The months slip by, marked by the passing of the familiar holidays and the postcards that her father sends. With each one, he feels more and more distant, until Suzy isn't sure she'd even recognize her father anymore. This heartfelt and accessible picture book by Suzanne Collins, the NEW YORK TIMES bestselling author of the Hunger Games series, is accompanied by James Proimos's sweet and funny illustrations. This picture book will speak to any child who has had to spend time away from a parent.

A sweeping novel of intrigue and identity, of love and legacy, as a young woman discovers that her own fate is irrevocably tied—for better or worse—to literature's greatest star-crossed lovers. Twenty-five-year-old Julie Jacobs is heartbroken over the death of her beloved aunt Rose. But the shock goes even deeper when she learns that the woman who has been like a mother to her has left her entire estate to Julie's twin sister. The only thing Julie receives is a key—one carried by her mother on the day she herself died—to a safety-deposit box in Siena, Italy. This key sends Julie on a journey that will change her life forever—a journey into the troubled past of her ancestor Giulietta Tolomei. In 1340, still reeling from the slaughter of her parents, Giulietta was smuggled into Siena, where she met a young man named Romeo. Their ill-fated love turned medieval Siena upside-down and went on to inspire generations of poets and artists, the story reaching its pinnacle in Shakespeare's famous tragedy. But six centuries have a way of catching up to the present, and Julie gradually begins to discover that here, in this ancient city, the past and present are hard to tell apart. The deeper she delves into the history of Romeo and Giulietta, and the closer she gets to the treasure they allegedly left behind, the greater the danger surrounding her—superstitions, ancient hostilities, and personal vendettas. As Julie crosses paths with the descendants of the families involved in the unforgettable blood feud, she begins to fear that the

notorious curse—"A plague on both your houses!"—is still at work, and that she is destined to be its next target. Only someone like Romeo, it seems, could save her from this dreaded fate, but his story ended long ago. Or did it? Praise for Juliet "One of those rare novels that have it all . . . I was swept away"—Sara Gruen, author of *Water for Elephants* "Juliet leads us on a thrilling treasure hunt through present-day Italy that makes the classic tragedy itself spellbinding all over again."—Elle "Boldly imagined, brilliantly plotted, beautifully described, Juliet will carry you spellbound until the gripping end."—Susan Vreeland, author of *Clara and Mr. Tiffany* "The Shakespearean scholarship on display is both impressive and well-handled."—The Washington Post

This is a list of characters in the *Hunger Games* trilogy, a series of young adult science fiction novels by Suzanne Collins. Katniss is the 16-year-old protagonist and narrator of the story. Katniss is normally quiet in school and doesn't bother with gossip and social matters. She lives with her mother and younger sister Primrose in the poorest district of Panem, District 12, which is in charge of mining coal for the capitol. Her looks are typical for those from the Seam (the slums of District 12): long black hair, which she wears in a braid; olive skin; and gray eyes. Five years before the start of *The Hunger Games*, her father is killed in a mining explosion and her mother falls into a depression. In order to provide for her sister, Katniss begins to hunt in the woods as her father taught her. In the process, she becomes friends with Gale Hawthorne. When it comes time to draw the tributes for the 74th annual *Hunger Games*, Katniss' sister Prim's name is drawn, but Katniss volunteers to take her sister's place, along with the male tribute from District 12, Peeta Mellark. During the Games, Peeta expresses his love for her on live television, which Katniss assumes is a ploy to gain attention from rich sponsors, but is later revealed to be genuine. Halfway through the Games, a new rule is instituted so that both tributes from a District can become winners. However, when only Peeta and Katniss are left, the rule is reversed, in an attempt to force one of them to kill the other, ensuring a more dramatic ending. At that moment, Katniss decides that both of them should eat poisonous berries called nightlock and die, ensuring the...
