Born to Love Balboa  
Press  
A New York Times  
bestseller and enduring  
classic, All About Love

is the acclaimed first  
volume in feminist icon  
bell hooks' "Love Song  
to the Nation" trilogy.  
All About Love reveals  
what causes a  
polarized society, and  
how to heal the  
divisions that cause  
suffering. Here is the

truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks

uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**Born To Love** Penguin José was a boy with a song in his heart and a dance in his step. Born in Mexico in 1908, he came into the world kicking like a steer,

and grew up to love to draw, play the piano, and dream. José's dreaming took him to faraway places. He dreamed of bullfighters and the sounds of the cancan dancers that he saw with his father. Dance lit a fire in José's soul. With his heart to guide him, José left his family and went to New York to dance. He learned to flow and float and fly through space with steps like a Mexican breeze. When José danced, his spirit soared. From New York to lands afar, José Limón became known as the man who gave the world his own kind of dance. ¡OLÉ! ¡OLÉ! ¡OLÉ! Susanna Reich's lyrical text and Raúl Colón's shimmering artwork tell the story of a boy who was determined to make a difference in the world,

and did. José! Born to Dance will inspire picture book readers to follow their hearts and live their dreams. Born for Love Simon and Schuster This is not a book that easily fits into categories. It is a spiritual book recounting stories and teachings on how to "attain to union with God" in this life. You do not need to be special or advanced or gifted to come into this union. You only need to be sincere in your commitment and allow it. This is the way of "natural" and "relational" mysticism; you do not need special techniques or special knowledge, you do not need to be "perfect" or "holy" first. You need only fall in Love with the great mystery and give it

permission to bring you into itself. If you do this you will discover that you are "Born to Love", that your existence, destiny, and purpose are inseparable from the power that gave birth to all things. You will discover that the love with which you love, can be the love of God itself.

*A Hidden Tribe, Superathletes, and the Greatest Race the World Has Never Seen*  
Born for LoveWhy Empathy Is Essential--and Endangered  
Reading to kids from birth to age five has bundles of benefits: It helps them develop language skills, encourages empathy and emotional development, fires up their imagination, helps them focus, and better prepares them for school, especially

reading and writing. But most important, story time is quality time between your child and you. Born to Read is a keepsake memory book of your story time together and a guide to raising a reader, all rolled into one. By reading just one book a day for the first five years of your child's life, they can log almost two thousand books before kindergarten. Use the beautiful journal pages within to keep a list of the books you and your child read together from birth to age five. It's a perfect way to recall particular favorites, record memories, and chronicle your child's reading journey--and your child will look back proudly at all the books they've logged as they start school.

Interspersed throughout the journal pages are age-appropriate tips for raising a reader and book lists to help you expand you and your child's reading horizons or dive deeper into particular interest areas. Special features encourage you to think about your unique reader. For example, "My Kid in Books" allows you to record specific reading milestones and passions and, as your child grows, interview them about the books they love. And in "Reading Recs" you can note recommendations from family and friends. The perfect baby shower gift for expecting parents or an excellent birthday present for growing readers, *Born to Read: My First Five*

*Years in Books* helps document the story of how your child grew from baby to bookworm, as well as the memories you created along the way. [Love Yourself Back to Inner Peace, Health, Happiness & Fulfillment](#) Tor Books Samantha King Holmes brings forth a raw, original perspective. A collection of poetry that breathes hope into the idea of love while mourning the human condition of seeking out connections, sometimes with the wrong people. Her verse takes the readers on an introspective journey of love, longing, and self-evolution. *Born to Love, Cursed to Feel* Revised Edition brings to life an answer to the many difficult questions involving

self-love and the feelings we have for others. The book explores the need to connect and the way emotions can complicate our decision making. Ultimately this book is a poetic documentation of heartbreak, anguish, and redemption. A story told in hopes of reminding others that their mistakes do not define them and that the end is usually the beginning of something more. In this revised edition, new, never-before-seen poems are sprinkled throughout among beloved and refreshed pieces from the first edition.

