**The Undoer** Clean Teen Publishing School Crisis Response introduces a unique educational approach that provides compelling scenarios for the development of school crisis responders. There are many books describing the how-to of school crisis response, but few

describe the thoughts and emotions to help guide the application of skills learned. This book provides narratives about traumatic events to supplement concepts with lessons from actual crises. The author documents the perspective of a team leader, vividly illustrating real events to confront the challenges, decisions, and problem-solving demanded to effectively stabilize emotional reactions, ameliorate trauma, and support resilience and recovery. While encouraging reflection, educating, and strengthening new and experienced responders, this book celebrates the vital work of school psychologists, counselors,

administrators, teachers, social workers, and nurses who provide extraordinary service under the most difficult circumstances. It combines an intellectual, evidence-based "in the head" understanding of how to do crisis response with an emotional, empathetic "in the heart" understanding of how it feels to do it.

S & G Books LLC  
 From the Bestselling Silver Springs Ranch Series, Boxed Set 2 with books 4-6! HOW TO ROPE A LOYAL COWBOY Widowed single dad Noah needs help in the worst way. He's desperate to find a new live-in nanny to care for his four-year-old twins while he's at work in the stables. Ever since his wife died, he has lived like a

monk. What with raising two boys solo and working as the horse master for Silver Springs Ranch, there hasn't been time in his life for things like finding a willing bed partner to slake his dark needs. When the achingly beautiful Morgan appears on his doorstep inquiring about the job, he doesn't think twice about hiring her. He snaps her up before she discovers his boys are little hellions who have driven the last few nannies away over their antics. And yet, for the first time in three years, since he buried his heart in the ground, Noah is entranced by naughty visions of the new nanny. She's young, full of enthusiasm, and stirs up every wicked fantasy in his arsenal.

He prays he has the fortitude to resist her delectable charms because she's forbidden. At his age, he can't sleep with, let alone crave, a woman fresh out of college. But she keeps casting sexy glances suffused with desire in his direction, battering his resolve to stay away. She's headstrong, and he aches to exert his dominance. Will he wave the white flag, and surrender to her naughty whispered pleas? HOW TO ROPE A VALIANT COWBOY Retired Navy Seal Duncan has a stellar set up. After years of covert operations dodging bullets, he's living the high life, teaching tourists basic outdoor survival skills at Silver Springs Ranch. The only thing he is evading these

days are the countless women trying to trap him into a relationship. He enjoys women and their company immensely, but the institute of marriage and committed relationships are not for him. And yet the newest maid, Eve, leaves him stymied. She's heart-stoppingly gorgeous, one of the worst maids he has ever encountered, and is holding on to dark secrets—ones that engage his every need to protect and shield her from whatever darkness eats at her. She's a total thorn in his side, turning him inside out and tying him up in knots with unquenchable desire. Due to the severity of his fascination, he cuts a wide berth around her, figuring it's best to stay as far away from

her as possible... Until she comes to him one night and begs him to teach her self-defense. Duncan discovers he can't contain his need any longer, not when she is looking to him for guidance—and like his every fantasy come to life. He yearns to have her on her knees, begging for his dominance. And when she becomes a target, he will do whatever it takes to save her. **HOW TO ROPE A SAVAGE COWBOY** Lincoln is floundering. He did something undeniably stupid. On an evening out with his best buddies in Vegas, he hooked up with a smoking hot female for a torrid, all night escapade. It was one of the most carnal experiences of his life, and one he wouldn't be averse to repeating.

Under most circumstances, a one-night stand wouldn't be an issue. Except, the woman is his boss and his best friend's sister. If his buddy discovers their tryst, Lincoln is a dead man. Utter disaster. And yet, there was something about that night that makes him want to risk life and limb to hold her, experience her scorchingly addictive surrender again. As if that isn't bad enough, after they return home, her ex-boyfriend appears in a bid to win her back, unleashing the territorial beast inside Lincoln. She belongs to him, not some city slicker in a suit. He plans to prove to her that she belongs in his bed. That he's the only one who should be gifted with her seductive

surrender. Now he's navigating wooing his boss, and falling for her. Can he convince Amber to take a chance on him for more than one night? TORTURED Soho Press

Daughters of Olympus: Five Reverse Harem Romances Coach House Books

From the #1 New York Times best-selling author of *The Darkest Minds* comes a sweepingly ambitious, high-octane tale of power, destiny, love, and redemption. Every seven years, the Agon begins. As punishment for a past rebellion, nine Greek gods are forced to walk the earth as mortals. They are hunted by the descendants of ancient bloodlines, all eager to kill a god and seize their divine power and immortality. Long ago, Lore Perseous fled that brutal world, turning

her back on the hunt's promises of eternal glory after her family was murdered by a rival line. For years she's pushed away any thought of revenge against the man—now a god—responsible for their deaths. Yet as the next hunt dawns over New York City, two participants seek her out: Castor, a childhood friend Lore believed to be dead, and Athena, one of the last of the original gods, now gravely wounded. The goddess offers an alliance against their mutual enemy and a way to leave the Agon behind forever. But Lore's decision to rejoin the hunt, binding her fate to Athena's, will come at a deadly cost—and it may not be enough to stop the rise of a new god with the power to

bring humanity to its knees.

