[Shantell Martin - Lines](#) HarperCollins

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California.

Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

[Resource Manual for Airport In-terminal Concessions](#) Art Book Magazine Distribution

Martin's work is characterised by a unique freedom, expressed through the possibilities of her chosen canvas - a piece of paper or textile, a sculptural surface, wall or screen. She interrogates 'who we are at the core, as people', and since her beginnings with live performance drawing in the mega clubs of Tokyo she has navigated creative worlds to interrogate and play with the role of artist and viewer. This monograph charts her career and includes early pieces, larg-scale murals and commissions, and collaborations with museums, technical institutes, museums and fashion brands.

Flowers: Art & Bouquets Hachette UK

The very best and most exciting things to do in Paris. Paris has been the inspiration of artists, writers and lovers for centuries and the sought after prize of Emperors, Generals and Kings. foods allow them to proudly share their creations. This set comes in a beautifully designed reusable box, perfect for kitchen shelves - the ideal gift for budding chefs!

Pride Cambridge Stanford Books

Berlitz Pocket Guide Nice, Cannes and Monte Carlo is a concise, full-colour travel guide that combines lively text with vivid photography to highlight the very best of these three glamorous cities, from Nice's fascinating Old Town and the seafront promenade of Cannes to the casino and Caf de Paris of Monte-Carlo in Monaco, Europe's second-smallest state. Handy maps on the cover flaps help you get around. To inspire you, the book offers a rundown of the Cote d'Azur's Top 10 Attractions, followed by an itinerary for a Perfect Day in Cannes. The What to Do chapter is a snapshot of ways to spend your spare time, from nightlife and people-watching to opera and sports. The book provides all the essential background information, including a brief history of the Riviera and an Eating Out chapter covering the area's cuisine. There are carefully chosen listings of the best hotels and restaurants and an A-Z of all the practical information you'll need.

Illustration and Heritage LE Publishing

In a lush, green forest, a sloth sleeps. Turn the pages of his story--told in a stunning pop-up display--to witness the tragic process of deforestation and watch as a single seed brings new life. Inventive design and bold art illustrate this important lesson about the environment and the rebirth of what was lost.

Suzy Gershman's Born to Shop France Vintage

This is the definitive visual account of the gay liberation movement in New York, following the Stonewall uprising in Greenwich Village in 1969, an event that marked the coming-out of New York's gay community. As a direct outcome of Stonewall, gay pride marches were held in 1970 in San Francisco, Los Angeles, and New York. Fifty years later Pride will be celebrated in thousands of cities across the world.

Coats! Max Mara Apa Publications (UK) Limited

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Dress Code White Owl

Situated in the centre of Italy, Abruzzo lies just an hour's drive from Rome. Often overlooked, it has never been discovered by mass tourism. Abruzzo has something for everyone: hiking on the slopes of the Majella mountain range, wine tasting along olive-strewn roads that disappear into the labyrinths of ancient towns, shopping through the sunny, pastel streets of Pescara or skiing on the highest peaks of the central Apennines. This updated guide explores towns and villages well off the beaten track. It also goes into greater depth on the region than its competitors, with more detail on the history, culture and sights, and more opinionated and entertaining reviews of hotels and restaurants.

Berlitz Pocket Guide Nice, Cannes & Monte Carlo (Travel Guide eBook) Transportation Research Board