*Mercury* HarperCollins  
 From the New York Times bestselling author of *If I Stay*  
 Allyson Healey's life is exactly like her suitcase—packed, planned, ordered. Then on the last day of her three-week post-graduation European tour, she meets Willem. A free-spirited, roving actor, Willem is everything she's not, and when he invites her to abandon her plans and come to

Paris with him, Allyson says yes. This uncharacteristic decision leads to a day of risk and romance, liberation and intimacy: 24 hours that will transform Allyson's life. A book about love, heartbreak, travel, identity, and the "accidents" of fate, *Just One Day* shows us how sometimes in order to get found, you first have to get lost. . . and how often the people we are seeking are much closer than we know. The first in a sweepingly romantic duet of novels. Willem's story—*Just One Year*—is coming soon!

*Find the Work You Love, Love the Work You Do* One World

Discover country music star Sara Evans's inspirational story about her rise to

stardom, her roundabout path to love, and how her faith brings daily joy no matter the circumstances. Sara Evans—a Billboard, ACM, and CMA Award-winning country music star who's been named one of People's "50 Most Beautiful People" and competed on ABC's *Dancing with the Stars*—has been inspiring fans throughout her successful music career. In this powerful, personal, and often humorous book, Sara opens up and shares stories from her career, describing what it's like living in the spotlight and how her faith keeps her strong. She writes about overcoming life's most challenging experiences, from a childhood accident that

nearly took her life, to the loss she experienced when her parents divorced, and from her own painful and very public divorce, to finding incredible love when she least expected it with former pro quarterback-turned-sportscaster Jay Barker. Now, after over a decade of marriage, Sara and Jay's blended family of nine is thriving, filling her life with focus and meaning. As she weaves the narrative of her life, Sara candidly reveals the things that are most important to her and her family now, her favorite tips about staying true to herself and her faith, knowing when to ask for help, abandoning perfectionism, and the importance of a strong

support group of friends and family. Fans old and new will enjoy this inspiring, heartfelt book. *The Life You Were Born to Live* Sourcebooks Casablanca A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that

sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social

movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental

health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the

guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.

Parents and children will be inspired to develop a true love for each other with the wisdom of yoga shared in this text. In Parents and Children: Relationships Born from Love, you'll learn meditation techniques to calm emotions, yoga postures that promote a healthier body, and ways people of all ages can use yoga to alleviate the harmful effects of a wide spectrum of physical and emotional conditions. "This is a clear, comprehensive,

easy to understand and follow guidebook for creating happy, harmonious, loving family relationships. The book is written with such kindness and compassion, exactly the qualities the author hopes to awaken in her readers. This book could do immense good to help individuals and families find their way to the fulfillment of heart we all seek.” —

Nayaswami Asha, spiritual director of Ananda Palo Alto, CA; teacher; counselor; author.

**All About Love** Grand Central Publishing  
Nobody expected them to fall in love. When Aria was given to Luca in marriage, people were sure he'd break her. Aria feared the

worst from a man like him. A man without mercy. But somehow she gained his love. Love - a weakness a Capo like Luca shouldn't risk. When Aria betrays Luca by going behind his back for her family, she realizes too late that she might have lost what she's fought so hard to get in the first place: Luca's trust. The trust of a man who never allowed himself to trust someone unconditionally before. Can their love survive in a world of betrayal and death?

Library Reads Voter Favorite \* In the vein of The Time Traveler’s Wife and Life After Life, The Invisible Life of Addie LaRue is New York Times bestselling author V. E. Schwab’s genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything

changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**A Spiritual Odyssey from Head to Heart**

Howard Books  
NEW YORK TIMES  
BESTSELLER The complete, uncensored history of the award-winning *The Daily Show with Jon Stewart*, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show with Jon Stewart* brilliantly redefined the borders between television comedy, political satire, and opinionated news

coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show's* most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from

its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal

moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Revealing the central yet intentionally obliterated role of Africa in the creation of modernity, *Born in Blackness* vitally reframes our understanding of world history. Traditional accounts of the making of the modern world afford a place of primacy to European

history. Some credit the fifteenth-century Age of Discovery and the maritime connection it established between West and East; others the accidental unearthing of the “New World.” Still others point to the development of the scientific method, or the spread of Judeo-Christian beliefs; and so on, ad infinitum. The history of Africa, by contrast, has long been relegated to the remote outskirts of our global story. What if, instead, we put Africa and Africans at the very center of our thinking about the origins of modernity? In a sweeping narrative spanning more than six centuries, Howard W. French does just that, for *Born in Blackness* vitally reframes the

