THE SILVER LINING: It takes no more work to attract customers from the explosively growing Mass-Affluent, Affluent, and Ultra-Affluent populations eager to pay premium prices in return for exceptional expertise, service, and experiences. In this new edition of *No B.S. Marketing to the Affluent*, millionaire maker Dan S. Kennedy shows you how to re-position your business, practice, or sales career to attract customers or clients for whom price is NOT a determining factor. Learn how to sell to those who will always be spending as Kennedy shines the spotlight on the practical strategies used by The Ritz-Carlton, Disney, Harrah's Entertainment, Dove, AARP, Dr. Oz, Starbucks, Williams-Sonoma, DeBeers, the health and wellness industry and many other fascinating and diverse true-life examples. You'll also discover how to: Use 10 surprising emotional buy triggers the affluent find irresistible Stop selling products and services and learn how selling aspirations and emotional fulfillment is more profitable Use Kennedy's Million-Dollar Marketing System.
