So, I'm Drunk. Daniel T. Drunk, Jr. if you really wanna know. And I'm on a plane headed to Paradise Isle on the trip of a lifetime. The occasion? My honeymoon. Except, there's only one problem. I'm riding solo. It's a really long story, and if you don't mind, I'd prefer to leave it at that. Really? You must know? Fine, I get it. You're the nosy type. Here's the abbreviated version. I came within an inch of marrying a cheating slut. There. Get the picture? Good. But that's not what this story is about. This story is about what happened after I got to Paradise and a dead body showed up in my motel room. And, of course, the cops tried to blame it on me. And then the actual murderer decided they wanted me dead too. Fuck. The hits just kept on coming. And to top it all off. This

woman started following me around the island, and she couldn't seem to keep her hands off me. But not in a good way. So if you're interested in a bit of Caribbean flavored action and adventure, with a hint of sexual tension, a dash of unapologetic profanity, and a kick-ass ending, then this is your book. If you're looking for the next best piece of literature since - oh, hell, who am I kidding? I don't know shit about good literature. But if that's what you're looking for, then keep moving, cause this ain't that. If, however, you're like me and just looking for a good time, then I'm your fella. I promise you, you won't be disappointed. Rated R for language, crude humor, and sexual innuendos. Rated A+ for entertainment value.

A Step Away from Paradise Simon and Schuster

The Paradise of Revenge is a sizzling psychological drama novel of judicial corruption, passion, uncommon courage and the dramatic love story of young Josefina Camarillo. Seduced by Satan's whispered promise to restore her precious innocence, devout young Josefina turns her back on God and schemes her wicked biblical revenge on Shy Lanier, the teenaged son of the man she believes brutally raped and disfigured her. Meanwhile, the dazzling and brilliant Lonnie Lanier, the devoted wife of Josefina's convicted rapist, swallows her pride and morality to

work undercover in a Lawyers Only escort service gathering the evidence she needs to prove her husband's innocence and to bring to justice the ruthless courthouse crime family that framed her husband. Share the passion of devout young Josefina Camarillo uncensored, uncut, as it happened as she schemes her wicked biblical revenge. Live this intimate, emotion-packed story of dear sweet Josefina, her battle with Satan's emissaries and her discovery of Truth *We are never alone *God is everywhere *Love is the ultimate revenge The Paradise of Revenge presents love, sex, passion and romance on the bed of judicial corruption in a powerful story with a shocking and heartfelt resolution, a story inspiring courage and faith, a story that will haunt you for years. A bold, captivating book you'll enjoy reading twice once for the mind and again for the heart. A scintillating read for you and your friends. Visit the author at www.Authorsden.com/richardleeorey

Drunk on a Plane Kathryn R. Biel

A lavish wedding marries two of the most sacred tenets of American culture - romantic love and excessive consumption. This work offers a look at the historical, social and psychological strains that come together to make it the most important cultural ritual in contemporary consumer culture.

The inheritance of a lifetime... with a catch When Sophie's uncle leaves her a castle in the Italian Riviera in his will, she can't believe her luck. The catch? She and her estranged sister, Rachel, must live there together for three months in order to inherit it. Having worked in Rome for four years, Sophie's excited to revisit to Italy, even if it reignites memories of a cheating ex who soon learns of her return and wants to rekindle their spark. Sophie realises that distance does indeed make the heart grow fonder - but for her friend back home, Chris, who she discovers is more to her than just a friend. With the clock ticking, can Sophie and Rachel stick it out and heal old wounds, or are the sisters destined to go their own way at the end of the three months? And does Chris feel the same way about Sophie as she does for him? A beautiful story of romance and sisterhood, perfect for fans of Alex Brown and Lucy Coleman.