Lincoln is floundering.

He did something undeniably stupid. On an evening out with his best buddies in Vegas, he hooked up with a smoking hot female for a torrid, all night escapade. It was one of the most carnal experiences of his life, and one he wouldn't be averse to repeating. Under most circumstances, a one-

night stand wouldn't be an issue. Except, the woman is his boss and his best friend's sister. If his buddy discovers their tryst, Lincoln is a dead man. Utter disaster. And yet, there was something about that night that makes him want to risk life and limb to hold her, experience her scorchingly addictive surrender again. Now he's navigating wooing his

boss, and falling for her. Can he convince Amber to take a chance on him for more than one night? Death & Dying, Life & Living ABC-CLIO Set in the mythical world of the Latter Kingdoms, these three full-length novels offer new retellings of classic fairytales: Cinderella, the Arabian Nights (1,001 Nights), and Beauty and the Beast. ASHES OF ROSES: Even the Emperor of Sirlende cannot always do as he pleases, but when custom demands he find another bride after the death of his betrothed, a princess he barely knew, Torric Deveras defies his counselors and changes the rules rather than make a loveless marriage. Ashara Millende is the

only daughter of a nobleman, but had her inheritance stolen from her by her unscrupulous stepmother. A servant in the house that should have been hers, she dreams of escaping the drudgery of her life and finding someone who will love her for who she truly is. When Torric invites all the marriageable women in his kingdom to a five-day holiday of feasts, tournaments, hunts, and balls so that he might choose an Empress from among them, Ashara never dreams that she can attend, much less catch his eye and win his heart. Then a woman with hidden secrets appears who will give Ashara the chance to win her heart's desire — if only she is bold enough to

take the first step. *Ashes of Roses* sets the timeless story of Cinderella in the world of her *Latter Kingdoms* series, weaving a spellbinding tale of royal intrigue, familial deceit, and the magic of love. **ONE THOUSAND NIGHTS:** Lyarris Deveras, Crown Princess of Sirlende, takes a leap of faith and accepts an offer of marriage from the ruler of the far-off kingdom of Keshiaar, although she knows it means she will never see her family or her homeland again. Betrayed by his first wife, her new husband has vowed never to love again. But with a little luck — and a bit of magical intervention — Lyarris plans to melt her new husband's stony heart in this novel inspired by the *Thousand and*

One Nights, set in the world of the Latter Kingdoms. DRAGON ROSE: The shadow of the cursed Dragon Lord has hung over the town of Lirinsholme for centuries, and no one ever knows when the Dragon will claim his next doomed Bride.... Rhianne Menyon has dreams of being a painter, but her world changes forever when a single moment of sacrifice brings her to Black's Keep as the Dragon's latest Bride. As she attempts to adjust to her new life...and to know something of the monster who is now her husband...she begins to see that the curse is far crueler than she first believed, and unraveling the mystery of what happened to the Dragon's Brides is only

[A History of Glitter and Blood](#) Dark Valentine Press

Before the Internet became widely known as a global tool for terrorists, one perceptive U.S. citizen recognized its ominous potential. Armed with

clear evidence of computer espionage, he began a highly personal quest to expose a hidden network of spies that threatened national security. But would the authorities back him up? Cliff Stoll's dramatic firsthand account is "a computer-age detective story, instantly fascinating [and] astonishingly gripping" (Smithsonian). Cliff Stoll was an astronomer turned systems manager at Lawrence Berkeley Lab when a 75-cent accounting error alerted him to the presence of an unauthorized user on his system. The hacker's code name was "Hunter"—a mysterious invader who managed to break

into U.S. computer systems and steal sensitive military and security information. Stoll began a one-man hunt of his own: spying on the spy. It was a dangerous game of deception, broken codes, satellites, and missile bases—a one-man sting operation that finally gained the attention of the CIA . . . and ultimately trapped an international spy ring fueled by cash, cocaine, and the KGB. *Epica Book 29* Chanda Hahn

From the author of the picture book phenomenon *The Invisible String* comes a moving companion title about coping with grief when a pet dies. "When our pets aren't with us anymore, an *Invisible Leash* connects our hearts to each other. Forever."

Accompanied by tender, uplifting art by Joanne Lew-Vriethoff, bestselling author Patrice Karst's gentle story uses the same bonding technique from her classic book *The Invisible String* to help readers through the experience of the loss of a beloved animal.

Nothing slips by Brecken Hancock's deft ear as she seductively plumbs the depths of the evolution of bathing, doppelgangers, the Kraken, and the minutiae of family with all its tragic misgivings. The poems in *Broom*

*Broom* pervert the rational, safe parts of the world to extoll and absorb the sweep of human history. What I mean to say is, the evidence is always there. From where we stand, we confuse lampposts for ghosts. Brecken Hancock's poetry, essays, interviews, and reviews have appeared in several journals, including *Event* and *Fiddlehead*.
