A Plea to Pastors for Radical Ministry
Baker Books
Pastor Jamin Goggin and theology professor Kyle Strobel invite readers on a journey to uncover Jesus' seemingly contradictory way to power: weakness. Why do so many rock-star pastors implode under the spotlight? Why do modern-day churches become so entangled in growing their brand that

they lose sight of their true purpose? Because, according to Jamin Goggin and Kyle Strobel, Christians have succumbed to the temptations of power and forgotten Jesus' seemingly contradictory path to power—first giving it up. In *The Way of the Dragon* or *The Way of the Lamb*, Goggin and Strobel paint a richly biblical vision of power through weakness. They invite readers to join them on an adventure around the world, seeking out great sages of the faith with uncommon wisdom to offer those traveling the path of Christian life. As

readers eavesdrop on the authors' conversations with people such as J. I. Packer, Dallas Willard, Marva Dawn, John Perkins, Jean Vanier, James Houston, and Eugene Peterson, they begin to piece together the new-old reality of following Jesus today. In the end, *The Way of the Dragon or the Way of the Lamb* offers a compelling vision of the way of Jesus that will challenge both individual believers and the church as a whole. Pope Francis Speaks to Priests, Bishops, and Other Shepherds Abingdon Press

The realities and rewards of leadership come to life in this illuminating and

insightful look at the ancient biblical image of shepherds. Experience a fully illustrated personal encounter with Bedouin shepherds whose life and work prompt us to think biblically about serving Christ. Here is your trail to become a shepherd leader: a compassionate provider, courageous protector and competent guide. Take this forty day journey and experience a life changing encounter with the Divine Shepherd. Become a shepherd after God's own heart by rediscovering true biblical leadership. An authentic classic endorsed by Billy Graham and a host of church and ministry leaders from across the globe.*Dear Dr. Laniak, Our family knows from first-hand experience your heartbeat for the Gospel and your love of the students in your charge. You are

an authentic Shepherd Leader, and I am encouraged to know that you are training others to be the same. (Dr. Billy Graham)*Of the leadership models in Christ's ministry, only the servant model has received any in-depth treatment. Laniak's book helps remedy this lack, providing a detailed treatment of the Shepherd Model - something that is desperately needed by today's Christian leaders. (Dr. Bobby Clinton, J. Robert Clinton Leadership Development Institute and Clinton Network)*When much of what passes for Christian leadership is made up of secular models, with some biblical texts thrown in, this book models for us godly leadership as shown in Jesus - the Chief Shepherd! (Dr. Leighton Ford, Leighton Ford Ministries)*Books on leadership are

everywhere but this one is different: Tim Laniak gives perspectives on 'shepherd leadership' drawn from biblical insights, first hand cross-cultural living amongst shepherds in Bible lands, and contemporary applications. (Kirk Franklin, Executive Director, Wycliffe International, Melbourne, Australia)*A warm, winsome, and captivating forty-day journey to Godly leadership. (Anne Graham Lotz, Founder and President, AnGeL Ministries)*With a shepherd's heart and a scholar's mind, Laniak goes beyond Phillip Keller's devotional classic, A Shepherd Looks at Psalm 23, and raises our job description to a divine standard. (Dr. Haddon W. Robinson, President, Gordon-Conwell Theological Seminary)*Through real-life stories of shepherds, Christian leaders are called

to be not only tender and loving, but also tough and disciplined. (Dr. John M. Perkins, President, The John M. Perkins Foundation)*Exceptional leadership insights, welcome guidance, and rare encouragement! (Dr. Mark W. McCloskey, Lead Faculty, Transformational Leadership, Bethel Seminary)*Reading Laniak's fascinating anthropological observations and rich scriptural insights will make spiritual shepherds anywhere in the world better leaders and better followers. (Dr. Samuel J. Voorhies, Former Director, International Leadership Development, World Vision International)*A refreshing devotional that draws the long time Christian leader back to first base... and equally equips the new pastor, elder or deacon who desires to remain faithful

over the long haul. (Dr. David Yap, Pastor, Chairman, SIM East Asia)* Because Laniak's reflection is so deeply grounded in Scripture and its cultural context, I will recommend this work enthusiastically to God's undershepherds everywhere, who will find its orientation immediately relevant. (Dr. David Baer, President, Overseas Council)*Laniak's refreshing insights provide a roadmap for further reflection long after the 40 days of readings have been completed. (Dr. John Pellowe, CEO, Canadian Council of Christian Charities)*A spiritual quest that could have been written specifically for military chaplains...(Captain Jessie R. Tate, Former Fleet Chaplain, Commander US Fleet Forces Command) * A most needed and timely book that warms the heart and lifts the spirit. (Dr. Danny Goh,

Associate Dean & Chair, Pastoral Theology, Singapore Bible College)
Something Smells! Crossway
"A lamb for my supper will taste mighty fine!" thought a wily old wolf by the name of Lou Pine. Poor Lou! In this fractured fairy tale, the wolf is stopped at the hedge by the flock's protector, Rambo the Ram. So Lou sets off to find a disguise that will let him sneak into the flock. He tries a fuzzy bathrobe, paint, and even cotton candy, but nothing works out. Can he scare Red Riding Hood's grandmother into knitting him a costume? Or will she—like everyone else—be able to thwart the wolf's plans?

