Hold on My Heart 12-Story Library
For people living in the American colonies, a holiday was a rare thing indeed. Life in colonial times was difficult, and there was little time available for leisure activities like holidays and celebrations. Some of the holidays that the colonists did celebrate, such as Pinkster and Simnel Sunday, have disappeared from the nation's calendar. Others, however, such as New Year's Eve and St. Patrick's Day, have evolved into widely celebrated events. The colonists would also gather for weddings, funerals, and bees, at which they would help one another build a house, peel apples, or haul away stones. The Building America series tells the story of the early years in which Europeans colonized America and then struggled to make the land an independent nation. Holidays and Celebrations in Colonial America highlights the lighter side of life not only for the colonists, but also for some of the Native American peoples of that era.

A Novel CreateSpace

Takes readers on a historical journey with 12 engaging chapters about the Vietnam War. With colorful spreads featuring the war's critical moments, key players, and lasting effects paired with interesting sidebars, questions to consider, and a timeline, the book provides a holistic view of the event.

Harbor Me Mitchell Lane Publishers, Inc.
One of the first American colonies was New Netherland, established by the Dutch government of the Netherlands more than 160 years before the American Revolution. New Netherland

encompassed all of New York, and parts of New Jersey, Connecticut, and Delaware. Early explorers charted land and waterways and claimed them for the Netherlands. They also discovered a profitable trade in furs with Native American tribes. Already successful in trade with Asia, the Dutch established the West India Company to invest in the trade opportunities in America. One of the first things they did was to encourage settlement in New Netherland. People from throughout Europe took advantage of settling in the new colony. According to one governor, Peter Stuyvesant, eighteen different languages were spoken in New Netherland. The Dutch and British had long disagreed about boundaries. These disagreements led to three Anglo-Dutch Wars. In the end, the British took control of New Netherland and renamed it New York. But the Dutch influence on the colony and its people continued.

Le Grand Canyon National Park is like an open window to Earth's geologic history, showing a cross-section of the Earth's crust from millions of years ago. See for yourself how grand and beautiful this gorgeous gorge really is.

The Fall of the Berlin Wall Montlake
Romance

English nobleman George Calvert wanted to establish a colony in the New World—not one like his first colony, Newfoundland, which he found to be too cold. Instead he wanted land in the temperate Chesapeake Bay area, where his colonists could grow tobacco. King Charles I granted his wish. Named for Henrietta Mary, Charles's wife, the new colony of Maryland was established in 1634. Also known as Lord Baltimore, Calvert was a Catholic at a time when

Protestants controlled the English government. He wanted Maryland to be a place where Catholics—and anyone else—could worship in freedom. As the British crown was passed through its heirs, favoring Protestants, then Catholics, then Protestants again, Maryland felt the ripples of unrest on its side of the Atlantic. Follow the story of how Maryland came to be a colony and how it fought for its borders with Virginia and Pennsylvania. Find out how in the end, it pulled together with those and the other colonies first to repel the encroaching French, and then to shrug off the tyranny of England.

A Welcome Gift A&C Black

The *White House for Kids* provides an intriguing, in-depth history of the White House and its role as a home, an office, and a powerful symbol of the United States, making it a unique resource for kids visiting Washington D.C. with their family or class and those studying American history, presidential history, and American government. Through numerous primary sources and kid-friendly anecdotes, the history of the building is detailed including the many renovations and redecorations made over the years, and the daily lives of the White House's inhabitants are illuminated including presidents and their families as well as the enormous staff that makes the White House run smoothly. Kids will learn that George Washington never slept in the White House and Abraham Lincoln never slept in the Lincoln Bedroom; why the Trumans had to move out of the White House for three years during Harry Truman's presidency; which president's daughter held her high school prom in the White House; the evolving layout of floors and rooms including today's, and much more. Crosscurricular activities

allow readers to walk in the footsteps of presidents and those around them.

