The Handbook of Neuropsychiatric Biomarkers, Endophenotypes and Genes

Springer Science & Business Media

The next installment in The Station Series takes readers on another lively journey through the after-life adventures of eighteen year old Piper Willow. Piper has new challenges to overcome, new names to learn and is faced with a new Station occupation. Did she make the right choice - choosing to stay at the Station and become a Volunteer? Does she really want answers to the questions that never leave her mind? How did the Station come to be? What lies beyond? Who is Andurush and what, exactly, does he want with Piper? She must ask herself once again if she has what it takes...but this time it isn't

about saving lives, it is about discovering what lies beyond death. Would you want to know?

Multiple Myeloma Mulholland Books
As media environments and communication practices evolve over time, so do theoretical concepts. This book analyzes some of the most well-known and fiercely discussed concepts of the digital age from a historical perspective, showing how many of them have pre-digital roots and how they have changed and still are constantly changing in the digital era. Written by leading authors in media and communication studies, the chapters historicize 16 concepts that have become central in the digital media literature, focusing on three main areas. The first part, Technologies and Connections, historicises concepts like network, media convergence, multimedia, interactivity and artificial intelligence. The second one is

related to Agency and Politics and explores global governance, datafication, fake news, echo chambers, digital media activism. The last one, Users and Practices, is finally devoted to telepresence, digital loneliness, amateurism, user generated content, fandom and authenticity. The book aims to shed light on how concepts emerge and are co-shaped, circulated, used and reappropriated in different contexts. It argues for the need for a conceptual media and communication history that will reveal new developments without concealing continuities and it demonstrates how the analogue/digital dichotomy is often a misleading one.
Book of the True Poem Minotaur Books
In Painting Women, Phillippy provides a cross-disciplinary study of women as objects and agents of painting.

Erin McCabe is a New Jersey criminal defense attorney doing her best to live a quiet life in the wake of profound personal change, until a newsworthy case puts both her career and safety in jeopardy
Middlebrow Matters Versilio
 LONGLISTED FOR THE ORWELL PRIZE FOR POLITICAL WRITING 2021 'One of the best books ever written about intelligence analysis and its long-term lessons'
 Christopher Andrew, author of *The Defence of the Realm: The Authorized History of MI5* 'An invaluable guide to avoiding self-deception and fake news'
 Melanie Phillips, *The Times* From the former director of GCHQ, Professor Sir David Omand, learn the methodology used by British intelligence agencies to reach judgements, establish the right level of confidence and act decisively. Full of revealing examples from a storied career, including key briefings with Prime Ministers and strategies used in conflicts from the Cold War to the present, in *How Spies Think* Professor Omand arms us with the tools to sort fact from fiction, and shows us how to use real intelligence every day.

The Prince of Central Park JHU Press
 While many feminist and queer movements are designed to challenge sexism, they often simultaneously police gender and sexuality—sometimes just as fiercely as the straight, male-centric mainstream does. Among LGBTQ activists, there is a long history of lesbians and gay men dismissing bisexuals, transgender people, and other gender and sexual minorities. In each case, exclusion is based on the premise that certain ways of being gendered or sexual are more legitimate, natural, or righteous than others. As a trans woman, bisexual, and femme activist, Julia Serano has spent much of the last ten years challenging various forms of exclusion within feminist and queer/LGBTQ movements. In *Excluded*, she chronicles many of these instances of exclusion and argues that marginalizing others often stems from a handful of assumptions that are routinely made about gender and sexuality. These false assumptions infect theories, activism, organizations, and communities—and worse, they enable people to vigorously protest certain forms of sexism while simultaneously ignoring and even perpetuating others. Serano advocates for a new approach to fighting sexism that avoids these pitfalls and offers new ways of thinking about gender, sexuality, and sexism that foster inclusivity rather than exclusivity.
Anarchism and Political Modernity An Erin McCabe Legal Thriller

Packed with the suspenseful storytelling that has made Lisa Gardner a #1 New York Times bestselling author, this thrilling short story reveals new insights into beloved series heroine D.D. Warren... In her seventh month of pregnancy, Boston Detective D.D. Warren should be taking it easy. Instead, she accepts a small consulting role on the set of a serial killer film shooting in Boston. D.D. figures she'll be useful to someone for at least one night, serving as a police expert and making a little extra money in the bargain. It seems like a simple task—until the previous film consultant, a former Boston cop, is found beaten to death. Suddenly D.D.'s date with Hollywood gets serious. Extremely pregnant, on the trail of a killer, and surrounded by a hundred and four murder suspects in the middle of a graveyard, D.D. must quickly unravel a tangled web of lies. As another cast member is attacked, D.D. realizes that like it or not, her priorities have changed—and her last desperate hope is that she can catch a killer before she and her unborn baby face mortal danger.