Life and our wife are the teachers. ..."In a society where the institution of marriage has been reduced to nothing more than the paper it's written on, this book is a refreshing approach. His handling of delicate matters with humor in marriage provokes one to choose commitment & the hard work that goes with it!" - Dr. Sherill Piscopo. *A Married Man's Handbook* is full of tips, godly principles, examples and references to help you, the husband, be the man that your wife fell in love with. Including more than 35 step-by-step recipes from the Black Sheep School of Cheesemaking Most DIY cheesemaking books are hard to follow, complicated, and confusing, and call for the use of packaged freeze-dried cultures, chemical additives, and expensive cheesemaking equipment. For though bread baking has

its sourdough, brewing its lambic ales, and pickling its wild fermentation, standard Western cheesemaking practice today is decidedly unnatural. In *The Art of Natural Cheesemaking*, David Asher practices and preaches a traditional, but increasingly countercultural, way of making cheese—one that is natural and intuitive, grounded in ecological principles and biological science. This book encourages home and small-scale commercial cheesemakers to take a different approach by showing them: • How to source good milk, including raw milk; • How to keep their own bacterial starter cultures and fungal ripening cultures; • How make their own rennet—and how to make good cheese without it; • How to avoid the use of plastic equipment and

chemical additives; and • How to use appropriate technologies. Introductory chapters explore and explain the basic elements of cheese: milk, cultures, rennet, salt, tools, and the cheese cave. The fourteen chapters that follow each examine a particular class of cheese, from kefir and paneer to washed-rind and alpine styles, offering specific recipes and handling advice. The techniques presented are direct and thorough, fully illustrated with hand-drawn diagrams and triptych photos that show the transformation of cheeses in a comparative and dynamic fashion. The Art of Natural Cheesemaking is the first cheesemaking book to take a political stance against Big Dairy and to criticize both standard industrial and artisanal cheesemaking practices. It promotes the

use of ethical animal rennet and protests the use of laboratory-grown freeze-dried cultures. It also explores how GMO technology is creeping into our cheese and the steps we can take to stop it. This book sounds a clarion call to cheesemakers to adopt more natural, sustainable practices. It may well change the way we look at cheese, and how we make it ourselves.

TIME Magazine's Person of the Year: Pope Francis
Learn about the First Jesuit Pope from America's Leading Jesuit Publisher "Pope Francis by Chris Lowney is that rare and splendid work that leaves you keenly excited and spiritually moved. The writing is lucid, vivid, inviting, and rich. It's a major

achievement. I strongly recommend it to any Christian in a leadership role.” - Joseph Tetlow, SJ From choosing to live in a simple apartment instead of the papal palace to washing the feet of men and women in a youth detention center, Pope Francis’s actions contradict behaviors expected of a modern leader. Chris Lowney, a former Jesuit seminarian turned Managing Director for JP Morgan & Co., shows how the pope’s words and deeds reveal spiritual principles that have prepared him to lead the Church and influence our world—a rapidly-changing world that requires leaders who value the human need for love, inspiration, and meaning. Drawing on interviews with people who knew him as Father Jorge Bergoglio, SJ, Lowney challenges assumptions about what it

takes to be a great leader. In so doing, he reveals the “other-centered” leadership style of a man whose passion is to be with people rather than set apart. Lowney offers a stirring vision of leadership to which we can all aspire in our communities, churches, companies, and families.

A Novel Thomas Nelson

Above all else, guard your heart, for it is the wellspring of life. -- Proverbs 4:23
They Smell like Sheep, Volume 2:
Leading with the Heart of a Shepherd is about more than gimmicks and techniques of leadership. It speaks to the character and heart of the leader. After all, heart makes the difference in an

effective Sunday-school teacher, youth minister, elder, small-group leader, parent, grandparent, or Christian school teacher. Spiritual sheep, stray sheep, and searching sheep aren't nearly as concerned about the knowledge and skill of the shepherd as they are about his heart. When finding their way -- at weddings, at funerals, during family crises, and in the hospital -- sheep go to a shepherd in whom they discern God's own heart, like King David of old. Jesus said sheep would know their shepherd's voice and be drawn to it. It is the heart behind the voice that soothes and comforts God's people. How do you measure the influence of a godly shepherd? Without doubt, it's the heart of the shepherd that most powerfully shapes lives and souls in our flocks. If

you want your own heart shaped and molded into the likeness of Christ, this book is an excellent place to begin. Be shepherds of God's flock under your care... as God wants you to be. Heeding the call to be a leader is an awesome responsibility. Whether you have been called to serve as a minister or you're teaching an adult Bible study group or you're a teen leading the youth group in song, most assuredly from time to time you question your abilities and look for support and example. Author Lynn Anderson addresses the starting and ending place of true leadership among God's people: the heart of a shepherd. He presents Jesus, the Head Shepherd, as our only reliable model of godly leadership; he guides us through the Scriptures and gives us practical

exercises to strengthen our hearts as we do the difficult yet rewarding work of shepherding people of God with love and grace. Enter the book's pages with the confidence that you are being led by someone who has the heart of a shepherd and who sees himself first as a smelly sheep, dearly loved and led by the Good Shepherd. And when the Chief Shepherd appears, you will receive the crown of glory. -- 1 Peter 5:4