Twice in a Lifetime Canelo

"Before there was a West, there was Christendom. This book tells the story of how both came to be." (from the Introduction) The Age of Paradise is the first of a projected four-volume history of Christendom, a civilization with a supporting culture that gave rise to what we now call the West. At a time of renewed interest in the future of Western culture, author John Strickland-an Orthodox scholar, professor, and priest-offers a vision rooted in the deep past of the first millennium. At the heart of his story is the early Church's "culture of paradise," an experience of the world in which the kingdom of heaven was tangible and familiar. Drawing not only on worship and theology but statecraft and the arts, the author reveals the remarkably affirmative character Western culture once had under the influence of Christianity-in particular, of Eastern Christendom, which served the West not only as a cradle but as a tutor and guardian as well.

The Escapade of a Lifetime CreateSpace Independent Publishing Platform

Serena Graham is looking forward to the vacation of a lifetime-a week at Paradise Resort, a Caribbean hideaway where she'll be able to indulge her every sexual fantasy with complete abandon and total anonymity. For the next week, she's Sexy Siren Serena and she'll do whatever she wants-with whomever she wants.

Michael Donovan planned a week at Paradise Resort to research his next erotic crime novel, as well as indulge in some hot sex with his fashion model girlfriend. But when he finds his now ex-girlfriend has other plans, he's resigned to research without recreation. That is, until Serena shows up at his door claiming he's occupying her room! After a little negotiating, Michael and Serena become roommates, and Serena boldly asks Michael to be her lover for the week. How can he pass up the opportunity to mix a little pleasure with business? But despite their vow to keep their relationship strictly physical, they find much more than passion in paradise.

The Southern Side of Paradise iUniverse

In 1953, Alfonso Candela is a likeable rogue who loves his privileged life in Santiago de Cuba. Unfortunately, Fidel Castro has other plans for him. As the Cuban Revolution takes root and irrevocably tears at the fabric of Alfonso's personal paradise, he and his family attempt to go about their daily lives, despite the mounting threats that surround them. When approached by a rebel who wants their weekend home to help dethrone Batista in the name of democracy, the Candelas are seemingly left with no choice but to comply. His wife, Mirta, befriends Teodora, who channels her interest in her neighbors' affairs into revolutionary purpose and tries to recruit Alfonso to join the militia. With their family splintered and in exile, the Candelas must reinvent their lives in an alien land. But when Castro finally opens the gates of Mariel, Alfonso returns, intent on seeking redemption. In this historical saga, the essence of the Cuban Revolution is captured through one family's eyes as they reflect on a life that could have been and the generation that must create a new paradise in exile.

An in-depth look at the role of number as a bridge between Heaven and Earth • Reveals the numerical code by which the ancients maintained high standards of art and culture • Sets out the alchemical formulas for the fusion of elements and the numerical origins of various sacred names and numbers • Describes the rediscovery of knowledge associated with the Holy Grail, through which the influence of the Heavenly Order is made active on Earth The priests of ancient Egypt preserved a geometrical canon, a numerical code of harmonies and proportions, that they applied to music, art, statecraft, and all the institutions of their civilization. Plato, an initiate in the Egyptian mysteries, said it was the instrument by which the ancients maintained high, principled standards of civilization and culture over thousands of years. In *The Dimensions of Paradise*, John Michell describes the results of a lifetime's research, demonstrating how the same numerical code underlies sacred structures from ancient times to the Christian era. In the measurements of Stonehenge, the foundation plan of Glastonbury, Plato's ideal city, and the Heavenly City of the New Jerusalem described in the vision of Saint John lie the science and cosmology on which the ancient world order was founded. The central revelation of this book is a structure of geometry and number representing the essential order of the heavens and functioning as a map of paradise.

U-Turn to Paradise Penguin Books India

"Friday Night Lights meets Unbroken." —Tony Reali | "One of the most profound stories you will ever read." —Ian O'Connor | "Plaschke delivers a masterpiece." —Jeff Pearlman From L.A. Times columnist and ESPN Around the Horn panelist Bill Plaschke, a story of tragedy, triumph, and the remarkable power of high school football in one small California town On November 8, 2018, the Camp Fire ravaged the town of Paradise, California. The fire, which burned up to 80 acres per minute, killed 86 people, and nearly every building and home in the town was reduced to

