President of the United States

Times Books
Introduction to the life, times, and key achievements of Rutherford B. Hayes while including step-by-step illustrations with easy-to-follow directions that allow readers to draw what they are learning.

The life of Rutherford Birchard Hayes, nineteenth president of the United

States, Volume 2

Childrens Press
Examines the life and career of the Civil War general and Ohio politician who became the nineteenth president of the United States.

Nineteenth President 1877-1881

Best Books on A leader of the Reconstruction era, whose contested election eerily parallels the election debacle of 2000 The disputed election of 1876 between Rutherford B.

Hayes and Samuel Tilden, in which Congress set up a special electoral commission, handing the disputed electoral votes to Hayes, brings recent events into sharp focus. Historian Hans L. Trefousse explores Hayes's new relevance and reconsiders what many have seen as the pitfalls of his presidency. While Hayes did officially terminate the Reconstruction, Trefousse points out that this process

was already well under way by the start of his term and there was little he could do to stop it. A great intellectual and one of our best-educated presidents, Hayes did much more in the way of healing the nation and elevating the presidency. [How to Draw the Life and Times of Rutherford B. Hayes](#) The Rosen Publishing Group, Inc Discusses the early life, family, political

career, and contributions of the nineteenth president of the United States. [Our Nineteenth President](#) Myreportlinks. Com Presents a biography of Rutherford B Hayes [The Presidency of Rutherford B. Hayes](#) Twenty-First Century Books It had never occurred to Rutherford B. Hayes that he could be a presidential contender until he won an unprecedented

d third term as Ohio's governor in 1875. Up to that point, he had been content with his life, but once he got the presidential bug it could not be shaken. At the 1876 Republican National convention, Maine Senator James G. Blaine appeared to have the presidential nomination within his grasp until there was a stampede for Hayes on the seventh ballot. As a Civil War hero,

congressman, governor, and solid family man, Hayes was an attractive candidate. As a reformer, he had no ties to the scandals that had marred the Johnson and Grant Administration. After a hotly contested campaign, Hayes lost the popular vote to New York Governor Samuel Tilden by a quarter million votes. The electoral count was unclear as both parties claimed to have won three

Southern states. It took three months and the creation of an Electoral Commission to declare Hayes the presidential winner, just two days before his inauguration. For four years, President Hayes battled a hostile Congress controlled by Democrats as he attempted to reform the civil service, defending the independence of the presidency in an attempt to end sectionalism. His most

controversial decision was to try a course of conciliation toward the South in an attempt to heal the rift from the Civil War. Many historians have said that Hayes ended Reconstruction, but in reality it was over before Hayes took office. When he was nominated to run for President, Hayes promised to serve only one term and did not renege on that promise. He returned to Ohio to live out his life

with his family and to work for his community, veterans, education, prison reform, and equal rights.

The Life, Public Services and Select Speeches of Rutherford B. Hayes

Children's Press (CT)
For years, scholars have dismissed Rutherford B. Hayes as an ineffective president. This work

demolishes such conventional wisdom by showing that not only was Hayes' presidency effective, but it was also groundbreaking in its restoration of presidential prerogatives.

When Hayes took office in 1877, Congress was taking an ever more decisive role in leading the nation.

Hayes was up against a Democratic-controlled legislature and antagonized Republican Party bosses.

This work shows how Hayes overcame these forces to advance his agenda. He resisted the hostile congressional effort to keep federal troops in the South; reinstated the gold standard; instituted civil service reform; and ignored the clamor from congressmen beholden to railway magnates to involve the military in the Great Strike of 1877. Hayes' triumph over these obstacles laid the foundation

for the strong executive branch we know today. Presidential Prestige will garner an eager audience of students, scholars, and members of the general public with an interest in American history. By focusing on primary sources such as personal letters, congressional records, and news media, this book adds a new dimension to the overall historiography of the late nineteenth

century American political landscape. *1822 Births* American Political Biography Press The conclusions which we draw from the examination of the ancestral descent of Rutherford B. Hayes are, that his progenitors have in each generation displayed courage and capacity to fight limited only by the strength of the enemy to hold out. It

was a habit they had to fight on the side in the right, and on the side that won. Three of his immediate ancestors-- Elias Birchard, Israel Smith, and Daniel Austin--gave proofs of valor and patriotism in the War of Independence. Another characteristic of the Hayes stock is the almost uniform tendency toward longevity. It is a robust race, presenting an extraordinary number of large families. Rutherford B.

<p><u>Hayes and Spiegel Grove</u> ABDO USAhistory.com presents facts about U.S. President Rutherford Birchard Hayes (1822-1893). nts possible. Although he spent much of the war on the periphery, away from the major centers of activity, Hayes performed conspicuously whenever called upon. He participated in the repulse of dreaded Confederate raider John Hunt Morgan's Ohio Raid and, although only a colonel, commanded a division in General Philip Sheridan's devastating Shenandoah Valley Campaign of 1864. No

professional soldier, Hayes was nonetheless a natural warrior. Another future president, William McKinley, wrote of his fellow Ohioan, His whole nature seemed to change when in battle. Normally kind and agreeable, Hayes grew intense and ferocious during a fight. In all, he was wounded five times and had four horses shot from under him. And while he ended the war

as a brevet major general, Hayes noted that he never fought a battle as a general. He was, by his own reckoning, simply one of the good colonels in the great army.

