CLARE KARTER

Just Like Heaven Forever

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." -Meghan March, USA Today
Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been

happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due

to language and graphic sexual content.

A USA Today Bestseller with an Anti-Hero When Vicky accidentally slides into the side of a polar bear, she doesn't expect to fall in love. Eaten yes, perhaps used as a chew toy, but become the object of a bear's affection and lust? Crazy! Almost as crazy as the fact the polar bear turns out to be a man. A sexy man. A man who growls, and roars and does everything he can to chase her away. Only to come back. Poor Gene. After the pain and betrayal he suffered in the war all he wants is vengeance against the brothers who left him behind. But he's confused when instead of wanting to punish him for his evil acts, they offer him forgiveness. As if that weren't annoying enough, the cutest geek he ever met—with caramel kissed skin covering a lush, rounded figure and wearing the sexiest dark rimmed glasses—won't leave him alone. Or more like, he can't seem to stop following her. And it isn't just because someone is out to hurt her. He wants her. But does he want her more than vengeance? A Novel Harlequin

There is nothing to be found in the pages of A Series of

Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . In *The Bad Beginning* the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. Then again, why trouble yourself with the unfortunate resolutions? With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Moon Called Penguin

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, *Twilight* captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

 Quand j'ai débarqué dans un club détenu par la mafia à la recherche d'un emploi, c'était d'une protection dont j'avais besoin. J'étais loin de me douter que j'aurais besoin d'être protégée contre lui. Conor O'Callahan était exactement le genre de danger que j'essayais d'éviter. Il était beau comme le péché, avec un accent plus sexy que le diable, mais le charme s'arrêtait là. Parce qu'il était aussi cynique, froid, d'une humeur sombre. Alors, imaginez ma surprise quand il m'a fait une proposition radicale : l'épouser ou perdre la vie. À situation désespérée, mesures désespérées. J'ai appris à faire le nécessaire pour survivre dans ce monde, et même épouser un gangster s'il le faut. Quoi qu'il en dise, ce n'est que provisoire. Je ne risque pas de tomber amoureuse de lui. Parce que ce serait stupide, n'est-ce pas ?

Skin Entangled: Teen

Lucia It all started with a contract signed by him, then by me,

while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.
