Henry Holt and Company Set in eighteenth-century Spitalfields, London, Blackberry and Wild Rose is the rich and atmospheric tale of a household of Huguenot silk weavers as the pursuit of the perfect silk design leads them all into ambition, love, and betrayal. When Esther Thorel, wife of a master silk

weaver, rescues Sara Kemp from a brothel, she thinks she is doing God's will, but her good deed is not returned. Sara quickly realizes that the Thorel household is built on hypocrisy and lies and soon tires of the drudgery of life as Esther's new lady's maid. As the two women's relationship becomes increasingly fractious, Sara resolves to find out what it is that so preoccupies her mistress ... Esther has

long yearned to be a silk designer. When her early watercolors are dismissed by her husband, Elias, as the daubs of a foolish girl, she continues her attempts in secret. It may have been that none of them would ever have become actual silks, were it not for the presence of the extraordinarily talented Bisby Lambert in the Thorel household. Brought in by Elias to weave his master

piece on the Thorel's loom in the attic of their house in Spitalfields, the strange cadence of the loom as Bisby works is like a siren call to Esther. The minute she first sets foot in the garret and sees Bisby Lambert at his loom marks the beginning of Blackberry and Wild Rose, the most exquisite silk design Spitalfields has ever seen, and the end of the Thorel household's veneration of perfection. As unrest among

the journeyman silk weavers boils over into riot and rebellion, it leads to a devastating day of reckoning between Esther and Sara.

 This warmhearted and moving prequel to the "heart-tugging and emotional" (RT Book Reviews) #1 New York Times bestselling Baxter Family Series follows the family

members as they face rising tensions during a wedding and a colossal storm. A terrible storm builds in the early morning sky over Bloomington, Indiana, as Elizabeth Baxter prepares to celebrate her daughter Kari's wedding to Tim Jacobs. It's supposed to be the happiest of days, but Elizabeth can't shake a growing sense of dread. Is the storm a sign? Something bad is about

to happen. Elizabeth knows it. Indeed, there are dark currents of conflict and doubt coursing through the Baxter family. In the midst of them, Kari Baxter is starting to panic. Is marrying Tim a mistake? And what about her family? Her brother Luke is angry and resentful of their sister Ashley, who has recently returned from Paris, a single mom with a son she too often leaves

with their parents. At the same time, Ashley and their sister Brooke have lost the faith that is the family's glue. Against all this, Kari sees Ashley rejecting her longtime love, Landon Blake, who clearly cares for her, no matter what happened in Paris. When the storm reaches a terrifying crescendo, a shocking moment of danger brings important truths to light. At the end of the long day,

can the Baxters remain a family, tested but stronger? From an author who “writes with seemingly effortless poetic elegance” (Booklist), *The Baxters* is an unforgettable testament to the power of love, family, and faith. [Every Breath](#) Hachette UK By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the

cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the world. In 2009 Allen discovered

that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about

everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne ) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.

 An  
 extraordinarily haunting love story told in the voice of a

man who appears to age backwards We are each the love of someone's life. So begins The Confessions of Max Tivoli, a heartbreaking love story with a narrator like no other. At his birth, Max's father declares him a "nisse," a creature of Danish myth, as his baby son has the external physical appearance of an old, dying creature. Max grows older like any child, but his physical age

appears to go backward--on the outside a very old man, but inside still a fearful child. The story is told in three acts. First, young Max falls in love with a neighborhood girl, Alice, who ages as normally as any of us. Max, of course, does not; as a young man, he has an older man's body. But his curse is also his blessing: as he gets older, his body grows younger, so each successive

<p>time he finds his Alice, she does not recognize him. She takes him for a stranger, and Max is given another chance at love. Set against the historical backdrop of San Francisco at the turn of the twentieth century, Max's life and confessions question the very nature of time, of appearance and reality, and of love itself. A beautiful and daring feat of the imagination, Andrew Sean Greer's <i>The</i></p>	<p><i>Confessions of Max Tivoli</i> reveals the world through the eyes of a "monster," a being who confounds the very certainties by which we live and in doing so embodies in extremis what it means to be human. <i>Truly Madly Guilty</i> HarperCollins UK Harry Posehn is the best dad and the best husband . . . or is he?  #1 New York Times Bestseller  
 From Liane Moriarty, the #1 New York Times bestselling author of Big Little Lies and Nine Perfect Strangers, comes Apples Never Fall, a novel that looks at marriage, siblings, and how the people we love the most can hurt us the deepest. The Delaney family love one another dearly—it's

just that sometimes they want to murder each other . . . If your mother was missing, would you tell the police? Even if the most obvious suspect was your father? This is the dilemma facing the four grown Delaney siblings. The Delaneys are fixtures in their community. The parents, Stan and Joy, are the envy of all of their friends. They're killers on the tennis court, and off it their

chemistry is palpable. But after fifty years of marriage, they've finally sold their famed tennis academy and are ready to start what should be the golden years of their lives. So why are Stan and Joy so miserable? The four Delaney children—Amy, Logan, Troy, and Brooke—were tennis stars in their own right, yet as their father will tell you, none of them had what it took to go all the way. But

that's okay, now that they're all successful grown-ups and there is the wonderful possibility of grandchildren on the horizon. One night a stranger named Savannah knocks on Stan and Joy's door, bleeding after a fight with her boyfriend. The Delaneys are more than happy to give her the small kindness she sorely needs. If only that was all she wanted. Later, when Joy goes missing, and

Savannah is nowhere to be found, the police question the one person who remains: Stan. But for someone who claims to be innocent, he, like many spouses, seems to have a lot to hide. Two of the Delaney children think their father is innocent, two are not so sure—but as the two sides square off against each other in perhaps their biggest match ever, all of the Delaneys will start to reexamine

their shared family history in a very new light. *Truly, Madly* Yale University Press Soon to be a series on Freeform, formerly ABC Family, starring Bella Thorne.
