New York Times bestselling author Lorelei James returns for another wild ride in Wyoming with a new Blacktop Cowboys® novel. Years in the Army equipped Bailey Masterson for many things: target shooting, rappelling off cliffs, dodging grenades. She's lived through horrors that still give her nightmares. But nothing in Bailey's life-or-death training prepared her for caring for the tiny terror that is five-year-old Olivia Hale. Or how to control her raging attraction to Olivia's father, Streeter, the rugged, green-eyed cattle rancher who undermines her every move even when he stars in her dreams. Streeter Hale has room for only two things in his life: his daughter and his job. He doesn't date. He doesn't get attached. Not anymore. So not only is Streeter stunned by Olivia's improved behavior after just a few days with Bailey, he's downright floored by his immediate attraction to the woman. But with secrets in her eyes and a body that doesn't quit, Streeter begins to worry that Bailey Masterson might just be the one woman to heal his fractured family and broken heart. One thing's for sure--these two wrecked souls are spinning out of control as they desperately try not to fall in love...

From New York Times and USA Today bestselling author Lorelei James comes a new story in her Blacktop Cowboys® series... Ambition has always been his biggest downfall...until he meets her. World champion bulldogger Sutton Grant works hard on the road, but his quiet charm has earned the nickname "The Saint" because he's never been the love 'em and leave 'em type with the ladies. When he's sidelined by an injury, he needs help keeping his horse in competition shape, but he fears trying to sweet-talk premier horse trainer London Gradsky is a losing proposition--because the woman sorta despises him. London is humiliated when her boyfriend dumps her for a rodeo queen. What makes the situation worse? She's forced to see the lovebirds on the rodeo circuit every weekend. In an attempt to save face, London agrees to assist the notoriously mild, but ruggedly handsome Sutton Grant with his horse training problem on one condition: Sutton has to pretend to be her new boyfriend. But make believe doesn't last long between the sassy cowgirl and the laid-back bulldogger. When the attraction between them ignites, London learns that sexy Sutton is no Saint when that bedroom door closes; he's the red-hot lover she's always dreamed of. The more time they spend together, the more Sutton realizes he wouldn't mind being roped and tied to the rough and tumble cowgirl for real... \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*

Hale stepped in to stop Garnet Evans's son from railroading her out of her own home, he knew moving in with his favorite Mud Lily could be seen as strange. But the stubborn cowboy digs in his boot heels and refuses to leave. Stuck in close quarters together, Jade learns Tobin is the real deal--a hardworking, fiercely loyal man and she's the one in danger of losing her heart.
