Heyden & Son

Excerpt from Status of Thermal Analysis: Proceedings of a Symposium on the Current Status of Thermal Analysis Held at Gaithersburg, Maryland, April 21-22, 1970 This series of papers was presented at a Symposium on Current Status of Thermal Analysis as part of a joint effort to focus attention on the recent trends and needs. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the

work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
