Octavia E.
Butler's
bestselling
literary
science-fiction

masterpiece,
Kindred, now
in graphic
novel format.
More than 35
years after its
release,
Kindred
continues to
draw in new
readers with
its deep
exploration of

the violence
and loss of
humanity
caused by
slavery in the
United States,
and its
complex and
lasting impact
on the present
day. Adapted
by celebrated
academics

and comics artists Damian Duffy and John Jennings, this graphic novel powerfully renders Butler's mysterious and moving story, which spans racial and gender divides in the antebellum South through the 20th century. Butler's most celebrated, critically acclaimed work tells the story of Dana, a young black woman who is suddenly and inexplicably transported from her home in 1970s California to

the pre-Civil War South. As she time-travels between worlds, one in which she is a free woman and one where she is part of her own complicated familial history on a southern plantation, she becomes frighteningly entangled in the lives of Rufus, a conflicted white slaveholder and one of Dana's own ancestors, and the many people who are enslaved by him. Held up as an

essential work in feminist, science-fiction, and fantasy genres, and a cornerstone of the Afrofuturism movement, there are over 500,000 copies of Kindred in print. The intersectionality of race, history, and the treatment of women addressed within the original work remain critical topics in contemporary dialogue, both in the classroom and in the public sphere. Frightening,

compelling, and richly imagined, Kindred offers an unflinching look at our complicated social history, transformed by the graphic novel format into a visually stunning work for a new generation of readers.

Lilith's Brood

The graphic-novel

adaptation of Octavia E.

Butler's

groundbreaking dystopian

novel, Parable of the Sower,

the follow-up to Kindred, a

#1 New York

Times

bestseller In this graphic-

novel

adaptation of Octavia E.

Butler's

Parable of the Sower by

Damian Duffy and John

Jennings, the award-winning

team behind Kindred: A

Graphic Novel Adaptation,

the author

portrays a

searing vision of America's

future. In the year 2024, the

country is marred by

unattended environmental

and economic crises that

lead to social chaos. Lauren

Olamina, a

preacher's

daughter

living in Los

Angeles, is

protected from danger

by the walls of her gated

community. However, in a

night of fire and death,

what begins as a fight for

survival soon leads to

something much more: a

startling vision of human

destiny . . . and the birth

of a new faith.

A Handful of Earth, a

Handful of Sky Beacon Press

A Patternist Novel: a story

of love and hate, in which

two immortals
 chase each
 other across
 continents
 and centuries,
 binding their
 fates together
 - and
 changing the
 destiny of the
 human race.
 Doro knows
 no higher
 authority than
 himself. An
 ancient spirit
 with
 boundless
 powers, he
 possesses
 humans,
 killing without
 remorse as he
 jumps from
 body to body
 to sustain his
 own life. With
 a lonely
 eternity ahead
 of him, Doro
 breeds
 supernaturally

gifted humans
 into empires
 that obey his
 every desire.
 He fears no
 one - until he
 meets
 Anyanwu.
 Anyanwu is an
 entity like
 Doro and yet
 different. She
 can heal with
 a bite and
 transform her
 own body,
 mending
 injuries and
 reversing
 ageing. She
 uses her
 powers to
 cure her
 neighbours
 and birth
 entire tribes,
 surrounding
 herself with
 kindred who
 both fear and
 respect her.
 No one poses

a true threat
 to Anyanwu -
 until she
 meets Doro.
 The moment
 Doro meets
 Anyanwu, he
 covets her;
 and from the
 villages of
 17th-century
 Nigeria to
 19th-century
 United States,
 their courtship
 becomes a
 power
 struggle that
 echoes
 through
 generations,
 irrevocably
 changing what
 it means to be
 human.

