Discovering Jesus in the Old Testament
Baker Academic

This new edition of a bestselling evangelical survey of the Old Testament has been updated throughout. It is lavishly illustrated with four-color images, maps, and charts and retains the pedagogical features that have made the book so popular: · chapter outlines, objectives, and summaries · study questions · sidebars featuring primary source material and ethical and theological issues · lists of key terms, people, and places · further reading recommendations Additional resources for students and instructors are available through Textbook eSources.

Ancient Near Eastern Thought and the Old Testament Baker Academic

In this updated edition of his successful textbook, a leading evangelical New Testament scholar offers a guide to the book of Romans that is informed by current scholarship and written at an accessible level. The new edition has been updated throughout and features a new interior design. After addressing introductory matters and laying the groundwork for reading Romans, Douglas Moo leads readers through the weighty argument of this significant book, highlighting key themes, clarifying difficult passages, and exploring the

continuing relevance of Romans. As with other volumes in the well-received Encountering Biblical Studies series, this book is designed for the undergraduate classroom and includes pedagogical aids such as photos and sidebars. A test bank for professors is available through Baker Academic's Textbook eSources.

Step-by-Step O. T. Leaders Guide Baker Academic

Leading evangelical scholar John Walton surveys the cultural context of the ancient Near East, bringing insight to the interpretation of specific Old Testament passages. This new edition of a top-selling textbook has been thoroughly updated and revised throughout to reflect the refined thinking of a mature scholar. It includes over 30 illustrations. Students and pastors who want to deepen their understanding of the Old Testament will find this a helpful and instructive study.

The Messianic Vision of the Pentateuch
Baker Academic

Leading evangelical mission experts offer a comprehensive theology of mission text, providing biblical, historical, and contemporary perspectives.

Encountering the Old Testament: A Christian Survey InterVarsity Press

This volume introduces the Old Testament and traces the legacy of monotheism first found in the pages of Israel's Scriptures.

Encountering Ancient Voices

InterVarsity Press

365 Gospel-Centered Devotions for the Whole Year Mornings can be tough.

Sometimes, a hearty breakfast and strong cup of coffee just aren't enough. Offering more than a rush of caffeine, best-selling author Paul David Tripp wants to energize you with the most potent encouragement imaginable: the gospel. Forget "behavior modification" or feel-good aphorisms. Tripp knows that what we really need is an encounter with the living God. Then we'll be prepared to trust in God's goodness, rely on his grace, and live for his glory each and every day.

Encountering the Holy Spirit in

Every Book of the Bible NavPress

A companion to the newly revised and expanded second edition of Old Testament Survey, this student workbook features all-new exercises for seminary classroom settings, including map work, fill-in-the-blanks, etc. Professors should note this is all new text that is not connected to the previous edition of the workbook that accompanied the original 1992 edition of Old Testament Survey.

Living God's Word Fortress Press

No one can read far in the Old Testament without encountering numerous acts of violence that are sanctioned in the text and attributed to both God and humans. Over the years, these texts have been used to justify all sorts of violence: from colonizing people and justifying warfare, to sanctioning violence against women and children. Eric Seibert confronts the problem of "virtuous" violence and urges people to engage in an ethically responsible reading of these troublesome texts. He offers a variety of reading strategies designed to critique textually sanctioned violence, while still finding ways to use even the most difficult texts constructively, thus providing a desperately needed approach to the

violence of Scripture that can help us live more peaceably in a world plagued by religious violence. --from publisher description

Introduction to the Old Testament Kregel Academic

The uniqueness of the Gospel of John is readily apparent. In contrast to the overlapping material in the Synoptic Gospels, John shares only about ten percent of its content with Matthew, Mark, and Luke. John's distinct focus on Jesus' life as the culmination of salvation history makes it "the theological pinnacle of the gospel tradition" and establishes its author, along with the apostle Paul, as one of the early church's foremost theologians. Not a traditional commentary on the book, this volume, like others in the Encountering Biblical Studies series, is designed especially for classroom use. A lucid writing style and a number of pedagogical enhancements make this a perfect tool for helping students master the content and key interpretive issues of the Gospel of John. Like the other volumes in this series, the pedagogical usefulness of this work is enhanced by a number of features: * copious illustrative tables, maps, and photos * sidebars and excursions that address difficult passages and important issues * an outline and objectives at the beginning of each chapter * study questions and key terms at the conclusion of each chapter * a comprehensive glossary and annotated bibliography * instructor's manual available on diskette

The Hidden Book in the Bible Baker Books

The poetic books of the Old Testament--Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon--are often called humankind's reach toward God. The other books of the Old Testament picture

God's reach toward man through the redemptive story. Yet these five books reveal the very heart of men and women struggling with monumental issues such as suffering, sin, forgiveness, joy, worship, and the passionate love between a man and woman. C. Hassell Bullock, a noted Old Testament scholar, delves deep into the hearts of the five poetic books, offering readers helpful details such as hermeneutical considerations for each book, theological content and themes, detailed analysis of each book, and cultural perspectives. Hebrew is a language of "intrinsic musical quality that naturally supports poetic expression," says Bullock in his introduction. That poetic expression comes from the heart of the Old Testament writers and reaches all of us exactly where we are in our own struggles and joys.

