This volume contains the official dialogue results and common statements issued between 1998 and 2005 by an astonishingly wide range of Christian churches and communions. Reflected here are the solid advances made by well-established dialogue partners, as well as explorations in dialogue by churches new to the dialogue process at world level. Also included is the ecclesiology text adopted by WCC member churches at their assembly in Porto Alegre, Brazil.

International Baptist Studies One Hundred Questions and Answers for Ministerial Ordination Ordination Questions A Study for Church Officers What does it mean to be a deacon in the black Baptist church today? What personal qualities should a candidate for deacon possess? What does the ministry entail? What relationship should exist between the pastor and deacons? What

does Scripture say about the origins of the office of the deacon? How has the historical context of being black and Baptist in American influenced the evolution of that office? How do we fulfill the scriptural purposes of a deacon ministry in our local black Baptist churches today? Rev. Dr. Marvin McMickle explores these issues and more in this practical resource for today's church leaders.

“Amir Tsarfati tells the prophetic story of the Bible from Genesis to Revelation and in the process helps his readers to comprehend God’s unique purpose and plan for both Israel and the Church. His refutation of Replacement Theology is profound and yet easy to understand. This book answers a lot of questions many prophetic writers are afraid to ask.” —Dr. David Jeremiah As the day of the Lord rapidly draws near, we must appreciate God’s plans for all His people To truly grasp Bible prophecy, we must first understand how God’s promises to Israel complement His vision for the church. While some believe God has forsaken Israel for the church, this goes against the nature of the faithful Lord we find in Scripture. In his latest book, native Israeli and bestselling author Amir Tsarfati makes clear what the Bible says about God’s unique master plans for His two chosen groups, Israel and the church. Amir gets to the heart of key questions, such as... Do the promises God made to the Old Testament nation of Israel still apply to the Jewish people today? Has God replaced rebellious Israel with the church? Now that the church exists, does Israel possess a distinct role in the present age? How are current events in Israel relevant to the church? What should the church’s attitude be toward Israel? Israel and the

Church provides a fascinating look at all that God has prepared for His two peoples—and why it’s so relevant to us today!

Respected Baptist historian and theologian Bill Leonard takes readers through the theological and practical questions that are important to Baptists. In a clear style and with great sensitivity to the varieties of beliefs among Baptist bodies, Leonard considers the big questions of faith. These include Baptist beliefs about God, Jesus Christ, the Bible, salvation, and the Christian life, among others. Drawing on historic statements of Baptist belief, contemporary history, and his own background and deep scholarship, Leonard provides reliable and accessible discussions of these issues. His work will be highly illuminating for Baptists of all denominational groupings as well as for others interested in the core of Baptist theological convictions and their various expressions. Leonard's is a strong and trusted voice, and this book will be a welcome resource.

The Pastor's Guide to Leading and Living is the perfect resource for both new and seasoned pastors. This book includes tips on topics like a pastor’s finances, politics and the pulpit, the pastor’s family, church and conflict, church administration, pastoral care, and much more. Each chapter has scripture references and space to write notes. Features include: Twenty-six chapters of vital information and advice for preachers from a trusted pastor Sections to jot down notes Convenient and easy to carry anywhere a pastor may be called to serve "Dr. O. S. Hawkins combines the heart of a pastor and the

skill of a great leader. In this powerful new book he provides pastors with a wealth of both spiritual and practical advice. He has distilled a lifetime of pastoral experience and reflection into one unprecedented volume. Every pastor needs this book, and should keep it within a short reach." R. Albert Mohler, Jr., President The Southern Baptist Theological Seminary Louisville, Kentucky "Few men have moved from pastorate into denominational service and yet maintained pastoral connections and perspectives as has O.S. Hawkins. This book, *The Pastor's Guide to Leading and Living*, is proof enough of this affirmation. Exceptional chapters include those discussing the pastor and his preaching, his partner, his priorities, his pressures, the poor, and the prize. Although most pastors' manuals, however valuable, are not the most interesting reading, this volume is scintillating and constructive to a degree that I have seldom seen." Paige Patterson President Southwestern Baptist Theological Seminary Fort Worth, TX "My life long friend O.S. Hawkins provides one of the very best resources imaginable to guide pastors and church leaders towards excellence in ministry. His focus on authenticity and practical effective pastoral life and leadership will resonate with every servant of Christ. This book will be a model for Christian ministry for years to come." Jack Graham Pastor, Prestonwood Baptist Church

United Methodist Church Book of Discipline 2016 Ravenio Books Perspectives on Church Government presents in counterpoint form the basic models of church government which have developed over the course of church history with a view toward determining which is most faithful to Scripture. Each chapter will be written by

a prominent person from within each tradition—with specific guidelines dealing with the biblical, historical, and theological issues within each governance tradition. In addition, each writer will have the opportunity to give a brief response to the other traditions. [Exploring Christian Faith](#) Authentic Media Inc

Have you ever thought that we as Independent, Fundamental, King James Bible Baptists, need a revival of Ordination in our kind of Churches? Ordination is to pass on The Faith as it was "...once delivered..." (Jude 3) Could this be the underlying problem for some of the lack of power today? Are there good men out there in the ministry, who are struggling in their own strength; while they attempt to serve their Lord; and all because of not being properly "...ordained..." into the ministry? Can we stop some of the wicked tide of the defecting to doctrinal worldliness, by holding to the task of ordaining qualified and prepared men; as The Lord committed it to us to do? Could Biblical ordinations weed out some of the potential wolves in sheep's clothing; and empower our future Pastors and Evangelists, to be better used to help expose, and even transform those wolves into sheep? Thank The Lord that there are those Baptist Pastors, under the authority of Baptist Churches, who still seek to carry on this all important part of the ministry of The Local Church. But more of us need to take a hard, stern look at the state of ordination in this time. Has it been neglected by us? Can we as Independent, Fundamental Baptists see ordination restored? Does The Lord want it so? The answer to all such questions is a solid "Yes"!