[The American Presidents Series: The 19th President, 1877-1881](#) Cambridge Scholars Publishing The Department of Politics and Government of Rippon College presents a biographical sketch of the 19th U.S. President

Rutherford Birchard Hayes (1822-1893). Topics discussed include Hayes' birthplace, residence, marriage, political party, occupation, his pre-presidential political career, and his presidential career (1877-1881). **The Life, Public Services, and Select Speeches of Rutherford B. Hayes** Capstone For years, scholars have dismissed Rutherford B.

Hayes as an ineffective president. This work demolishes such conventional wisdom by showing that not only was Hayes' presidency effective, but it was also groundbreaking in its restoration of presidential prerogatives. When Hayes took office in 1877, Congress was taking an ever more decisive role in leading the nation. Hayes was up against a Democratic-controlled legislature

and antagonized Republican Party bosses. This work shows how Hayes overcame these forces to advance his agenda. He resisted the hostile congressional effort to keep federal troops in the South; reinstated the gold standard; instituted civil service reform; and ignored the clamor from congressmen beholden to railway magnates to involve the military in the Great Strike of 1877. Hayes'

triumph over these obstacles laid the foundation for the strong executive branch we know today. Presidential Prestige will garner an eager audience of students, scholars, and members of the general public with an interest in American history. By focusing on primary sources such as personal letters, congressional records, and news media, this book adds a new dimension to

the overall historiography of the late nineteenth century American political landscape. Rutherford B. Hayes Rutherford B. HayesWarrior and President Rutherford B. Hayes is today best remembered for serving his one term as President of the United States (1877 to 1881). But how did he become the person who was elected in 1876? This classic biography, first published in late 1876

(before the election) shows where Rutherford Hayes came from, how he grew to be the man he became, and how the politician evolved, from his school, law, and military careers, to his time in Congress, his three terms as governor of Ohio, and then his nomination to the Presidency. Historian J.Q. Howard drew liberally from Hayes' public documents and pronouncements, and

includes many letters and speeches written by Hayes, in order to draw this picture of the man who-- soon after the publication of this book*—became the 19th President. Also included are the complete texts of six important speeches from Hayes' non-consecutive terms as governor. This new edition of the classic biography shows President Hayes from a viewpoint nearly impossible to

get today, written as it was before Hayes' election, while he was a current political figure on the rise. About the author (from the Report of Herbert Putnam, the Librarian of Congress, for the fiscal year ending June 30, 1913): "Another death during the past year particularly to be noted was that of James Quay Howard. Born in 1836, Mr. Howard had had a varied experience before coming

to the Library, having been successively principal of an academy, a lawyer, United States consul at St. Johns, New Brunswick, editor of the Ohio State Journal, and an official in the Customs Service at New York, where in 1880 he became appraiser. For two years he served as a special agent of the United States Census. Entering the Library in 1894, first in the copyright work, he was in 1897 assigned to

the charge of the 'Congressional Reference library, ' which position he held at the time of his death, with his headquarters in the Representatives' Reading Room. Mr. Howard was of serious and scholarly mind, and his studies were coterminous with his long career. His contributions to public journals were numerous, and a campaign life of Lincoln which he wrote has been termed

the first signed biography of Lincoln ever published. Mr. Howard also wrote a campaign biography of Rutherford B. Hayes, and he was the author of a History of the Louisiana Purchase." *Rutherford B. Hayes Sports and Fitness Series Reexamines President Hayes' skills as the chief executive, describes the problems faced by his administration , and discusses his style of*

leadership

Civil War

fifteen years earlier. Born in Delaware, Ohio, Hayes practiced law in Lower Sandusky and was city solicitor of Cincinnati from 1858 to 1861. When the Civil War began, Hayes left a successful political career to join the Union Army. Wounded five times, most seriously at the Battle of South Mountain, he earned a reputation for bravery in combat and was promoted to the rank of major general.

After the war, he served in the U.S. Congress from 1865 to 1867 as a Republican. Hayes left Congress to run for Governor of Ohio and was elected to two consecutive terms, serving from 1867 to 1871. After his second term had ended, he resumed the practice of law for a time, but returned to politics in 1875 to serve a third term as governor. In 1876, Hayes was elected president in one of the most

contentious and hotly disputed elections in American history. Although he lost the popular vote to Democrat Samuel J. Tilden, Hayes won the presidency by the narrowest of margins after a Congressional commission awarded him twenty disputed electoral votes. The result was the Compromise of 1877, in which the Democrats acquiesced to Hayes's election and

Hayes accepted the end of military occupation of the South. Hayes believed in meritocratic government, equal treatment without regard to race, and improvement through education. He ordered federal troops to quell the Great Railroad Strike of 1877 and ordered them out of Southern capitals as Reconstruction ended. He implemented modest civil service reforms that laid the

groundwork for further reform in the 1880s and 1890s. Hayes kept his pledge not to run for re-election. He retired to his home in Ohio and became an advocate of social and educational reform. So, what separates this book from the rest? A comprehensive narrative of Rutherford B. Hayes, this book gives a full understanding of the subject. A brief guide of subject areas covered in

"1822 Births - Rutherford B. Hayes" include -- Rutherford B. Hayes- United States presidential election, 1876- Electoral Commission (United States) Find out more of this subject, it's intricacies and it's nuances. Discover more about it's importance.
