Cultural Policy in Azerbaijan Greenwood Azerbaijan, the 'land of fire', is full of infinite beauty and treasures; moreover it offers a wide variety of cultural attractions. As part of the South Caucasus, the country lies between the Mountains and Asia Minor and the Black and Caspian Seas. Just as diverse as the landscape is Azerbaijani cuisine: hearty lamb dishes, sticky sweet baklava, and the sheer never-ending world of oriental spices are just asking to be cooked. The atmospheric images by the Cologne photographer Barbara Lutterbeck, who captured the heart and soul of the country on her travels, tempt the reader on a tour of discovery as much as her enticing recipes do.

Azerbaijan Routledge Iran is rarely out of the headlines, and there is likely to be a rush of interest from tourists and

investors if the provisional framework agreement reached in April 2015 is implemented, lifting most sanctions in exchange for limits on its nuclear program for at least ten years. Western fascination with Iran is nothing new. For centuries, foreigners have been entranced by a country that is quite distinct from all others in the region. Iran is home to one of the world's oldest civilizations. Travelers have long been seduced by the echoes of the extraordinary ancient history contained in the word "Persia." But Iran is also a modern society that is experiencing great change. Although it is still feeling the effects of the Islamic Revolution of 1979, social restrictions have loosened considerably in recent years. Strict Islamic rules coexist with an increasingly dynamic society driven by an overwhelmingly young population. Animosity toward the West at a political level sits side-by-side with a wholehearted welcome for foreigners as individuals. Culture Smart! Iran takes you beyond the clichés to show how life in Iran really is and how you can feel comfortable in its society. It offers insights

into a country full of surprises. Despite Iran's deep commitment to Islam, the pre-Islamic Zoroastrian past is still part of everyday culture. Its language, Farsi, shares linguistic roots with English and French. It is a country where one of the more genuine democracies in the Middle East is overlaid by an unelected theocracy. And where "no thank you" really does sometimes mean "yes please." If nothing else, this entrancing, beautiful, and sometimes infuriating place is a country whose inhabitants genuinely wish visitors Khosh amadi!--Welcome!

Known as the "Land of Fire," Azerbaijan is a country located at the crossroads of Europe and Asia. While it has accumulated riches from being a trading post along the Silk Road, the country has been devastated by invading hordes charging from the four cardinal points on the compass. Rule under Persian shahs, Turkic khans, and Russian tsars has added bursts of color to the beautiful threads comprising the carpet of Azerbaijan."Splendid Azerbaijan: The History and Culture of the Land of Fire" will let you discover the secrets hidden by the perfumed rose garden of this Eurasian country. From nomads roaming the steppes of Central Asia to global citizens living at the foothills of the Caucasus and the shores of the Caspian, Azerbaijanis have a charismatic spark that torches like wildfire the soul. At the heart of

Azerbaijani culture is a sweet-sounding Turkic language spoken in the streets of Baku, similar to the languages spoken in the bejeweled cities of Samarkand in the East and Istanbul in the West.

"Siyavush of Our Century" was written by political visionary Mammad Amin Rasulzadeh (1884-1955) who headed the Musavat Party and helped set up

the Azerbaijan parliamentary democratic republic in 1918, the first such republic of Turks and Muslims in the eastern world. The turmoil of the times, however, proved too much for Rasolzadeh's young government. On April 25, 1920, Bolshevik troops crossed into Azerbaijan and entered Baku on April 28. They demanded the resignation of Azerbaijan's Parliament and set up their own government. The fledgling democracy, in only its 23rd month, collapsed immediately. Azerbaijan remained under communist rule until the collapse of the Soviet Union in 1991. "Siyavush of Our Century" is a unique work of politics & history, philosophy & literature founded upon the ancient myths and legends of the Turkik peoples. It was written in July 1920 and first published in Istanbul in 1925. It is widely recognised as a classic by the people of Azerbaijan.

Don't just see the sights— get to know the people. At first glance, Turkey may seem Westernized and entirely "modern"— but appearances can be misleading. It is above all a land of contrasts, a heady mixture of Oriental etiquette and ultramodern city life, deep-rooted religious faith and determined secularism, a fierce sense of national pride and openness to foreign ideas. The Turkish people are very much their own center of gravity, and for the unwary visitor there are pitfalls to avoid as well as great riches to be found. Culture Smart! Turkey is an invaluable guide to the intricate ins and outs of this culturally rich and complex society. This updated edition outlines the complex history of Anatolia, provides key insights into

contemporary Turkish values and attitudes, describes important customs and traditions, and reveals what life is like for the Turks at home, at work, and at play. It also offers practical tips and information about what to expect and how to navigate different social situations. In this unique mix of Islamic and European cultures, the Turks are extremely hospitable. If you show an interest in their culture and respect for their point of view, they will repay your effort many times over. Have a richer and more meaningful experience abroad through a better understanding of the local culture. Chapters on history, values, attitudes, and traditions will help you to better understand your hosts, while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas.

Georgia - Culture Smart! Rowman & Littlefield For Westerners, the modern state of Azerbaijan may be hard to pinpoint. This small, oil-rich country in the southern Caucasus, on the southwestern shore of the Caspian Sea, only made its way on to the contemporary world map after the dissolution of the Soviet Union in 1991. As the world shrinks and competition for precious resources intensifies, the direction this strategically and economically important country takes will affect us all. The historically tolerant and pluralist Azeri people have an ancient history and a rich culture. Azerbaijan lay on the route of the Great Silk Road, the trade network that connected China with Europe, and its people have lived through centuries of conquests by different imperial powers. It was also situated in the heart of the Great Game, the struggle for control of Central Asia played out between Russia and the West at the turn on the nineteenth century, which seems to be going through a modern remake. Azerbaijan has been called "the quintessential borderland, many times over: between Europe and Asia,

Islam and Christianity, Russia and the Middle East, Turks and Iranians, Shi'a and Sunni Islam." Azerbaijan was briefly independent after the First World War, when it was the first Muslim state to adopt progressive Western values. A democratic republic with full women's suffrage, it boasted the first women's high school, the first opera, and the first female opera composer, as well as the first ballet in the Muslim world. There followed seventy years of Soviet rule. After a bitter war in 1991&-94, areas of Azerbaijan were occupied by neighboring Armenia, and the country has absorbed a huge number of refugees. At the same time, it is experiencing a new oil boom and the economy is growing. Among the people, there is a growing sense of national identity. Culture Smart! Azerbaijan looks at the many facets of this identity and explains the complex workings of Azerbaijani society. It will equip you with vital information and advice about the customs, practices, and sensibilities of a society poised on the brink of change. *Azeri Women in Transition* Createspace Independent Publishing Platform