A Man Named Doll Routledge

Explains how to learn foreign languages, offering practical advice for overcoming the obstacles.

The Dead Lake Weidenfeld & Nicolson
 Parigi, un appartamento senza inquilini nel centro della città, silenzioso, troppo perfetto per non nascondere misteri.

Madeline, una giovane poliziotta di Londra, lo prende in affitto per cercare un po' di riposo, dopo una serie di casi non risolti e la crisi della sua storia d'amore. Per un errore tecnico, nella stessa casa arriva anche Gaspard, venuto a Parigi per isolarsi e scrivere in tranquillità la sua nuova opera teatrale. Queste due anime solitarie e irrequiete sono così costrette a vivere assieme per qualche giorno.

L'appartamento era di proprietà del celebre pittore Sean Lorenz che lo usava anche come studio, e in quelle stanze si respira ancora la sua passione per i colori e per la luce. Distrutto dall'assassinio del giovane figlio, Lorenz è morto l'anno precedente l'arrivo dei due inquilini, lasciando in eredità tre dipinti, che tuttavia risultano oggi scomparsi.

Affascinati dal suo genio e colpiti dai molti misteri che avvolgono la sua vita e, soprattutto, la sua morte, Madeline e Gaspard decidono di unire le forze per ritrovare le opere dell'artista. Ma per arrivare a scoprire il segreto che si nasconde dietro l'enigmatica figura di Sean Lorenz, Madeline e Gaspard dovranno affrontare i loro demoni in un'indagine che li cambierà per sempre.
 Guillaume Musso, lo scrittore francese più

amato, firma, dopo *La ragazza di Brooklyn*, un nuovo thriller, travolgente e ipnotico. Un tuffo vertiginoso nel misterioso mondo della creazione artistica e dei fantasmi che la animano.

Central Park DEBOLS!LLO

From the #1 international bestselling author: a woman wakes up on a Central Park bench with no memory of how she got there in this “unpredictable and moving psychological thriller that keeps you holding your breath” (Métro) Alice, a fierce and respected Parisian cop, wakes up on a Central Park bench with no memory of the night before, handcuffed to a complete stranger—a musician named Gabriel. Disoriented, dazed, and with someone else's blood on her shirt, Alice works furiously to reconnect the dots. She remembers clubbing with her friends the night before on the Champs-Élysées. Gabriel claims he was playing a gig in Dublin. Was she drugged? Kidnapped? Why is the gun in her jacket pocket missing a bullet? And whose blood is on her clothes? Over the next twenty-four hours, Alice and Gabriel race across New York in search of answers, stumbling upon a startling set of clues that point to a terrible adversary from the past. Alice must finally confront her memories of hunting the serial killer who took everything from her—a man she thought was dead, until now. From France's #1 bestselling author, *Central Park* is a taut and suspenseful thriller that will keep readers riveted until its final shocking twist.

Two White Queens and the One-Eyed Jack Peirene Press

An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... Jonathan and Anna are in the final stages of planning their Bostonian high-society wedding, when Peter, an auctioneer for Christie's and Jonathan's best friend, calls with news that will change all of their lives. He has just been informed that a small London art gallery has come in to possession of five canvases by the 19th century artist, Vladimir Radskin. Jonathan, the world's foremost expert on Radskin, immediately understands the significance of the information. If the gallery indeed has five paintings, then the collection could very well include Radskin's final canvas - a painting that has become legendary ever since it went missing in mysterious circumstances before its public unveiling in 1868. For Jonathan, who has spent the last twenty years of his career searching for this painting, its discovery and authentication would finally establish the under-appreciated Radskin as a true master. For Peter, whose recent auctions have come under fire from the critics, an

