 This book represents the eighth edition of what has become 3.n

established reference work, MAJOR COMPANIES OF THE FAR EAST & AUSTRALASIA. This volume has been carefully researched and updated since publication of the previous arrangement of the book edition, and provides more company data on the most important companies in the region. The information in the book has been arranged in order to allow the reader to find any entry rapidly and accurately. The book was submitted mostly by the companies themselves, find any entry rapidly and accurately. Completely free of charge. For the second time, a third volume has been added to the series, covering major companies in Australia and New Zealand, in addition three indexes are provided on coloured paper at the back of the book. The companies listed have been selected on the grounds of the size of their sales volume or balance sheet or their importance to the business environment of the country in which they are based. The alphabetical index to companies throughout East Asia lists all companies having entries in the book irrespective of their main country of operation. The book is updated and published every year. Any company that considers it is eligible for inclusion in the next edition of MAJOR COMPANIES OF THE FAR EAST & AUSTRALASIA, The alphabetical index to companies within each country of operation should write to the publishers. No charge whatsoever is made for publishing details about a company.
