Conversational Dutch Dialogues Penguin

When the Indonesian New Order regime fell in 1998, regional politics with strong ethnic content emerged across the country. In West Kalimantan the predominant feature was particularly that of the Dayaks. This surge, however, was not unprecedented. After centuries of occupying a subordinate place in the political and social hierarchy under the nominal rule of the Malay sultanates, Dayaks became involved in an enthusiastic political emancipation movement from 1945. The Dayaks secured the governorship as well as the majority of the regional executive head positions before they were shunned by the New Order regime. This book examines the development of Dayak politics in West Kalimantan from the colonial times until the first decade of the 21st century. It asks how and why Dayak politics has experienced drastic changes since 1945. It will look at the effect of regime change, the role of the individual leaders and organizations, the experience of marginalization, and conflicts on the course of Dayaks politics. It will also examine ethnic relations and recent political development up to 2010 in the province.

The #1 New York Times–bestselling author’s “groundbreaking” work on women’s sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly

honest account of women’s inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times

Concrete Rose Rosetta Books

The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success than ever before. Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker and wife. It's the beauty myth, an obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of "the flawless beauty."

Sing, Unburied, Sing Simon and Schuster

The award-winning memoir of life in an LA street gang from the acclaimed Chicano author and former Los Angeles Poet Laureate: "Fierce, and fearless" (The New York Times). Luis J. Rodríguez joined his first gang at age eleven. As a teenager, he witnessed the rise of some of the most notorious cliques in Southern California. He grew up knowing only a life of violence—one that revolved around drugs, gang wars, and police brutality. But unlike most of those around him, Rodríguez found a way out when art, writing, and political activism gave him a new path—and an escape from self-destruction. Always Running spares no detail in its vivid, brutally honest portrayal of street life and violence, and it stands as a powerful and unforgettable testimonial of gang life by one of the most acclaimed Chicano writers of his generation. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author's personal collection.

Winner, CODE's 2016 Burt Award for First Nation, Inuit and Métis Literature In this important graphic novel, two brothers surrounded by poverty, drug abuse, and gang violence, try to overcome centuries of historic trauma in very different ways to bring about positive change in their lives. Pete, a young Indigenous man wrapped up in gang violence, lives with his younger brother, Joey, and his mother who is a heroin addict. One

night, Pete and his mother's boyfriend, Dennis, get into a big fight, which sends Dennis to the morgue and Pete to jail. Initially, Pete keeps up ties to his crew, until a jail brawl forces him to realize the negative influence he has become on Joey, which encourages him to begin a process of rehabilitation that includes traditional Indigenous healing circles and ceremonies. Powerful, courageous, and deeply moving, *The Outside Circle* is drawn from the author's twenty years of work and research on healing and reconciliation of gang-affiliated or incarcerated Indigenous men.

Paul's Case BRILL

The chronicles of Gowa and Talloq are the most important historical sources for the study of pre-colonial Makassar. They have provided the basic framework and much of the information that we possess about the origins, growth, and expansion of Gowa during the sixteenth and seventeenth centuries. During this period Gowa and its close ally Talloq became the most powerful force in the eastern Indonesian archipelago, and historians have relied heavily on the chronicles to chart the developments of this period. Available for the first time in English translation, the two texts will offer historians and other scholars an invaluable foundation on which to base interpretations of this crucial place and time in Indonesian history. This volume is required reading for scholars of pre-modern Southeast Asia, including historians, linguists, anthropologists, and others.

Many chessplayers find it difficult to improve their game beyond a certain level. They can see basic tactics, know a little about openings and can calculate a few moves ahead. However, so do their opponents. What is the next level, and how does one get there? This book is aimed at chess-players who have progressed well beyond beginner level and have acquired the basic skills required to play at club level, but need guidance to improve their understanding of chess. It is based on the training program that Hall himself followed when he was an up-and-coming player. The lessons are not based on 'quick fixes', but instead provide a well-rounded course in all aspects of chess that will equip the reader well for his or her chessboard battles, and provide a firm yet flexible basis for further improvement.

Whence do Stockholm Syndrome and Broken Window Theory derive their names? What is the common root of aristocracy and

democracy? Who gets diagnosed with Anarchia and Drapetomania? How did voting kill Edgar Allen Poe, and why is a crater on the dark side of the moon named for the man who blew up the Tsar? Alternately scathing and sublime, *Contradictionary* pulls back the curtain from the war within every word, revealing the conflict behind the façade of the commonplace. In the tradition of *The Devil's Dictionary*, *Contradictionary* assembles a wide range of wit and whimsy. This is no mere miscellany, but a lighthearted work of serious literature, concentrating a wealth of ideas and history into aphorisms and anecdotes.

The 5AM Club BRILL

To err is human. Yet most of us go through life assuming (and sometimes insisting) that we are right about nearly everything, from the origins of the universe to how to load the dishwasher. In *Being Wrong*, journalist Kathryn Schulz explores why we find it so gratifying to be right and so maddening to be mistaken. Drawing on thinkers as varied as Augustine, Darwin, Freud, Gertrude Stein,

Alan Greenspan, and Groucho Marx, she shows that error is both a given and a gift—one that can transform our worldviews, our relationships, and ourselves.

The Beauty Myth HarperCollins

*Selected as One of the Best Books of the 21st Century by The New York Times * WINNER of the NATIONAL BOOK AWARD and A NEW YORK TIMES TOP 10 BEST BOOK OF THE YEAR A finalist for the Kirkus Prize, Andrew Carnegie Medal, Aspen Words Literary Prize, and a New York Times bestseller, this majestic, stirring, and widely praised novel from two-time National Book Award winner Jesmyn Ward, the story of a family on a journey through rural Mississippi, is a “tour de force” (O, The Oprah Magazine) and a timeless work of fiction that is destined to become a classic. Jesmyn Ward’s historic second National Book Award-winner is “perfectly poised for the moment” (The New York Times), an intimate portrait of three generations of a family and an epic tale of hope and struggle. “Ward’s writing throbs with life, grief, and love... this book is the kind that makes you ache to return to it” (Buzzfeed). Jojo is thirteen years old and trying to understand what it means to be a man. He doesn’t lack in fathers to study, chief among them his Black grandfather, Pop. But there are other men who complicate his understanding: his absent White father,

Michael, who is being released from prison; his absent White grandfather, Big Joseph, who won’t acknowledge his existence; and the memories of his dead uncle, Given, who died as a teenager. His mother, Leonie, is an inconsistent presence in his and his toddler sister’s lives. She is an imperfect mother in constant conflict with herself and those around her. She is Black and her children’s father is White. She wants to be a better mother but can’t put her children above her own needs, especially her drug use. Simultaneously tormented and comforted by visions of her dead brother, which only come to her when she’s high, Leonie is embattled in ways that reflect the brutal reality of her circumstances. When the children’s father is released from prison, Leonie packs her kids and a friend into her car and drives north to the heart of Mississippi and Parchman Farm, the State Penitentiary. At Parchman, there is another thirteen-year-old boy, the ghost of a dead inmate who carries all of the ugly history of the South with him in his wandering. He too has something to teach Jojo about fathers and sons, about legacies, about violence, about love. Rich with Ward’s distinctive, lyrical language, *Sing, Unburied*, *Sing* is a majestic and unforgettable family story and “an odyssey through rural Mississippi’s past and present” (The Philadelphia Inquirer).