story of medieval and emerging Africa, demonstrating how the economic ascendancy of Europe, the anchoring of democracy in the West, and the fulfillment of so-called Enlightenment ideals all grew out of Europe’s dehumanizing engagement with the “dark” continent. In fact, French reveals, the first impetus for the Age of Discovery was not—as we are so often told, even today—Europe’s yearning for ties with Asia, but rather its centuries-old desire to forge a trade in gold with legendarily rich Black societies sequestered away in the heart of West Africa. Creating a historical narrative that begins with the commencement of

commercial relations between Portugal and Africa in the fifteenth century and ends with the onset of World War II, *Born in Blackness* interweaves precise historical detail with poignant, personal reportage. In so doing, it dramatically retrieves the lives of major African historical figures, from the unimaginably rich medieval emperors who traded with the Near East and beyond, to the Kongo sovereigns who heroically battled seventeenth-century European powers, to the ex-slaves who liberated Haitians from bondage and profoundly altered the course of American history. While French cogently demonstrates the centrality of Africa to the rise of the

modern world, *Born in Blackness* becomes, at the same time, a far more significant narrative, one that reveals a long-concealed history of trivialization and, more often, elision in depictions of African history throughout the last five hundred years. As French shows, the achievements of sovereign African nations and their now-far-flung peoples have time and again been etiolated and deliberately erased from modern history. As the West ascended, their stories—siloed and piecemeal—were swept into secluded corners, thus setting the stage for the hagiographic “rise of the West” theories that have endured to this day. “Capacious and compelling” (Laurent

Dubois), Born in Blackness is epic history on the grand scale. In the lofty tradition of bold, revisionist narratives, it reframes the story of gold and tobacco, sugar and cotton—and of the greatest “commodity” of them all, the twelve million people who were brought in chains from Africa to the “New World,” whose reclaimed lives shed a harsh light on our present world.

Surveys the history of the motion picture studio, RKO Radio Pictures, from its beginnings in 1928 to its collapse in 1960 and discusses a variety of its films

*Born to Love* Feiwel & Friends

Over the past seven years, Bruce

Springsteen has privately devoted himself to writing the story of his life,

bringing to these pages the same honesty, humor, and originality found in his songs. He describes growing up Catholic in Freehold, New Jersey, amid the poetry, danger, and darkness that fueled his

imagination, leading up to the moment he refers to as The Big Bang: seeing Elvis Presley's debut on The Ed Sullivan Show. He vividly recounts his relentless drive to become a musician, his early days as a bar band king in Asbury Park, and the rise of the E Street Band. With disarming candor, he also tells for the first time the story of the personal struggles that inspired his best work. *Born to Run* will be revelatory for anyone who has ever enjoyed Bruce Springsteen, but this book is much more than a legendary rock star's memoir. This is a book for workers and dreamers, parents and children, lovers and loners, artists, freaks, or anyone who has ever wanted to be baptized in the holy

river of rock and roll. Rarely has a performer told his own story with such force and sweep. Like many of his songs ("Thunder Road," "Badlands," "Darkness on the edge of Town," "The River," "Born in the U.S.A.," "The Rising," and "The Ghost of Tom Joad," to name just a few). Bruce Springsteen's autobiography is written with the lyricism of a singular songwriter and the wisdom of a man who has thought deeply about his experiences.

**Origins** Kensington Books

Take charge of your health, happiness, and inner peace with this authoritative guide on treating yourself with kindness, acceptance, and compassion. In this life-changing book, Blake Bauer explains

why depression, addiction, physical illness, unfulfilling work, and relationship problems are caused by years of hiding your true emotions, denying your life purpose, and living in fear. Having already helped thousands of people find lasting solutions that conventional medicine, psychiatry, or religion couldn't offer, *You Were Not Born to Suffer* will show you how to free yourself from these destructive thoughts, habits, and situations that keep you from being happy and well. In simple practical steps you'll learn how to slow down and create a healthier relationship to yourself that is based on acceptance, kindness, honesty, and self-worth. You'll also find

out how to transform the stress, anxiety, and insecurity that result from constantly trying to please others into lasting confidence, self-respect, and inner peace. Whether it's negative thinking, financial worry, loneliness, guilt, or self-doubt that's holding you back, Blake Bauer's words will move you to take better care of yourself, heal old pain, and courageously move forward. If you're ready to enjoy your life, feel passionate about your work, and create fulfilling relationships, this book will support you to live authentically, love wholeheartedly, and finally value yourself enough to put everyday health and happiness at the center of your life.