ashes. In a single day, Paradise, a proud working-class town in the foothills of the Sierra Nevadas, saw its population fall from 25,000 to 2,000. The Paradise High football team had long been the town's source of joy and inspiration. But in the wake of the fire, their season was abruptly cancelled on the eve of the playoffs. Their championship hopes were gone. Their program's survival seemed doubtful—it wasn't even clear whether Paradise High would continue to exist. Coach Rick Prinz had planned to retire that year after guiding the Paradise High Bobcats for two decades. But after the fire forever altered his beloved town, he realized he couldn't walk away. What ensued was the challenge of a lifetime. Of the 104 football players at Paradise, 95 had lost their homes. His varsity squad, which had stood 76 strong the previous season, was down to 22. Most of those who remained were homeless, sleep-deprived, lost. On the first day of spring practice, on a debris-ridden patch of grass at nearby Chico Airport, Prinz's team didn't even have a football. It was the humble beginning to a memorable journey. Bill Plaschke, longtime columnist for the Los Angeles Times, followed the Paradise Bobcats throughout a most remarkable season. In this gripping, deeply-reported story of tragedy and resilience, Plaschke reveals the unique power of sports to unite, to inspire, and to heal. As the Paradise players fought to rebuild their broken lives, they found strength in the support of their teammates—and as football returned to Paradise, so, too, did the spirit of the town itself.

Earthly Paradise Zondervan

The internationally bestselling Peachtree Bluff series concludes with this "deliciously authentic Southern tale of family and the often messy, complex relationships between sisters, mothers, and daughters" (Susan Boyer, USA TODAY bestselling author). With the man of her dreams back in her life and all three of her daughters happy, Ansley Murphy should be content. But she can't help but feel like it's all a little too good to be true. Her youngest daughter, actress Emerson, is recently engaged and has just landed the role of a lifetime. She seemingly has the world by the tail and yet something she can't quite put her finger on is worrying her—and it has nothing to do with her recent health scare. When two new women arrive in Peachtree Bluff—one who has the potential to wreck Ansley's happiness and one who could tear Emerson's world apart—everything is put in perspective. And after secrets that were never meant to be told come to light, the powerful bond between the Murphy sisters and their mother comes crumbling down, testing their devotion to each other and forcing them to evaluate the meaning of family. "Kristy Woodson Harvey has done it again....The Southern Side of Paradise is full of humor, charm, and family" (Lauren K. Denton, USA TODAY bestselling author) and is the ultimate satisfying beach read.

Medieval & Renaissance Literar

Alongside the famous Wisdom Collection, considered by experts one of the most important works of the century, which contains a total of 7012 aphorisms, in his six volumes, Anthology of Wisdom contains another five volumes, including Wisdom Collection: The Sin, Vanity,Paradiso and Inferno,Contemplation and Illumination. .Romanian academician Gheorghe Vladutescu, University Professor,D.Phil., philosopher, one of the biggest romanian celebrity in the philosophy of culture and humanism believes about sapiential works of Sorin Cerin in Wisdom Collection:" Sapiential literature has a history perhaps as old writing itself. Not only in the Middle Ancient, but in ancient Greece "wise men" were chosen as apoftegmatic (sententiar) constitute, easily memorable, to do, which is traditionally called the ancient Greeks, Paideia, education of the soul for one's training.And in Romanian culture is rich tradition.Mr.Sorin Cerin is part of it doing a remarkable work of all. Quotes - focuses his reflections of life

and cultural experience and its overflow the shares of others. All those who will open this book of teaching, like any good book, it will reward them by participation in wisdom, good thought of reading them.

Approaching Hawaii Simon and Schuster

The dramatic history of America's tropical paradise The history of Hawaii may be said to be the story of arrivals—from the eruption of volcanoes on the ocean floor 18,000 feet below, the first hardy seeds that over millennia found their way to the islands, and the confused birds blown from their migratory routes, to the early Polynesian adventurers who sailed across the Pacific in double canoes, the Spanish galleons en route to the Philippines, and the British navigators in search of a Northwest Passage, soon followed by pious Protestant missionaries, shipwrecked sailors, and rowdy Irish poachers escaped from Botany Bay—all wanderers washed ashore, sometimes by accident. This is true of many cultures, but in Hawaii, no one seems to have left. And in Hawaii, a set of myths accompanied each of these migrants—legends that shape our understanding of this mysterious place. In Paradise of the Pacific, Susanna Moore, the award-winning author of In the Cut and The Life of Objects, pieces together the elusive, dramatic story of late-eighteenth-century Hawaii—its kings and queens, gods and goddesses, missionaries, migrants, and explorers—a not-so-distant time of abrupt transition, in which an isolated pagan world of human sacrifice and strict taboo, without a currency or a written language, was confronted with the equally ritualized world of capitalism, Western education, and Christian values.