 Open Road
 Media
 The complete
 series about
 an alien

species that could save humanity after nuclear apocalypse—or destroy it—from “one of science fiction’s finest writers” (The New York Times). The newest stage in human evolution begins in outer space. Survivors of a cataclysmic nuclear war awake to find themselves being studied by the Oankali, tentacle-covered galactic travelers whose benevolent appearance

hides their surprising plan for the future of mankind. The Oankali arrive not just to save humanity, but to bond with it—crossbreeding to form a hybrid species that can survive in the place of its human forebears, who were so intent on self-destruction. Some people resist, forming pocket communities of purebred rebellion, but many realize they have no choice. The human species inevitably

expands into something stranger, stronger, and undeniably alien. From Hugo and Nebula award-winning author Octavia Butler, *Lilith’s Brood* is both a thrilling, epic adventure of man’s struggle to survive after Earth’s destruction, and a provocative meditation on what it means to be human. This ebook features an illustrated biography of Octavia E. Butler

including rare images from the author's estate.
Wild Seed
 Harper Collins
 An Inspirational, soul-stirring story about sisterhood and resilience. Caught in the quicksand of daily survival and desperate for a change, Ruth and her friends make a bold move to end the legacy of poverty that has plagued their families for generations. Even with epic faith, the problem is time's not on their side and

freedom is never free.
Adulthood Rites John Joseph Adams
 "In 1790, Lavinia, a seven-year-old Irish orphan with no memory of her past, arrives on a tobacco plantation where she is put to work as an indentured servant with the kitchen house slaves. Though she becomes deeply bonded to her new family, Lavinia is also slowly accepted into the world of the big house, where the

master is absent and the mistress battles opium addiction. As time passes she finds herself perilously straddling two very different worlds and when loyalties are brought into question, dangerous truths are laid bare and lives are at risk."--
 Publisher's description.
The Kitchen House Seven Stories Press
 Fledgling, Octavia Butler's last novel, is the story of an apparently young, amnesiac girl

whose alarmingly un-human needs and abilities lead her to a startling conclusion: she is in fact a genetically modified, 53-year-old vampire. Forced to discover what she can about her stolen former life, she must at the same time learn who wanted—and still wants—to destroy her and those she cares for, and how she can save herself. *Fledgling* is a captivating novel that tests the limits of "otherness"

and questions what it means to be truly human. GRIN Verlag A NEW YORK TIMES NOTABLE BOOK • Ghana, eighteenth century: two half sisters are born into different villages, each unaware of the other. One will marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle. The other will be captured in a raid on her village, imprisoned in the very same

castle, and sold into slavery. One of Oprah's Best Books of the Year and a PEN/Hemingway award winner, *Homegoing* follows the parallel paths of these sisters and their descendants through eight generations: from the Gold Coast to the plantations of Mississippi, from the American Civil War to Jazz Age Harlem. Yaa Gyasi's extraordinary novel illuminates slavery's troubled

legacy both for those who were taken and those who stayed—and shows how the memory of captivity has been inscribed on the soul of our nation.

A modern fairytale novella from the Sunday Times top-ten bestselling author

Open Road Media
An alien race calls on one woman to revive mankind after Earth's apocalypse in this science fiction classic from the award-winning author of

Parable of the Sower. Lilith Iyapo has just lost her husband and son when atomic fire consumes Earth—the last stage of the planet's final war. Hundreds of years later Lilith awakes, deep in the hold of a massive alien spacecraft piloted by the Oankali—who arrived just in time to save humanity from extinction. They have kept Lilith and other survivors asleep for centuries, as they learned whatever they

could about Earth. Now it is time for Lilith to lead them back to her home world, but life among the Oankali on the newly resettled planet will be nothing like it was before. The Oankali survive by genetically merging with primitive civilizations—whether their new hosts like it or not. For the first time since the nuclear holocaust, Earth will be inhabited. Grass will grow, animals will run, and

people will learn to survive the planet's untamed wilderness. But their children will not be human. Not exactly. Featuring strong and compelling characters and exploring complex themes of gender and species, Octavia E. Butler presents a powerful, postapocalyptic interplanetary epic, as well as a ray of hope for humanity. This ebook features an

illustrated biography of Octavia E. Butler including rare images from the author's estate. *The American Gothic and Magical Realism in Octavia Butler's Kindred and Wild Seed Through Perspectives of Race and Gender* Kindred The story of the American West is that of a journey. It is the story of a movement, of a geographical and human transition, of the delineation of

a route that would soon become a rooted myth. The story of the American West has similarly journeyed across boundaries, in a two-way movement, sometimes feeding the idea of that myth, sometimes challenging it. This collection of essays relates to the notion of the traveling essence of the myth of the American West from different geographical and disciplinary