ensuing high-profile sale would represent an opportunity to salvage his career. When Jonathan meets Clara, the owner of the London gallery, he is overwhelmed by a dizzying sense of déjà-vu. But in the desperate rush to authenticate the fifth painting, he simply puts this strange feeling down to their shared passion for the late Russian painter. He and Clara are both convinced that this breath-taking painting is Radskin's mythical last work, but they need proof: for The Young Girl in the Red Dress is unsigned. Their quest takes them from a gallery in Piccadilly to a paint workshop in Florence, from a laboratory in the Louvre to a mysterious manor in the English countryside. The more Jonathan and Clara uncover about Radskin's last painting, the more they discover about themselves: three very different lives, three inextricably intertwined destinies, caught in a race against time. "His writing flows, it is elegant and fast paced... In Another Life is Romeo and Juliet, set in today's modern world . It's dense, beautiful, and just as tragic." - Paris Match "His stories make us dream, his writing fills us with emotion." - Elle

After Anna Springer Nature

Transhumance is a form of pastoralism that has been practised around the world since animals were first domesticated. Such seasonal movements have formed an important aspect of many European farming systems for several thousand years, although they have declined markedly since the nineteenth century. Ethnographers and geographers have long been involved in recording transhumant practices, and in the last two decades archaeologists have started to add a new material dimension to the subject. This volume brings together recent advances in the study of European transhumance during historical times, from Sweden to Spain, Romania to Ireland, and beyond that even Newfoundland. While the focus is on the archaeology of seasonal sites used by shepherds and cowherds, the contributions exhibit a high degree of interdisciplinarity. Documentary, cartographic, ethnographic and palaeoecological evidence all play a part in the examination of seasonal movement and settlement in medieval and post-medieval landscapes. Notwithstanding the obvious diversity across Europe in terms of livestock, distances travelled and socio-economic context, an extended introduction to the volume shows that cross-cutting themes are now emerging, including mobility, gendered herding, collective land-use, the agency of non-elite people and competition for grazing and

markets. The book will appeal not only to archaeologists, but to historians, geographers, ethnographers, palaeoecologists and anyone interested in rural lifeways across Europe.

Where Would I Be Without You?

Sterling Publishing Company, Inc.

How will governments and courts protect civil liberties in this new era of hacktivism? Ethical Hacking discusses the attendant moral and legal issues. The first part of the 21st century will likely go down in history as the era when ethical hackers opened governments and the line of transparency moved by force. One need only read the motto "we open governments" on the Twitter page for Wikileaks to gain a sense of the sea change that has occurred. Ethical hacking is the non-violent use of a technology in pursuit of a cause—political or otherwise—which is often legally and morally ambiguous. Hacktivists believe in two general but spirited principles: respect for human rights and fundamental freedoms, including freedom of expression and personal privacy; and the responsibility of government to be open, transparent and fully accountable to the public. How courts and governments will deal with hacking attempts which operate in a grey zone of the law and where different ethical views collide remains to be seen. What is undisputed is that Ethical Hacking presents a fundamental discussion of key societal questions. A fundamental discussion of key societal questions. This book is published in English. - La première moitié du XXIe siècle sera sans doute reconnue comme l'époque où le piratage éthique a ouvert de force les gouvernements, déplaçant les limites de la transparence. La page twitter de Wikileaks enchâsse cet ethos à même sa devise, « we open governments », et sa volonté d'être omniprésent. En parallèle, les grandes sociétés de technologie comme Apple se font compétition pour produire des produits de plus en plus sécuritaires et à protéger les données de leurs clients, alors même que les gouvernements tentent de limiter et de décrypter ces nouvelles technologies d'encryption. Entre-temps, le marché des vulnérabilités en matière de sécurité augmente à mesure que les experts en sécurité informatique vendent des vulnérabilités de logiciels des grandes technologies, dont Apple et Google, contre des sommes allant de 10 000 à 1,5 million de dollars. L'activisme en sécurité est à la hausse. Le piratage éthique est l'utilisation non-violence d'une technologie quelconque en soutien d'une cause politique ou autre qui est souvent ambiguë d'un point de vue juridique et moral. Le

hacking éthique peut désigner les actes de vérification de pénétration professionnelle ou d'experts en sécurité informatique, de même que d'autres formes d'actions émergentes, comme l'hacktivisme et la désobéissance civile en ligne.