Paradise Beneath Her Feet WestBow Press

Though it is God who prepares each of us for our entrance into eternity, Kenneth Davis, the author of The Offer of Paradise in Our Lifetime, is convicted that this is not a spectator sport, especially in these moments of history. This volume is a Bible and Spirit of Prophecy-based discourse on the role we have in hastening Christ's return and the end of this sin-tarnished planet. Found within these pages is a prayerful and systematic search into the question of what is keeping the Lord's finishing touches of salvation on hold. Many, even within the household of faith, find themselves troubled over the thought of hearing reports indicating that the end has come. While believing in the second coming, the sense of its imminence is frequently a source of hesitation. Could this have something to do with our uncertainty over whether we are ready or not? With that said, good news is coming. Readers will examine how the power of endurance and readiness, available to young and old, is enlarged by an understanding of God's plan of granting His saints today an indispensable role in the timing of the end. This role encompasses unity on simple but specific commitments of faith. Our reward will be the privilege of claiming the promise of His return within our lifetime as a reality, not speculative sensationalism. This privilege includes a precursor—cooperating with and being filled by the Holy Spirit to an unprecedented measure—that we may ultimately reflect the image of God and more effectively draw a countless multitude from every nation, kindred, and tribe into His fold.

FACT: In September 1964, the Beatles, their private flight diverted by Hurricane Dora, made an unplanned visit to Key West. FICTION: Poolside at their motel, the Fab Four fell into conversation with a snappy-dressing local named Bert the Shirt, who listened as the band worked out a harmony to the most

beautiful song he'd ever heard--and wouldn't hear again for over half a century. **FACT:** That night, the Beatles played an unannounced free concert in the motel bar. Everyone was welcome. Local musicians showed up with guitars and keyboards, and had the once-in-a-lifetime experience of jamming with the Beatles till 4 am. This legendary event has forever after been known to Key West locals as **THE PARADISE GIG.****FICTION:** Next day, hung over and exhausted, the Beatles left for the airport, having somehow lost a stained and battered notebook that held a priceless stash of unrecorded songs. **NOW CUT TO THE PRESENT:** A beautiful woman is doing a yoga headstand on a Key West beach when she's abducted by a pair of thugs. An aspiring young singer is offered a recording deal that seems a bit too good to be true. Bad things happen to a couple of one-hit wonders...And old Bert hears a new song that is hauntingly familiar, but that he can't quite place. Could it possibly be the same song he'd heard at poolside so many years before? Could it be that all the present mayhem circles back through the decades to **THE PARADISE GIG?** Could the precious, even sacred, Beatles notebook possibly turn up after all these years? Could Bert be the hero who would rediscover that stash of unheard songs for music lovers everywhere--and save a young singer's life in the process? With Nacho, his intrepid Chihuahua, at his side, and with no one but bumbling detective Pete Amsterdam for an ally, the undaunted Bert the Shirt sets out through the Florida haze to piece it all together, learning along the way how much the world has changed--and how much it has not. In equal parts suspenseful and nostalgic, funny and romantic, this time-bending caper celebrates the power of music and the many tricks of memory, the joys of youth and the comforts of age, and the free and funky spirit of Key West.