Encountering Theology of Mission Saint Mary's Press

Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world—a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece—the very heart of the Bible—to the extraordinary form in which it was originally written.

Readings from the Ancient Near

East Destiny Image Publishers

Although the Book of Hebrews "is not exactly what most of us would regard as a user-friendly book," notes Donald Hagner, "Hebrews has always been popular among Christians." *Encountering the Book of Hebrews* was written to help

students more fully appreciate the complexities of this favorite section of Scripture. Hagner begins by exploring introductory issues (e.g., historical backgrounds, author, audience, date, purpose, structure, genre) and overarching themes (e.g., heavenly archetypes and earthly copies, the use of the Old Testament, the attitude toward Judaism). The heart of the book then offers a chapter-by-chapter exposition of Hebrews. Unlike commentaries, it does not try to be exhaustive—examining all details and answering all questions—but instead guides students to the issues that are most important for their study of this difficult book. Hagner concludes with a final look at the contribution of Hebrews to the New Testament, New Testament theology, the church, and the individual Christian. As with other volumes in the *Encountering Biblical Studies* series, *Encountering the Book of Hebrews* is designed for classroom use and includes a number of helpful features, including further-reading sections, key terms, chapter objectives, and outlines along with numerous sidebars and illustrations. *Enjoying the Old Testament* Harvest House Publishers

A comprehensive survey designed for the specific needs of college students incorporates revisions into the text and on the accompanying CD-ROM to provide up-to-date study aids, bibliographies, notes and indexes.

Intrusive God, Disruptive Gospel Baker Books

Did Moses write about Jesus? Kevin Chen challenges the common view of the Pentateuch as focused primarily on the Mosaic Law, arguing instead that it sets forth a coherent, sweeping vision of the Messiah as the center of its theological message. Building on the work of John

Sailhamer, Chen provides a fascinating study and an exegetical basis for a Christ-centered biblical theology.

The Holiness of God Baker Academic
Experience new dimensions of the Holy Spirit's power! Do you desire to know what the Holy Spirit is really like? Many Christians hunger for deeper and more powerful encounters with the Holy Spirit, but where can these experiences be found? The answer lies in the pages of Scripture. In this groundbreaking work, author and healing evangelist David Hernandez takes you on an unforgettable journey to discover and experience the Spirit's powerful presence throughout the entire Bible from Genesis to Revelation. Scripture offers so much more to be discovered than merely a theology of the Holy Spirit and still more to be experienced! Trade dry theory for a dynamic relationship as you encounter the third Person of the Trinity in the pages of every book of the Bible. Know the Holy Spirit in a greater depth than ever before. This book will help you discover Hidden Mysteries. Even in Old Testament books where there is no direct reference to the Holy Spirit, learn to see His presence moving. A Fresh Revelation. The different revelations of the Spirit in Scripture reveal His unique characteristics and how He wants to move in your life. Your Supernatural Identity. Learn what it really means to have the same Spirit that raised Christ from the dead dwelling in you. Kingdom Power. Discover what it means to partner with the Spirit to release the miracles that Jesus promised. Within the pages of Scripture, untapped reserves of Holy Spirit power are waiting to be released. Will you discover them today?

The Heart of the Old Testament
Cambridge University Press

Idolatry in the Pentateuch addresses both the manner in which the Pentateuch was produced and how theological intentions can be discerned from the texts that constitute it. McKenzie attempts to read the final shape of the Pentateuch while not ignoring the diachronic complexities within its pages. Using a compositional approach to the Pentateuch, he establishes his methodology, analyzes several idolatry-related texts, and traces the theological intentions through an inner-textual strategy. Moreover, McKenzie briefly considers the history of interpretation through the last few centuries and discusses the state of Old Testament studies as he understands it.

Encountering the New Testament
Baker Academic

In this six week video study, Adam Hamilton explores the key points in his new book, *Making Sense of the Bible*. With the help of this Leader Guide, groups learn from Hamilton as his video presentations lead groups through the book, focusing on the most important questions we ask about the Bible, its origins and meaning.

Encountering the Book of Hebrews (Encountering Biblical Studies)

Servant Books

Comprehensive, up-to-date collection of primary source documents (creation accounts, epic literature, etc.) gives insight into the Ancient Near East and the Old Testament.

He Speaks to Me Moody Publishers

Traces nine key theological strands through the Hebrew Scriptures and shows how they link to the New Testament. Highly accessible, profoundly insightful.

Multiply Moody Publishers

A user-friendly guide to the study and interpretation of the Psalms.