Get inspired and plan your next trip with Fodor's ebook travel guide to Provence & the French Riviera (including the Alpilles, Arles, Marseille, and the Central Coast, with highlights in between). Intelligent Planning: Discover all of the essential, up-to-date travel insights you expect in a Fodor's guide, including Fodor's Choice dining and lodging, top experiences and attractions, and detailed planning advice. Easy Navigation for E-Readers: Whether you're reading this ebook from start to finish or jumping from chapter to chapter as you develop your itinerary, Fodor's makes it easy to find the information you need with a single touch. In addition to a traditional main table of contents for the ebook, each chapter opens with its own table of contents, making it easy to browse. Full-Color Photos and Maps: It's hard not to fall in love with Provence & the French Riviera as you flip through a vivid full-color photo album. Explore the layout of city centers and popular neighborhoods with easy-to-read full-color maps. Plus get an overview of French geography with the convenient atlas at the end of the ebook. What's Covered? Get to Know Provence & the French Riviera: Famed for its Lavender Route, the honey-gold hill towns of the Luberon, and vibrant cities like Aix and Marseilles, Provence was dazzlingly abstracted in geometric daubs of paint by van Gogh and Cézanne. Still haunted by the genius of van Gogh, Arles remains fiercely Provençal and is famed for its folklore events. The spiky Alpilles mountains guard treasures like les Bauz-de-Provence: be bewitched by its ville morte (dead town) and luxurious l'Oustau de la Baumanière inn. Avignon and the Vaucluse are the heart of Provençal delights. Presided over by its medieval Palais des Papes, Avignon is an ideal gateway for exploring the nearby Roman ruins of Orange. About 10 miles east of Avignon is the Sorgue Valley, where everybody goes "flea"-ing in the famous antiques market at l'Isle-sur-la-Sorgue. For one day, join all those fashionable folk for whom café squatting, people watching, and boutique shopping are a way of life in Aix-en-Provence (one of France's 10 richest towns). Enjoy the elegant 18th-century streets, then track the spirit of Cézanne at his famous studio and nearby Mont Ste-Victoire. Head south to become a Calanques castaway before diving into Marseille, one of France's most vibrant and colorful cities. The French Riviera can supply the visitor with everything his heart desires—and his purse can stand. Home to sophisticated resorts beloved by billionaires, remote hill villages colonized by artists, Mediterranean beaches, and magnificent views, the Côte d'Azur stretches from Marseille to Menton. Thrust out like two gigantic arms, divided by the Valley of the Var at Nice, the Alpes-Maritime peaks protect the length of that favored coast from St-Tropez to the Italian frontier. Note: This ebook edition is adapted from Fodor's Provence & the French Riviera, 9th Edition but differs in some content. Additionally, the ebook edition includes photographs and maps that will appear on black-and-white devices but are optimized for devices that support full-color images.

Prince book - Tome III Roaring Brook Press

An exquisite look into the legacy of the rose at the House of Dior, from Christian Dior's early passion for gardening to contemporary floral-inspired designs. Christian Dior discovered gardening at his childhood home in Granville, France. Roses profoundly influenced the designer, especially with his famous New Look aesthetic, where they were placed beneath the iconic corolla symbol. Published on the occasion of the exhibition at the Musée Christian Dior in Granville, this volume explores the rose's importance in Dior's history. The inspiration for Christian Dior's flowery vision of femininity runs deep throughout the House's collections; reinventions by subsequent artistic directors pay homage to Dior's wish to design dresses for "flower-

like women." A focus on a new variety of rose, the Rose de Granville, underscores the perennial significance of the rose today—from inspiring Haute Couture creations to perfume making. This fascinating immersion in Dior's universe continues with texts by experts Éric Pujalet-Plàa, Vincent Leret, and Brigitte Richart, accompanied by sublime photographs, including shots by the most acclaimed twentieth-century masters as well as contemporary photography.

