All Things Bright and Beautiful is the beloved sequel to Herriot's first collection, All Creatures Great and Small, and picks up as Herriot, now newly married, journeys among the remote hillside farms and valley towns of the Yorkshire Dales, caring for their inhabitants—both two- and four-legged. Throughout, Herriot's deep compassion, humor, and love of life shine as we laugh, cry, and delight in the portraits of his many varied animal patients and their equally varied owners.

Adventures in the English countryside and beyond with the Yorkshire veterinarian and #1 New York Times–bestselling author of All Creatures Great and Small. When World War II ends and James Herriot returns to his wife and new family in the English countryside, he dreams mostly of Sunday roasts and Yorkshire puddings, but new adventure has a way of tracking him down. Soon Herriot finds himself escorting a large number of sheep on a steamer to Russia, puzzling through the trials of fatherhood, and finding creative ways to earn the trust of suspicious neighbors who rely on him for the wellbeing of their beloved animals. Herriot's winning humor and self-deprecating humanity shine through every page, and his remarkable storytelling has captivated readers for generations. "This is Herriot at his best," said the Washington Post of this New York Times bestseller by the author of All Things Bright and Beautiful and Every Living Thing. The Lord God Made Them All is a true story of postwar England that, according to the Columbus Dispatch, "just explodes with the joy of living and loving and caring."

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of The Lost City of Z. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

All Things Bright and Beautiful Little, Brown Books for Young Readers

The #1 New York Times–bestselling author of *All Creatures Great and Small* reflects on the rewards of training the next generation of veterinarians. As an aging James Herriot begins to see more house pets than livestock, the challenge of treating animals—and reassuring their owners—provides plenty of excitement, mystery, and moments of sheer delight. After building up his own practice, the renowned country vet begins to teach a new generation about a business both old-fashioned and very modern. He watches with pride as his own children show a knack for medicine, and remarks on the talents and quirks of a string of assistants. There is no perfecting the craft, since people and their animals are all remarkably different, but Herriot proves that the best healers are also the most compassionate.
