Now available as a giftable board book, popular FOX news anchor Ainsley Earhardt's New York Times bestseller *Take Heart, My Child* is a lyrical lullaby that inspires children to follow their dreams and passions. FOX and Friends cohost Ainsley Earhardt shares precious life lessons parents can pass onto their children so that they can follow their hearts, dreams, and passions. *Take Heart, My Child* is a lyrical lullaby in which Ainsley shares her own hopes and dreams and lets her child know that whatever challenges life brings, "Take heart, my child, I will—or, my love will—always be there for you." It's a universal message, one that all readers will relate to.

#### Take Heart, My Child Springer Nature

The gift of art, the gift of inspiration, the gift of joy. This dynamic illustrated book is brimming over with encouragement and wisdom and delivered with a fresh, modern twist. Pairing quotes with original graphic art that brings the words to life, *Think Happy, Be Happy* is a gallery of beauty and cheer inspired by the letterpress and screenprint art that's hot on Etsy and pinned and re-pinned by Pinterest's millions of fans. The artwork is by more than twenty popular illustrators and designers, who transform simple but smart mottoes—from the contemplative "Find beauty in rain" to the upbeat "I make my own sunshine!" to the empowering "Don't shush your inner voice. It's who you are" to the joyful "Live every day like it's your birthday"—into bold and visually dynamic statements. This book is a delightful pick-me-up that can be read over and over again and bring comfort and affirmation every time. Paired randomly throughout is unexpected, complementary text—themed play-lists, top-ten lists, and simple recipes. Because what's better to lift the spirits

than a Watermelon Mint Ice Pop?

Neubau Forst Catalogue Sagwan Press

"Neubau Forst Catalogue" is the 432-page print catalogue of a digital collection of tree silhouettes and sculptures seen at different seasons. Working by hand, the Neubau designers digitally removed the trees from their original Berlin surroundings and thereby crafted a body of visual material whose scope, outstanding quality of detail and excellent image resolution sets it clearly apart from conventional tree libraries compiled with autotracing tools. Each book contains an individual download code that guarantees you an exclusive discount of 25% on purchases from the data archive in the standard image (TIFF) and vector (EPS) format.

A humorous guide to seducing, satisfying, and loving the only man you'll ever need In an act of generosity, Adrian Colesberry has written an exquisitely detailed guidebook to ensure that every reader knows precisely how to please him-in bed and beyond. Brimming with self-indulgent and incredibly bawdy humor, *How to Make Love to Adrian Colesberry* is a humorous sexual memoir disguised as a manual on Colesberry's pet peeves,

favorite positions, and surefire ways to turn on your man (aka Adrian Colesberry). Recounting dozens of annoying peccadilloes and helpful tips gleaned from his experiences with former lovers, Colesberry covers all stages of the court-andconquer-Adrian-Colesberry process. Beginning with how to attract Colesberry, he later progresses to foreplay and finally the full monty, revealing his own erratic, often unerotic sexual history along the way. A pitch-perfect parody that spares no detail, *How to Make Love to Adrian Colesberry* is a hilarious and filthy new entrant into the fratire genre.

*GIRAFFE Coloring Book For Kids Ages 8-12* Penguin

"In recent decades, governments have promoted social enterprise as a mean to address welfare and tackle disadvantage. Early academic work on social enterprises reflected this development and engaged with their ability to deliver and create jobs, work towards remedial environmental goals and address a range of societal challenges. More recently, researchers have started to investigate the broader potential of social enterprise for the wellbeing of people and the planet. In this context, this book aims to answer the question: In what ways can social enterprises improve the health and wellbeing of individuals and communities? The chapters in this edited collection take different perspectives on assessing how social enterprises address disadvantage and deliver health and wellbeing impacts. Drawing on evidence from international research studies, *Social Enterprise, Health and Wellbeing: Theory Method and Practice* presents the 'first wave' of innovative research on this topic and provides a platform of evidence to inspire the next generation of scholarly and policy interest.

Drawing on the cutting edge of interdisciplinary research in the field, this book will be of interest to researchers, academics, policymakers, and students in the fields of entrepreneurship, public and social policy, community development, public health, human geography and urban planning"--

This book challenges the widely-held view that Marxism is unable to deal adequately with environmental problems. Jonathan Hughes considers the nature of environmental problems, and the evaluative perspectives that may be brought to bear on them. He examines Marx's critique of Malthus, his method, and his materialism, interpreting the latter as a recognition of human dependence on nature. Central to the book's argument is an interpretation of the development of the productive forces which takes account of the differing ecological impacts of different productive technologies while remaining consistent with the

normative and explanatory roles that this concept plays within Marx's theory. Turning finally to Marx's vision of a society founded on the communist principle to each according to his needs, the author concludes that the underlying notion of human need is one whose satisfaction presupposes only a modest and ecologically feasible expansion of productive output.

*Halloween Scary Pumpkin Jack O'Lantern 120 Pages 6x9 Blank Lined Paper Notebook Journal*

The line began forming after eight o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made

you smile. Without warning the heavy door would swing open and the waiters would come outside to join him. They were dressed in pajamas or prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard; toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you could get a pie in the face or a squirt in the eye. The club's routines were blue in color, but harmless. If you were lucky you might see a "Balls for the Queen" or a "Singing beer." The price was always right for a good time and Warm Beer and Lousy Food was the place to be.
