Communication for Business Cengage Learning

It is said the future belongs to Communication. And rightly so. For today, more than ever before, the need for effective communication is being felt. This is particularly true of business communication because, organizations in their efforts to excel in business and outdo their competitors, have to be precise and extremely effective in their communication to satisfy all its stakeholders—be they suppliers, distributors, advertisers or customers. This book on Business Communication, now in its Second Edition, brings to fore the multidimensional aspects of Business Communication—ranging from listening, speaking, developing skill sets, to exhibiting correct body language. The book emphasizes that understanding the perceptions and mindsets of the communicators and the context are crucial for business communication. This book, which is the outcome of the rich and the vast experience of Dr. Asha Kaul and her interaction with the brilliant young minds at IIM Ahmedabad and other B-

schools, should be of immense value to the budding as well as practicing managers. All readers will find this new edition extremely useful, refreshingly different, and delectably delightful. What's New to This Edition :

- Extensive use of examples, anecdotes, and brief case studies to exemplify the points/issues.
- Checklist and Summary which are ready reckoners for a student hard pressed for time yet desirous of learning and change.
- Learning Objectives for each chapter and section, which bring focus to the text.
- Activities in which the student can participate and test communication competence.
- Comprehensive section on exercises at the end of each chapter, which are application oriented and test the student's grasp of the subject.

The book is recommended by AICTE for PGDM course. The link is www.aicte-india.org/model syllabus.php

Air Transportation Macmillan

This is a wide-ranging, up-to-date introduction to modern business communication, which integrates communication theory and practice and challenges many orthodox views of the communication process. As well as developing their own practical skills, readers will be able to understand and apply principles of modern business communication. Among the subjects covered are: interpersonal communication, including the use and analysis of nonverbal communication group communication, including practical techniques to support discussion and meetings written presentation, including the full range of paper and electronic documents oral presentation, including the use of electronic media corporate communication, including strategies and media. The book also offers guidelines on how communication must respond to important organizational issues, including the impact of information technology, changes in organizational structures and cultures, and the diverse, multicultural composition of modern organizations. This is an ideal text for undergraduates

and postgraduates studying business communication, and through its direct style and practical relevance it will also satisfy professional readers wishing to develop their understanding and skills.

Business Communication Today SAGE Publications

KEY BENEFIT: With its real-life examples and cases, and its lively, conversational writing style, Bovee/Thill/Mescon brings concepts to life and prepares students for obtaining and pursuing satisfying business careers. KEY TOPICS: Bovee/Thill/Mescon weaves a four-part pedagogical tool through out each chapter. It starts with Orient, which outlines what is going to be covered in the chapter and then connects these topics with a "role-model" business professional. Next is Explore, which looks at the skills that their "role-model" used in order to be successful. Third is Confirm, which revisits what they have learned in the chapter. And, finally, Apply allows students to use the skills they have learned in the chapter. MARKET: For introductory level business students.