Readers can play key passages of "Hail to the Chief" and practice signing a bill the way presidents do, as well as make White House Punch and re-create an aerobic game designed for President Hoover. Katherine House was born in Washington, DC, and grew up in nearby Arlington, Virginia. She is the author of *Lighthouses for Kids* and has written articles about US and Iowa history for children's magazines including *AppleSeeds*, *Cobblestone*, and the *Goldfinch*.

12 Things to Know Silk Scarf Publishing
Delaney Masterson has famous parents and a reality TV show, but she's not the wild-child celebrity the paparazzi have painted her to be. Until an old boyfriend releases a private video, and her name becomes every comedian's favorite punch line. To escape the media, she sneaks away to Bell Harbor, Michigan... during the worst winter in fifty years. Adventure show cameraman Grant Connelly has stayed away from Bell Harbor until a family obligation converges with a spontaneous career decision. When bad weather, missing money, honky-tonk musicians, and Elvis impersonators throw Grant and Delaney together on an unexpected road trip, can they weather the storm?

My Kind of Forever Core Content
Social Studies Le

A wild, sexy, and heart-filled adventure of two strangers who meet in the most unlikely of places. This laugh out loud and heartwarming romantic comedy from bestselling author Meghan Quinn will keep you on the edge of your feet as you fall in love with the second book in the *Dating by Numbers* Series. ****CAN BE READ AS A STANDALONE**** I don't know what love is anymore. Well, that's not

entirely true, but I'm going to tell you a little secret: I've lost the spark. You know the kind of spark I'm talking about? Where butterflies take flight in your stomach from two hands innocently colliding. Or catching your breath when you first meet someone attractive. Yeah, that spark. Except I haven't felt that feeling in forever; there is nothing left inside of me. Normally, this wouldn't be a problem--but I'm a writer on a serious deadline, and my editor is breathing down my neck for a romantic, Nicholas Sparks type love story. No pressure, right? That's how I find myself flying across the country to crash a wedding in the name of research, dress and heels stuffed into my small suitcase. It should be the easiest book research ever. Drinking some free champagne, basking in the love of two strangers, and tapping into my romantic side. That'll be a breeze. I'm a pro. I can handle this. Until I mistakenly end up in the wrong hotel room, naked as the day I was born, with the sexiest human I have ever met staring me down, wondering what I'm doing taking a shower in his bathroom. I don't think calling it "research" will get me out of this mess. But it will make for one hell of a story.

Secret/Forbidden Small Town Romance
Vintage

This title examines the bombing of Pearl Harbor, focusing on the events leading up to the attack, a detailed account of the attack itself, and the effects the attack had on the United States. Compelling narrative text and well-chosen historical photographs and primary sources make this book perfect for report writing. Features include a glossary, a selected bibliography, websites, source notes, and an index, plus a timeline and essential facts. Aligned to Common Core Standards and

correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Treasure Island Chicago Review Press Examines the events of the Persian Gulf War in 1990 from Iraq's invasion of Kuwait in early August to the ceasefire on Thursday February 28 1991.

The White House for Kids Bell Harbor Novels

Wall Street Journal bestselling author Tracy Brogan is back with a sweet, hilarious series about family, forgiveness, and what it means to go back home. Emily Callaghan never expected to spend another summer on Wenniway Island. Yet here she is, back in her quaint northern Michigan hometown of Trillium Bay, divorced, flat broke, and dragging along her precocious twelve-year-old. It's a simple arrangement: Emily, a house flipper, will renovate one of her grandmother's rental properties in exchange for a much-needed loan. Once a wild child, the reformed Emily also hopes to remodel her reputation and show her family she's all grown up. But coming home is never simple. Emily's dad is more distant than ever. Her younger sister is dating a much older man, and Emily's worried it's a mistake. The cottage remodel grows increasingly daunting. And then there's handsome out-of-towner Ryan Taggart... Ryan has his own family drama. A smart, ambitious land developer, he's come to Wenniway to rescue his father from the grips of a new girlfriend and protect their family business. But he's quickly distracted by gorgeous, witty Emily Callaghan. There's no denying the attraction between Emily and Ryan. But will their conflicting interests destroy any chance at love? Or will Emily finally get the chance to rebuild her life—and repair her heart?