L'hacktivisme est une forme de piratage éthique, mais également une forme de militantisme des droits civils à l'ère numérique. En principe, les adeptes du hacktivisme croient en deux grands principes : le respect des droits de la personne et les libertés fondamentales, y compris la liberté d'expression et à la vie privée, et la responsabilité des gouvernements d'être ouverts, transparents et pleinement redevables au public. En pratique, toutefois, les antécédents comme les agendas des hacktivistes sont fort diversifiés. Il n'est pas clair de quelle façon les tribunaux et les gouvernements traiteront des tentatives de piratage eu égard aux zones grises juridiques, aux approches éthiques conflictuelles, et compte tenu du fait qu'il n'existe actuellement, dans le monde, presque aucune exception aux provisions, en matière de cybercrime et de crime informatique, liées à la recherche sur la sécurité ou l'intérêt public. Il sera également difficile de déterminer le lien entre hacktivisme et droits civils. Ce livre est publié en anglais.

Art of Drawing the Human Body La Nave di Teseo Editore spa

A glamorous prep school girl goes missing after a love affair with a teacher in this "immensely satisfying" thriller from France's #1 bestselling novelist (Harlan

Coben). Twenty-five years ago, on a campus paralyzed by a snowstorm, beautiful 19-year-old Vinca Rockwell ran away with her philosophy teacher after they began a secret affair. For Vinca, "love is everything or nothing." She is never seen again. The once inseparable Manon, Thomas and Maxime -- Vinca's best friends -- have not spoken since graduation. Twenty-five years earlier, under terrible circumstances, the three of them committed a murder and buried the body in the gymnasium wall, the same wall that is about to be demolished to make way for an ultramodern new building. Now, the three friends are about to meet again at their reunion. Will decades of lies unravel to reveal what really happened on that deadly winter night? Taut, suspenseful, and addictive, *The Reunion* will grip you until its haunting final page.

Nightblind Penguin UK

Biological control offers a promising alternative to chemical control which can have adverse environmental implications.

This volume contains 16 articles describing the most modern topics in biocontrol of plant pathogens, including risk analysis for the release of microbial antagonists, genetic engineering and application of tissue culture.

Painting Women University of Ottawa Press

Un thriller absolument trepidante por el autor que arrasa en Francia. Alice no recuerda absolutamente nada de lo que ocurrió la noche anterior... ¿Qué hace en Central Park si ayer estaba en los Campos

Elíseos? Alice Schäfer, capitana de la Brigada Criminal de París, se despierta profundamente desorientada. Se encuentra en el banco de un parque, su blusa está manchada de sangre; lleva un arma que no es la suya, a la que además le falta una bala; y, lo que resulta más inquietante, está esposada a un desconocido. Lo último que recuerda es haber bebido más de la cuenta con sus amigas (en una fiesta) en los Campos Elíseos. El resto está todo borroso. Su única esperanza es que el hombre al que está encadenada pueda ayudarla a reconstruir los hechos, pero este está tan desconcertado como ella. Se llama Gabriel Keyne, es pianista de jazz y afirma que la noche anterior tocó en un club de Dublín. El asunto se vuelve aún más perturbador cuando se percatan de que se encuentran en Central Park. ¿Cómo han llegado a Nueva York? Alice y Gabriel no tendrán otra opción que confiar el uno en el otro para desentrañar este extraño misterio... Pero la verdad es mucho más estremecedora de lo que podían imaginar. Déjate atrapar por el autor que arrasa en Francia: Cuatro años consecutivos encabezando los rankings de más vendidos en Francia. Más de veintidós millones de ejemplares de sus libros vendidos en todo el mundo. La crítica ha dicho... «Imprevisible y conmovedor, un thriller psicológico que te deja sin aliento hasta un asombroso final.» Metro News «¡400 páginas trepidantes! ¡Una historia excepcional!» RTL «Musso se reafirma como un maestro del suspense.» La Presse «Un thriller magnífico.» TV5 Monde
