Ex-CIA master assassin Court Gentry gets hit with a blast from the past in the fourth Gray Man novel from #1 New York Times bestselling author Mark Greaney. Court Gentry has always prided himself on his ability to disappear at will, to fly below the radar and exist in the shadows—to survive as the near-mythical Gray Man. But when he takes revenge upon a former employer

who betrayed him, he exposes himself to something he's never had to face before: a killer who is just like him. Code-named Dead Eye, Russell Whitlock is a graduate of the same ultra-secret Autonomous Asset Program that trained and once controlled Gentry. But now, Whitlock is a free agent who has been directed to terminate his fellow student of death. He knows how his target thinks, how he moves, and how he kills. And he knows the best way to do the job is to make Gentry run for his life—right up until the moment Dead Eye finally ends it...

Destined Penguin

Zoey is finally home where she belongs, safe with her Guardian Warrior, Stark, by her side, and preparing to face off against Neferet – which would be a whole lot easier if the High Counsel saw the ex-High Priestess for what she really is. Kalona has released his hold on Rephaim, and, through Nyx's gift of a human form, Rephaim and Stevie Rae are finally able to be together – if he can truly walk the path of the Goddess and stay free of his father's shadow... But there are new forces at work at the House of Night. An influx of humans, including Lenobia's handsome horse whisperer, threatens their precarious stability. And then there's the mysterious Aurox, a jaw-droppingly gorgeous teen boy who is actually more – or possibly less – than human. Only Neferet knows he was created to be her greatest weapon. But Zoey can sense the part of his soul that remains human, the compassion that wars with his Dark calling. And there's

something strangely familiar about him...

Will Neferet's true nature be revealed before she succeeds in silencing them all?

And will Zoey be able to touch Aurox's humanity in time to protect him – and everyone – from his own fate? Find out what's destined in the next thrilling chapter of the House of Night series.

Betrayed, the second installment in the bestselling House of Night series from P. C. Cast and Kristin Cast, is dark and sexy, and as thrilling as it is utterly shocking. Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters. Best of all, Zoey finally feels like she belongs--like she really fits in. She actually has a boyfriend...or two. Then the

unthinkable happens: Human teenagers are being killed, and all the evidence points to the House of Night. While danger stalks the humans from Zoey's old life, she begins to realize that the very powers that make her so unique might also threaten those she loves. Then, when she needs her new friends the most, death strikes the House of Night, and Zoey must find the courage to face a betrayal that could break her heart, her soul, and jeopardize the very fabric of her world.

House of Night: The Beginning Macmillan

Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (Romantic Times), in which Zoey's mettle will be tested like never before. Her best friend, Stevie Rae, is undead and struggling to maintain a grip on her humanity. Zoey doesn't have a clue how to help her, but she does know that anything she and Stevie Rae discover must be kept secret from everyone else at

the House of Night, where trust has become a rare commodity. Speaking of rare: Zoey finds herself in the very unexpected and rare position of having three boyfriends. Mix a little bloodlust into the equation and the situation has the potential to spell social disaster. Just when it seems things couldn't get any tougher, vampyres start turning up dead. Really dead. It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth... Chosen is the third in the House of Night series by P. C. Cast and Kristin Cast.

That Night Macmillan

When friends stop trusting each other, Darkness is there to fan the flames.... Things have turned black at the House of Night. Zoey Redbird's soul has shattered. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her,

Stark must find a way to get to her. But how? He will have to die to do so, the Vampyre High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. The truth is, Stevie Rae's hiding a secret that might be the key to getting Zoey home but also threatens to explode her whole world. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). She's always been blessed (if you could call it that) with visions that can reveal the future, but now it seems Nyx has decided to speak through her with the goddess's own voice, whether she wants it or not. Aphrodite's loyalty can swing a lot of different ways, but right now Zoey's fate hangs in the balance. Three girls... playing with fire... if they don't watch out, everyone will get Burned.

Nothing at the House of Night is ever as it seems. With rabid red vampyres closing in, Zoey and the Nerd Herd must come together again and battle evil. But a year is a long time. Have these old friends grown too far apart? When the world fractures and allies become enemies, will darkness devour friendships or will light save those she's loved?
