One of you, from every married couple, may face a life-changing diagnosis and perhaps end-of-life decisions for your mate. If so, your journey is just beginning. Certainly, one person from every married couple will grieve and mourn the loss of their mate. If you are the surviving spouse, you are on a journey of grief. That one person from every married couple who survives and is left alone is now a widow or widower. Your journey will become unbelievably emotional, confusing, and lonesome. As that widow or widower grieves and mourns the loss of their mate, the decision must be made to move on with life or not. The choice is yours. Do you let Jesus walk you through this miserable valley, or do you choose to stay and live in this miserable valley alone? If you are the new widow or widower starting this miserable journey of grief, my heart hurts for you. If you are the child or other loved one of that one individual from every marriage who has become the surviving widow or widower, my heart hurts for you. As you follow the journey of this widower, you will get a firsthand account of the miserable journey your loved one is entering. I desire that the journaling of my experience, as the surviving spouse, will prepare you for the physical, mental, emotional, and spiritual setbacks you and your loved ones will face.

To provide effective service in helping people understand how they are going to be affected by health care reform and how to obtain coverage, pursue an appeal, or plan for long-term care or retirement, you need the most current information from a source you can trust - Medicare Handbook. This is the indispensable resource for clarifying Medicare's confusing rules and regulations. Prepared by an outstanding team of experts from the Center for Medicare Advocacy, it addresses issues you need to master to provide effective planning advice or advocacy services, including: Medicare eligibility rules and enrollment requirements; Medicare covered services, deductibles, and co-payments; coinsurance, premiums, penalties; coverage criteria for each of the programs; problem areas of concern for the advocate; grievance and appeals procedures. The 2019 Edition of Medicare Handbook offers expert guidance on: Medicare Enrollment and Eligibility Medicare Coverage in all Care-Settings Medicare Coverage for People with Chronic Conditions Medicare Home Health Coverage and Access to Care Prescription Drug Coverage Medicare Advantage Plans Medicare Appeals Health Care Reform And more! In addition, Medicare Handbook will help resolve the kinds of questions that arise on a regular basis, such as: How do I appeal a denial of services? What steps do I need to take in order to receive Medicare covered home health care? What are the elements of Medicare's appeal process for the denial of coverage of an item, service, or procedure? Does my state have to help me enroll in Medicare so that I can get assistance through a Medicare Savings Program? When should I sign up for a Medigap plan? If I am enrolled in Medicare, do I have to buy health insurance in the insurance marketplace created by the Affordable Care Act? Is it true that I have to show medical improvement in order to get Medicare for my nursing and therapy services? And more! The 2019 Medicare Handbook is the indispensable resource that provides: Extensive discussion and examples of how Medicare rules apply in the real world Case citations, checklists, worksheets, and other practice tools to help in obtaining coverage for clients, while minimizing research and drafting time Practice pointers and cautionary notes regarding coverage and eligibility questions when advocacy problems arise, and those areas in which coverage has often been reduced or denied And more! Note: Online subscriptions are for three-month periods. Previous Edition: Medicare Handbook, 2018 Edition ISBN 9781454884224

Large Print 2018 Calendar

Shortlisted for the Man Booker Prize: A married woman begins an impulsive affair in Paris in this novel of "brilliant insight" (The Times, London). Sheila Redden, a devoted mother and reserved wife of a busy Belfast surgeon, is awaiting the arrival of her husband at a Paris hotel. In a matter of days,

they'll be celebrating a second honeymoon after sixteen years of marriage. But Sheila never could've imagined the chance encounter with Tom, a handsome and attentive American student—or that in one inexplicable moment, she'd abandon everything she knows to disappear into the unknown with an irresistible stranger. It's more than a sexual awakening. It's a chance to see her ordinary life from a distance—her dutiful role as mother and wife, her sacrifices, her lost sense of self, and the realization that she's already been vanishing little by little for quite some time. All the while, Sheila's concerned husband and brother are retracing her steps, following her on a cathartic and devastating journey that's far from over.
