How did she turn a side hustle into a game-changing business, and at the same time, achieve happiness and fulfillment in her life? For Charlotte, it all came down to one thing—jeong. One of the most important Korean cultural values, jeong is a feeling of loyalty and of strong emotional connection to people and places. It goes deeper than love and friendship and grows stronger with time. In South Korea, jeong is critical for success in every facet of daily life, from cultivating hobbies to developing careers and relationships. In *The Little Book of Jeong*, Charlotte shares how jeong changed her own trajectory in life, landing her a job opportunity in Seoul and giving her the fuel she and her husband Dave needed to launch a ground-breaking digital skin care platform and skin care line. A personal story that centers around the deep bond she built with Korea, Charlotte reveals how jeong can radically change our relationships with our loved ones, our work, and the world around us, and challenges us to cultivate jeong in our own lives.

A Chance to Die is a vibrant portrayal of Amy Carmichael, an Irish missionary and writer who spent fifty-three years in south India without furlough. There she became known as "Amma," or "mother," as she founded the Dohnavur Fellowship, a refuge for underprivileged children. Amy's life of obedience and courage stands as a model for all who claim the name of Christ. She was a woman with desires and dreams, faults and fears, who gave her life unconditionally to serve her Master. Bringing Amma to life through inspiring photos and compelling biographical narrative, Elisabeth Elliot urges readers to examine the depths of their own commitment to Christ.

greater insight into mysteries concealed but revealed unto to those who seek God's knowledge and wisdom. No need to buy numerous books dealing with one subject when readers will enjoy a treasure of nuggets in *The Everything Bagel*. This book provides a summary of biblical history marrying the scriptures together with world events, allowing for an overview of all things Yahweh. Satan's diabolical plan is exposed from its inception and his obsession with destroying God's future kingdom upon the earth. It is important to highlight the journey of the Hebrew Israelites and the fulfillment of Messiah coming through the tribe of Judah. Traversing through Bible prophecies, readers will better comprehend the machinations of the one-world order cabal operating through secret societies, false religions, wealthy overlords, and corrupt nations. The book of Revelation is pivotal in these last days spotlighting the time frame for the war of Gog and Magog, the building of the third temple in Israel, and paving the way for Antichrist and the false prophet. The world is standing at the precipice of the seven-year tribulation period. The redeemed of God will embrace their Sabbath rest in a land of milk and honey. It is our greatest desire that the contents of this book will open the eyes of the sleeping masses and be a beacon of hope in these perilous times.

Winner of the 2015 Prix Goncourt, an astounding novel that bridges Europe and the Islamic world Winner of the Prix Goncourt (France), the Leipzig Prize (Germany), Premio Von Rezzori (Italy), shortlisted for the 2017 International Man Booker Prize, shortlisted for the Dublin Literary Award As night falls over Vienna, Franz Ritter, an insomniac musicologist, takes to his sickbed with an unspecified illness and spends a restless night drifting between dreams and memories, revisiting the important chapters of his life: his ongoing fascination with the Middle East and his numerous travels to Istanbul, Aleppo, Damascus, and Tehran, as well as the various writers, artists, musicians,

academics, orientalists, and explorers who populate this vast dreamscape. At the center of these memories is his elusive, unrequited love, Sarah, a fiercely intelligent French scholar caught in the intricate tension between Europe and the Middle East. With exhilarating prose and sweeping erudition, Mathias Énard pulls astonishing elements from disparate sources—nineteenth-century composers and esoteric orientalists, Balzac and Agatha Christie—and binds them together in a most magical way.

