This updated 4th edition of the bestselling *Logistics and Supply Chain Management* is a clear-headed guide to all the key topics in an integrated approach to supply chains, including:

- The link between logistics and customer value.
- Logistics and the bottom

line measuring costs and performance.

- Creating a responsive supply chain.
- Managing the global pipeline.
- Managing supply chain relationships.
- Managing risk in the supply chain.
- Matching supply and demand.
- Creating a sustainable supply chain.
- Product design in the supply chain.

Intelligent Business Elementary Teacher's Book for Pack Longman New Language Leader takes an intelligent approach to building the confidence and skills

students need to succeed in academic study and use English in a globalised world. The Advanced Level = CEFR: B2+ - C1 | GSE: 70 - 82 In every book you will find 12 units divided into relevant sections, such as grammar, vocabulary, reading, and writing. Exam practice is embedded at the end of each unit to prepare students for high-stakes tests like IELTS and PTE Academic. Every lesson in New Language Leader has a scenario with a case study and "Meet the

Expert" video or a Study Skills section with skills videos to support students in tertiary education: 'Meet the Expert" aspirational videos with leading professionals in different fields stretch students' ability to understand real-life English. Experts act as role models and inspire students to work harder. Study Skills videos teach your students how to do their best in academic studies. They give advice on how to better understand lectures, take notes, participate in

discussions and give many other useful academic tips.