Fodor's Provence & the French Riviera Phaidon Press

An urgent and accessible handbook for peaceful protesters, activists, and community organizers—anyone trying to defend their rights, hold their government accountable, or change the world Blueprint for Revolution will teach you how to • make oppression backfire by playing your opponents' strongest card against them • identify the "almighty pillars of power" in order to shift the balance of control • dream big, but start small: learn how to pick battles you can win • listen to what people actually care about in order to incorporate their needs into your revolutionary vision • master the art of compromise to bring together even the most disparate groups • recognize your allies and view your enemies as potential partners • use humor to make yourself heard, defuse potentially violent situations, and "laugh your way to victory" Praise for Blueprint for Revolution "The title is no exaggeration. Otpor's methods . . . have been adopted by democracy movements around the world. The Egyptian opposition used them to topple Hosni Mubarak. In Lebanon, the Serbs helped the Cedar Revolution extricate the country from Syrian control. In Maldives, their methods were the key to overthrowing a dictator who had held power for thirty years. In many other countries, people have used what Canvas teaches to accomplish other political goals, such as fighting corruption or protecting the environment."—The New York Times "A clear, well-constructed, and easily applicable set of principles for any David facing any Goliath (sans slingshot, of course) . . . By the end of Blueprint, the idea that a punch is no match for a punch line feels like anything but a joke."—The Boston Globe "An entertaining primer on the theory and practice of peaceful protest."—The Guardian "With this wonderful book, Srdja Popovic is inspiring ordinary people facing injustice and oppression to use this tool kit to challenge their oppressors and create something much better. When I was growing up, we dreamed that young people could bring down those who misused their power and create a more just and democratic society. For Srdja Popovic, living in Belgrade in 1998, this same dream was potentially a much more dangerous idea. But with an extraordinarily courageous group of students that formed Otpor!, Srdja used imagination, invention, cunning, and lots of humor to create a movement that not only succeeded in toppling the brutal dictator Slobodan Milošević but has become a blueprint for nonviolent revolution around the world. Srdja rules!"—Peter Gabriel "Blueprint for Revolution is not only a spirited guide to changing the world but a breakthrough in the annals of advice for those who seek justice and democracy. It asks (and not heavy-handedly): As long as you want to change the world, why not do it joyfully? It's not just funny. It's seriously funny. No joke."—Todd Gitlin, author of The Sixties and Occupy Nation

New York City Bloomsbury Publishing

Fun, funky, and fabulous, this book offers a personal buying guide for anyone who wants to look like a million for a fraction of the cost.

'TRB's Airport Cooperative Research Program (ACRP) Report 54: Resource Manual for Airport In-Terminal Concessions provides guidance on the development and implementation of airport concession programs. The report includes information on the airport concession process; concession goals; potential customers; developing a concession space plan and concession mix; the Airport Concessions Disadvantaged Business Enterprise (ACDBE) program; and concession procurement, contracting, and management practices"--Publisher's description.

Situation et défis du cinéma américain actuel BoD - Books on Demand

The "him" in Make Him Look Good is Ricky Biscayne, sexy Latin singing sensation who has taken the pop world by storm. But it takes more than swiveling hips and dreamy eyes to get to the top of the charts. The women who orbit Ricky are: -- Milan, Ricky's new publicist, and her sister Geneva whose Club G promises to have Miami's hottest opening ever -- Jill Sanchez, a media-maniac Latina star who has crossed over from CDs to perfume, clothes and movies -- Jasminka, Ricky's gorgeous Croatian model wife -- Irene, a firefighter whose high school romance with Ricky was the last love in her life, eking out an existence for herself and her daughter Sophia, who is beginning to suspect that she and Ricky Biscayne look a little too much alike With several satisfying romances set against Miami's music, club and modeling scenes, Make Him Look Goodis irresistible fiction from one of America's most original voices.

Top 10 Guide to Paris John Wiley & Sons

Illustration and Heritage explores the re-materialisation of absent, lost, and invisible stories through illustrative practice and examines the potential role of contemporary illustration in cultural heritage. Heritage is a 'process' that is active and takes place in the present. In the heritage industry, there are opposing discourses and positions, and illustrators are a critical voice within the field. Grounding discussions in concepts fundamental to the illustrator, the book examines how the historical voice might be 'found' or reconstructed. Rachel Emily Taylor uses her own work and other illustrators' projects as case studies to explore how the making of creative work □ through the exploration of archival material and experimental fieldwork □ is an important investigative process and engagement strategy when working with heritage. What are the similar functions of heritage and illustration? How can an illustrator 'give voice' to a historical person? How can an illustrator disrupt an archive or museum? How can an illustrator represent a historical landscape or site? This book is a contribution to the expanding field of illustration research that focusses on its position in heritage practice. Taylor examines the illustrator's role within the field, while positioning it alongside the disciplines of museology, anthropology, archaeology, performance, and fine art.
