CARNEY EZRA

The Heart of a Champion Macmillan Children's Books
 In-depth advice and instruction for shooters of all disciplines.
Shotguns by Keith Coward McCann
 Join brilliant young naturalist Dara McAnulty – winner of the 2020 Wainwright Prize for his book *Diary of a Young Naturalist* – on a nature walk and experience the joy of connecting with the natural world on your multi sensory journey. This beautiful gift book, illustrated in full colour by Barry Falls, is divided into five sections: looking out of the window, venturing out into the garden, walking in the woods, investigating heathland and wandering on the river bank. Dara pauses to tell you about each habitat and provides fantastic facts about the native birds, animals and plants you will find there – including wrens, blackbirds, butterflies, tadpoles, bluebells, bees, hen harriers, otters, dandelions, oak trees and many more. Each section contains a discovery section where you will have a closer look at natural phenomenon such as metamorphoses and migration,

learn about categorization in the animal kingdom or become an expert on the collective nouns for birds. Each section finishes with an activity to do when you get home: plant wild flowers, make a bird feeder, try pond dipping, make a journey stick and build a terrarium. Dara ends the book with advice for young conservationists.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Country Life Illustrated

Louis Zamperini (1917-2014) The plane began to slowly glide, then much to Louie's shock it started shaking back and forth, then dropped down like a rock. It hit the water, blew apart, but Louie had survived! He saw a drifting raft he'd need to help him stay alive. One of America's fastest runners and a celebrated Olympic racer, Louis Zamperini suddenly found himself adrift when his plane crashed into the Pacific Ocean during World War II. Louie applied his strength, determination, and cleverness to survive many dangers at sea. Captured by the enemy, he endured two years of harsh treatment as a prisoner of war. Battling fears and nightmares after his return home, he found hope and strength as he devoted his life to God and to serving others. The adventurous life of this survivor and champion is an inspiration to all.