In this beautifully written debut, Anna Jean Mayhew offers a riveting depiction of Southern life in the throes of segregation, what it will mean for a young girl on her way to adulthood—and for the woman who means the world to her . . . On a scorching day in August 1954, thirteen-year-old Jubie Watts leaves Charlotte, North Carolina, with her family for a Florida vacation. Crammed into the Packard along with Jubie are her three siblings, her mother, and the family's black maid, Mary Luther. For as long as Jubie can remember, Mary has been there—cooking, cleaning, compensating for her father's rages and her mother's benign neglect, and loving Jubie unconditionally. Bright and curious, Jubie takes note of the anti-integration signs they pass, and of the racial tension that builds as they journey further south. But she could never have predicted the shocking turn their trip will take. Now, in the wake of tragedy, Jubie must confront her parents' failings and limitations, decide where her own convictions lie, and make the tumultuous leap to independence . . . Infused with the intensity of a changing time, here is a story of hope, heartbreak, and the love and courage that can transform us—from child to adult, from wounded to indomitable. "Mayhew keeps the story taut, thoughtful and complex, elevating it from the throng of coming-of-age books." —Publishers Weekly "Beautifully written, with complex characters, an urgent plot, and an ending so shocking and real it had me in tears." —Eleanor Brown, New York Times bestselling author of *The Weird Sisters* "A must-read for fans of *The Help*." —Woman's World

D.H. Lawrence, writing of the poems that had meant most to him, said that they were 'still not woven so deep in me as the rather banal Nonconformist hymns that penetrated through and through my childhood'. It is not easy to account for this, and most writing about hymns has not helped because it has concentrated on their content and function in worship and liturgy. In the present book the author tries to account for feelings like Lawrence's by examining the hymn form and its progress through the centuries from the Reformation to the present day. He begins by discussing the status of a hymn text and relates it to the demands made upon it by the needs of singing. A chronological study then traces the development of the English hymn, from the metrical psalms of the Reformation, through the seventeenth century and Isaac Watts to the Wesleys, Cowper, Toplady, and others, and then to the great flood of hymn writing that occurred during the Victorian period, together with the great success of Hymns Ancient and Modern. There are chapters on American hymnody and women's hymn writing, and sections on gospel hymns and the translation of German hymnody. A final chapter takes the story into the twentieth century, with a brief postscript on the revival of hymn writing since 1960.

Writing on the Southern Front Appetite by Random House

For traditionalists, the conservative ascendancy of the 1980s turned out to be a major disappointment. With the triumph of multiculturalism and political correctness, liberalism seemed to move from strength to strength. Still, a stout number of southern conservative writers plunged forward, and their themes of populism, immigration, and cultural integrity are seeing a contemporary resurgence. Discussing a wide array of authors who worked in a variety of genres, Joseph Scotchie celebrates those unreconstructed champions who fought the culture wars of their times with a special learning and vigor. Also included in this collection are creative artists who kept the flame of literature alive, providing visions of possibilities that only genre can provide.

The Pooh Cook Book ReadHowYouWant.com

An intimate memoir on the work and wonder of ranch life, critiquing the inhumane and environmentally destructive factory farm system and offering sustainable alternatives for ethical omnivores. Although there are nearly 100 million cattle in the United States, these animals are often ignored or dismissed. In *Meditations with Cows*, Shreve Stockton inspires a more reverential attitude toward these affectionate and intelligent

creatures as she shares captivating stories and photos of ranch life. At the center of the narrative is Daisy, the matriarch of the herd. Through the daily ritual of milking, Stockton forges a relationship with Daisy that deepens with each passing season: "When you have a milk cow, you are together every day, no matter the weather, no matter either of your moods. The hind leg of this twelve-hundred-pound animal towers over you as you crouch beside her... both of you aware of the fact that one well-aimed kick could kill you if she wished. Yet you are allowed to rest your cheek and forehead against her warm belly as you milk... her trust in you entwined with your trust in her, you become family." For anyone who loves animals or cares about the environmental impact of their food, Stockton explores conservation and the important role of cattle in local ecosystems, models the humane treatment of animals, and shows how pastured cattle can be our allies in averting climate crisis. Blending together narrative, science, and thoughtful reflection, *Meditations with Cows* offers a moving portrait of the rhythms of work, life, and hardship on the ranch.