standpoints. The volume originates in Europe, in Spain, where the myth traveled, was received, assimilated, and re-presented. It intends to travel back to the West, in a two-way cross-cultural journey, which will hopefully contribute to the delineation of the New—always self-renewing—American West. It includes the work of authors of both sides of the Atlantic ocean who

propose a cross-cultural, transdisciplinary dialogue upon the idea, the geography and the representation of the American West. *Bloodchild* Beacon Press The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a

modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows

longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

Dialectics of oppression and social aspects

Hachette UK
I am as brown as brown can be, And my eyes as black as sloe; I am as brisk as brisk can be, And wild as forest doe. (The Child Ballads, 295)
So begins a beautiful tale of love, loss and revenge.

Following the seasons, A Pocketful of Crows balances youth and age, wisdom and passion and draws on nature and folklore to weave a stunning modern mythology around a nameless wild girl. Only love could draw her into the world of named, tamed things. And it seems only revenge will be powerful enough to let her escape. Beautifully illustrated by Bonnie Helen Hawkins, this

is a stunning and original modern fairytale. [Dinner at the Homesick Restaurant](#) Open Road Media
Continues the story of Jamie Pyke, son of a slave and the master of Tall Oaks plantation, whose deadly secret compels him to take a treacherous journey through the Underground Railroad. *A Pocketful of Crows* Gale, Cengage Learning Seminar paper from the year 2013 in the

<p>subject English Language and Literature Studies - Literature, grade: 1,3, University of Mannheim, language: English, abstract: Butler states in an interview that she responded to a present sense of shame for older African American generations, who reputedly showed humility towards their white masters: "Kindred was a kind of reaction to some of the things going</p>	<p>on during the sixties when people were feeling ashamed of, or more strongly, angry with their parents for not having improved things faster, and I wanted to take a person from today and send that person back to slavery." The second chapter focuses on how the problem of historiography of slavery is depicted in Kindred. The third chapter explores the relationships within the</p>	<p>slave community as well as towards their master. Jacobs suggests to better understand slavery, one shall "go on a southern plantation, and call yourself a negro trader. Then there will be no concealment; and you will see and hear things that will seem to you impossible among human beings with immortal souls." Butler chooses a similar way by sending Dana to the antebellum</p>
---	--	--

South. Overall, the analysis foregrounds social-emotional issues according to Butler's intention: "I was trying to get people to feel slavery. I was trying to get across the kind of emotional and psychological stones that slavery threw at people." Kindred Simon and Schuster KindredBeacon Press

What Editors Do Open Road Media Winner of the Nebula Award for Best Novel: The powerful and

compelling sequel to the dystopian classic Parable of the Sower Lauren Olamina was only eighteen when her family was killed, and anarchy encroached on her Southern California home. She fled the war zone for the hope of quiet and safety in the north. There she founded Acorn, a peaceful community based on a religion of her creation, called Earthseed, whose central

tenet is that God is change. Five years later, Lauren has married a doctor and given birth to a daughter. Acorn is beginning to thrive. But outside the tranquil group's walls, America is changing for the worse. Presidential candidate Andrew Steele Jarret wins national fame by preaching a return to the values of the American golden age. To his marauding followers, who are identified by their

crosses and black robes, this is a call to arms to end religious tolerance and racial equality—a brutal doctrine they enforce by machine gun. And as this band of violent extremists sets its deadly sights on Earthseed, Acorn is plunged into a harrowing fight for its very survival. Taking its place alongside Margaret Atwood's *The Handmaid's Tale*, Butler's eerily prophetic

novel offers a terrifying vision of our potential future, but also one of hope. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate. **A Woman's Liberation** Open Road Media Shola von Reinhold's decadent queer literary debut immerses readers in the pursuit of aesthetics and beauty, while interrogating

the removal and obscuring of Black figures from history. *Trust* University of Chicago Press *A Handful of Earth, A Handful of Sky: The World of Octavia E. Butler* offers a blueprint for a creative life from the perspective of award-winning science-fiction writer and "MacArthur Genius" Octavia E. Butler. It is a collection of ideas about how to look, listen, breathe--how to be in the

world. This book is about the creative process, but not on the page; its canvas is much larger. Author Lynell George not only engages the world that shaped Octavia E. Butler, she also explores the very specific processes through which Butler shaped herself--her unique process of self-making. It's about creating a life with what little you have--hand-me-down books,

repurposed diaries, journals, stealing time to write in the middle of the night, making a small check stretch--bit by bit. Highly visual and packed with photographs of Butler's ephemera, *A Handful of Earth*, *A Handful of Sky* draws the reader into Butler's world, creating a sense of unmatched intimacy with the deeply private writer. There's a great resurgence of interest in