Nobody Will Tell You This But Me

Carson-Dellosa Publishing

From Wall Street Journal and USA Today bestselling author Tracy Brogan comes a sweet, funny Trillium Bay romance about moving on, creating your best self, and discovering the true meaning of love. After her scandalous May-December romance comes to an end, baby of the family Lilly Callaghan returns home to Trillium Bay braced for the torrent of "I told you so's" from her sisters and the rest of the tiny island community. Floundering both personally and professionally, she's at an emotional crossroads but determined to figure out her next best steps. When a surprise job offer from her house-flipping sister reacquaints Lilly with handsome, free-spirited Wenniway Island transplant Matt Eastman, Lilly wonders if she's ready for a new romance. Then she meets Hollywood heartthrob Jayden Pierce, who is filming a movie on the island, and she's certain of it--but with whom? She's caught the attention of both men, and both men have caught hers. So what's a girl to do? Earnest Matt shares her love of the close-knit island community, while surprisingly down-to-earth Jayden encourages her to live life outside her comfort zone. As the flirtatious triangle sets the town talking, Lilly must choose: Does she want to plant forever roots in Trillium Bay with Matt? Or follow a man who makes love stories for a living? Two very different men. Two very different futures. But deep down, Lilly knows that only one holds the promise of her kind of perfect.

The Statue of Liberty Penguin

To seal a truce between warring families, sworn enemies Fiona Sinclair and Myles Campbell are set to wed, but Fiona's vow to herself to protect her heart from the man she was raised to hate is more

difficult to keep than she thought.

This Place Rocks Macmillan

There is perhaps no greater symbol of both political oppression and the human spirit of the twentieth century than the Berlin Wall. Built during the height of the Cold War in 1961, the Wall was meant to both stop the number of citizens trying to leave East Germany for the freedoms and opportunities of the West and to prevent people spreading the ideals of democracy from coming in. In the 28

years the Wall stood, it is estimated over 1,000 people were killed trying to escape into West Berlin. In the end, the Wall fell without a shot being fired. As Mikhail Gorbachev was laying the foundations for the peaceful dismantling of the Soviet Union, the people of East Berlin and East Germany began demanding their city and country be freed from Soviet occupation. Finally, in November 1989, the Wall was torn down and Germany was once again reunited. This is the story of the dark rise and the eventual uplifting triumph over the Wall that split not only a city and nation, but friends and families.

Crazy Little Thing

How Little Things Can Make a Big

Difference Mitchell Lane Publishers, Inc.

From neighbors to friends to lovers? All the makings of a risky second-chance romance by USA Today and Wall Street Journal bestselling author Tracy Brogan. Since Carli Lancaster's divorce, she's worked hard to keep life as normal as possible for her daughters. When she lands a job as cohost of a local morning show, it looks like a fresh start. So does the arrival of a handsome new neighbor, who has more in common with Carli than just a property line. Ben Chase is also new to single parenthood. And like Carli, he's focused on the future. From

navigating neighborhood gossip to decorating for holidays to reaching out in times of trouble, they quickly learn to rely on each other. Just like a couple but without the complications of coupling! Sure, there's attraction. They're only human. But they're also friends, and who wants to ruin a perfect relationship with romance? They're both thinking about adding some perks, though, and even if their new normal isn't perfect, it's definitely somewhere in the neighborhood.

My Kind of Perfect Seal Press

In *Statue of Liberty*, readers will explore the location and meaning of the colossal copper statue that stands tall on Liberty Island in New York Harbor. This 16-page book uses colorful images and informative text to introduce Lady Liberty, and it also explains why she is recognized as such an important symbol of freedom in the United States. The *Visiting U.S. Symbols* series for prekindergarten through grade 2 introduces young readers to important U.S. symbols and their locations, while also exploring the history and significance of each. By using language that early readers can understand, these colorful pages capture a child's attention while offering an in-depth look into some of America's most prized symbols