From 1979 to 2000, the Southern Baptist Convention (SBC) was mired in conflict, with the biblicist and autonomist parties fighting openly for control. This highly polarizing struggle ended in a schism that created major changes within the SBC and also resulted in the formation of several new Baptist groups. Discussions of the schism, academic and otherwise, generally ignore the church's clergywomen for the roles they played and the contributions they made to the fracturing of the largest Protestant group in the United States. Ordained women are typically treated as a contentious issue between the parties. Only recently are scholars beginning to take seriously these women's contributions and interpretations as active participants in the struggle. *Anatomy of a Schism* is the first book on the Southern Baptist split to place ordained women's narratives at the center of interpretation. Author Eileen Campbell-Reed brings her unique perspective as a pastoral theologian in conducting qualitative interviews with five Baptist clergywomen and allowing their narratives to focus attention on both psychological and theological issues of the split. The stories she uncovers offer a compelling new structure for understanding the path of Southern Baptists at the close of the twentieth century. The narratives of

Anna, Martha, Joanna, Rebecca, and Chloe reframe the story of Southern Baptists and reinterpret the rupture and realignment in broad and significant ways. Together they offer an understanding of the schism from three interdisciplinary perspectives—gendered, psychological, and theological—not previously available together. In conversation with other historical events and documents, the women's narratives collaborate to provide specific perspectives with universal implications for understanding changes in Baptist life over the last four decades. The schism's outcomes held profound consequences for Baptist individuals and communities. *Anatomy of Schism* is an illuminating ethnographic and qualitative study sure to be indispensable to scholars of theology, history, and women's studies alike.

The book is a collection of twenty-one essays discussing how Baptists throughout the world have related to other Christians and to other institutions and movements over the centuries. The theme of this collection of twenty-one essays, 'Baptists and Others', includes relations with other Christians and with other institutions and movements. What, the authors ask, has been the Baptist experience of engaging with different groups and developments? The theme has been explored by means of case studies, some of which are very specific in time and place while others cover long periods and more than one country. In the first half the contents are arranged by period. The first section examines early Baptists, the second nineteenth-century Baptists in Britain and America and the third Baptists in the twentieth century. The second half turns to various

parts of the world. There is a section on Australia, another on New Zealand and a third on Asia and Africa. The overall picture is one of a complicated series of relationships as Baptists defined themselves as different from other bodies and yet, especially in the twentieth century, tried to co-operate in mission and ecumenical endeavour.

'Baptists are often regarded as enthusiastic separatists and unenthusiastic ecumenists. These essays, based on hard evidence rather than passing impressions, are a necessary correction to superficial prejudices and show the reality to be much more complex and nuanced, as well as varied over time and place. The book is a smorgasbord of delights. Yet, readers should avoid the temptation to pick and choose from the menu, ensuring rather that each offering is digested so they enjoy a balance and nutritious meal.' Derek Tidball

Throughout the history of the church, ordination has been practiced in nearly all its branches or denominations. Yet there has never been a set theology or procedure for this rite - probably because there is no general agreement on what it signifies. According to author Warkentin, "All kinds of suppositions about ordination abound,,,,, The Scriptures of the New Testament are called upon to substantiate many of these assumptions, but contradictory doctrines continue to coexist."

Warkentin's aim in this book is to examine the historical, exegetical, and theological sources of the rite of ordination. In the course of her study, several issues pertinent to church leadership practices emerge. Does a representative-mediatorial view of the ministry lead to encroachment on the

office of the risen Lord and hinder the functioning of spiritual gifts in the church? Can we arrive at authentic scriptural norms on which to base leadership patterns in our churches? Warkentin's answers to these questions are both surprising and thought-provoking. She believes that the priesthood of all believers loses its meaning unless we recognize that true ministry - Christian service - can be practiced by each Christian according to his or her spiritual gifts, regardless of ordination. According to Warkentin: "The vocabulary of the New Testament permits no pyramidal forms... Ordination can have no function in such a system, for it sets up barriers where none should exist, that is, between one Christian and another, and hinders the mutual service by which the church is edified."

An Expository Sermon Series through the Book of Colossians Today's church is under constant pressure from society to change. Change our message. Change

our ways. Within the church, some are pushing for compromise. Change the message. These pressures to change and compromise are not new to the church. Almost two thousand years ago, the Apostle Paul wrote to a church facing similar circumstances. What Paul wrote to the Colossians is just as relevant to today's church of the 21st century.

Sermon Outlines for Busy Pastors: Colossians Series presents a verse-by-verse, expository sermon series that speaks to today's church that faces pressures from both outside and inside the church. Encourage, strengthen, and prepare your church with the sermons in Sermon Outlines for Busy Pastors: Colossians Series. Sermon Titles and Scripture References: 1. Introduction to Colossians - Colossians 2:1-4 2. Resist - Colossians 1:1-14 3. Supreme - Colossians 1:15-23 4. Mystery Revealed - Colossians 1:24-2:5 5. Jesus is the Answer - Colossians 2:6-23 6.