Butler's work. Readers have been turning to her writing to make sense of contemporary chaos, to find a plot point that might bring clarity or calm. Her books have become the centerpiece of book-group discussions, while universities and entire cities have chosen her titles to anchor "Big Read," "Freshman Read," and "One Book/One City" programs. The interest has

gone beyond the printed page; Ava DuVernay is adapting Butler's novel Dawn for television. A Handful of Earth, A Handful of Sky brings Octavia's prescient wisdom and careful thinking out of the novel and into the world. A Handful of Earth, A Handful of Sky will be beloved by both scholars and fans of Butler, as well as aspiring writers and creatives who are looking for a model or a

spark of inspiration. It offers a visual album of a creative life--a map that others can follow. Butler once wrote that science fiction was simply "a handful of earth, a handful of sky, and everything in between." This book offers a slice of the in between. Lynell George is a journalist and essayist. After/Image: Los Angeles Outside the Frame is her first book of essays and

photography, exploring the city where she grew up. As a staff writer for both the Los Angeles Times and L.A. Weekly, she focused on social issues, human behavior, visual arts, music, and literature. She taught journalism at Loyola Marymount University in Los Angeles, in 2013 was named a USC Annenberg/Getty Arts Journalism Fellow, and in 2017 received the Huntington Library's Alan

Jutzi Fellowship for her studies of California writer Octavia E. Butler. A contributing arts-and-culture columnist for KCET|Arts and Culture, her commentary has also been featured in numerous news and feature outlets including Boom: A Journal of California, Smithsonian, KPCC The Frame, Los Angeles Review of Books, Vibe, Chicago Tribune, Washington Post, Essence, Black Clock, and Ms. Her liner notes for Otis Redding Live at the Whisky a Go Go earned a 2018 GRAMMY award. *Kindred* Abrams Six extraordinary stories from the author of *Kindred*, a master of modern science fiction—including a Hugo and Nebula award-winning novella. Octavia E. Butler’s classic “Bloodchild,” winner of both the Nebula and Hugo awards, anchors this collection of incomparable stories and essays. “Bloodchild” is set on a distant planet where human children spend their lives preparing to become hosts for the offspring of the alien Tlic. Sometimes the procedure is harmless, but often it is not. Also included is the Hugo Award-winning “Speech Sounds,” about a near future in which humans must adapt after an apocalyptic

event robs them of their ability to speak. "The Evening and the Morning and the Night," another esteemed title in this collection, is a Nebula Award finalist. In these pages, Butler shows us life on Earth and amongst the stars, telling her tales with characteristic imagination and clarity. This ebook features an illustrated biography of Octavia E. Butler including rare images from

the author's estate. The Conductors Simon and Schuster A "funny, heart-hammering, wise" (The New York Times) best-selling portrait of a family that will remind you why "to read a novel by Anne Tyler is to fall in love" (PEOPLE). Abandoned by her wanderlusting husband, stoic Pearl raised her three children on her own. Now grown, the siblings are inextricably

linked by their memories—some painful—which hold them together despite their differences. Hardened by life's disappointments, wealthy, charismatic Cody has turned cruel and envious. Thrice-married Jenny is errant and passionate. And Ezra, the flawed saint of the family, who stayed at home to look after his mother, runs a restaurant where he cooks what other people are homesick

for, stubbornly yearning for the perfect family he never had. Now gathered during a time of loss, they will reluctantly unlock the shared secrets of their past	and discover if what binds them together is stronger than what tears them apart. “[In Dinner at the Homesick Restaurant Tyler] has arrived at a new level of	power.” —John Updike, The New Yorker “Marvelous, astringent, hilarious, [and] strewn with the banana peels of love.” —Cosmopolita n