An Autobiography, Drawn from Her Lifetime Writings

Author House

Now with a new Preface and Afterword by the author

"Outstanding . . . [Isobel Coleman] takes us into remote villages and urban bureaucracies to find the brave men and women working to create change in the Middle East."—Los Angeles Times In this timely and important book, Isobel Coleman shows how Muslim women and men across the Middle East are working within Islam to fight for women's rights in a growing movement of Islamic feminism. Journeying through Saudi Arabia, Iraq, Iran, Afghanistan, and Pakistan, Coleman introduces the reader to influential Islamic feminist thinkers and successful grassroots activists working to create economic, political, and educational opportunities for women. Their advocacy for women's rights based on more progressive interpretations of Islam are critical to bridging the conflict between those championing reform and those seeking to oppress women in the name of religious tradition. Socially, culturally, economically, and politically, the future of the region depends on finding ways to accommodate human rights, and in particular women's rights, with Islamic law. These reformers—and thousands of others—are the people leading the way forward. Featuring new material that addresses how the Arab uprisings and other recent events have affected the social and political landscape of the region, *Paradise Beneath Her Feet* offers a message of hope: Change is coming to the Middle East—and more often than not, it is being led by women. Praise for *Paradise Beneath Her Feet* "Clearly written, deeply moving, and wonderfully enlightening."—Reza Aslan, author of *No god but God* "[An] engrossing portrait of real Muslim women that reveals

how Islamic feminists . . . are working with and within the culture, rather than against it . . . to forge 'a legitimate Islamic alternative to the current repressive system.' Coleman doesn't diminish the enormity of the struggle, but she argues convincingly that it might yet rewrite Islam's future."—Publishers Weekly (starred review) "A nuanced view of Islam's role in public life that is cautiously hopeful."—The Economist "Eye-opening . . . Deeply religious, profoundly determined and modern in every way, these are twenty-first-century women bent on change. Hear them roar and see a future being born before our eyes."—Booklist

A Lakes Vision Quest : a Lifetime Trek to Visit All the Lakes in Rocky Mountain National Park Univ of California Press

"How do you want your eggs?" "Fertilized." I don't like to think about my past. Absent father, train wreck mother, and then there's my twin sister who belongs on an episode of Jerry Springer. They're the poster children for complicated, and I want nothing to do with that kind of life. That's why I left Ohio and started over in Boston, never looking back. Because running away and living in denial is totally an acceptable way of adulting. That way I don't have to admit that very bad thing I did to the guy I'd been in love with since the day we were born. I didn't mean to deceive him that way. It was an honest mistake. But still, the past is in the past, and that's where it'll stay. If I work hard enough, I can outrun the family legacy, as well as my terrible secret. But suddenly, the past is no longer in the past. He's standing right in front of me, in this bar in Boston, looking hotter than ever. And hell, he's a doctor, like he always said he'd be. I think an ovary just exploded. I'm wearing leather pants, no bra, and I've had way too much tequila. This could get complicated. *Paradise by the Dashboard Light* is a stand-alone closed-door friends-to-lovers romantic comedy with heat, tension, and interesting family dynamics.

Anthology of Wisdom Xlibris Corporation

When an entrepreneur and an Army reservist end up in their own reality show fauxmance, they have to decide whether their love exists just for the cameras...or if it's for real in this warmhearted romance, perfect for foodies and wine lovers! Bryn Aquino, the former manager of a Filipino restaurant, knows the value of hard work. With a shiny new MBA in tow and an investor, she's ready to start her own business: a culinary retreat where visitors can relax, cook, and enjoy life's simple pleasures. Dubbed *Paraiso Retreats*, she leases the childhood home of army reservist Mitchell Dunford—who returned from Afghanistan to revive his family's vineyard—but finds herself in a bind when her investor pulls out of the business. When the retreat catches an internet live stream producer's eye through social media channels, Bryn is offered the opportunity of a lifetime—to document her journey in exchange for a hefty paycheck. Excited, Bryn happily agrees to the arrangement...only to find out that she's going to have to fake an onscreen romance with her indifferent landlord in order to keep her audience interested. As Mitchell and Bryn put on a show for the cameras, they find their romance isn't hard to fake. They've got more in common under their bluster, banter, and doubts. As their relationship heats up and the cameras keep rolling, the line between show and reality blurs. And when the pressures of family, business, and the audience stack against them, will their romance survive internet stardom? Or was it just for show?
