The Brethren Flying Turtle (with Cricketmash)

The Instant USA Today Bestseller! One of Marie Claire's most anticipated romances of 2021! One of Cosmopolitan's most anticipated fall books of 2021! A BuzzFeed Best Summer Read of 2021! Going toe-to-toe with a brooding Scotsman is rather bold for a respectable suffragist, but when he happens to be one's unexpected husband, what else is an unwilling bride to do? London banking heiress Hattie Greenfield wanted just three things in life: 1. Acclaim as an artist. 2. A noble cause. 3. Marriage to a young lord who puts the gentle in gentleman. Why then does this Oxford scholar find herself at the altar with the darkly attractive financier Lucian Blackstone, whose murky past and ruthless business practices strike fear in the hearts of Britain's peerage? Trust Hattie to take an invigorating little adventure too far. Now she's stuck with a churlish Scot who just might be the end of her ambitions.... When the daughter of his business rival all but falls into his lap, Lucian sees opportunity. As a self-made man, he has vast wealth but holds little power, and Hattie might be the key to finally setting long-harbored political plans in motion. Driven by an old desire for revenge, he has no room for his new wife's apprehensions or romantic notions, bewitching as he finds her. But a sudden journey to Scotland paints everything in a different light. Hattie slowly sees the real Lucian and realizes she could win everything--as long as she is prepared to lose her heart.

Memoir of a Pitcher for the All-American Girls Professional Baseball League Penguin

How champions win and how they can be beaten. *A League of Their Own* provides readers with a closer look at the FIFA Club World Champions, such as FC Barcelona, Bayern Munich, Real Madrid and Manchester City. Readers will catch a glimpse into the history of these clubs while also learning about the individual philosophies of some of the top coaches. This book discusses different tactical philosophies as well as how these tactical approaches have been adjusted by some of soccer's greatest coaches, such as Pep Guardiola, José Mourinho, Luis Enrique, and Louis van Gaal. Finally, readers will be taken through case studies of each individual team with a step-by-step analysis of how these tactical setups are successful and how they can be exploited. Each case study will provide a discussion of how each team sets up when in attack, defending, and in transition. Not only addressing how and why these tactical setups are powerful, this book also breaks down and specifies just how lesser teams can exploit the subtle weaknesses by adjusting their attacking, defending, and transition strategies. Winning the tactical battle on the pitch creates endless

possibilities, and perhaps evens the playing field to continue intrigue of the game.

Poetry and Truth from My Own Life John Wiley & Sons

"With her sterling debut, Evie Dunmore dives into a fresh new space in historical romance that hits all the right notes."—Entertainment Weekly A stunning debut for author Evie Dunmore and her Oxford suffragists in which a fiercely independent vicar's daughter takes on a powerful duke in a fiery love story that threatens to upend the British social order. England, 1879. Annabelle Archer, the brilliant but destitute daughter of a country vicar, has earned herself a place among the first cohort of female students at the renowned University of Oxford. In return for her scholarship, she must support the rising women's suffrage movement. Her charge: recruit men of influence to champion their cause. Her target: Sebastian Devereux, the cold and calculating Duke of Montgomery who steers Britain's politics at the Queen's command. Her challenge: not to give in to the powerful attraction she can't deny for the man who opposes everything she stands for. Sebastian is appalled to find a suffragist squad has infiltrated his ducal home, but the real threat is his impossible feelings for green-eyed beauty Annabelle. He is looking for a wife of equal standing to secure the legacy he has worked so hard to rebuild, not an outspoken commoner who could never be his duchess. But he wouldn't be the greatest strategist of the Kingdom if he couldn't claim this alluring bluestocking without the promise of a ring...or could he? Locked in a battle with rising passion and a will matching her own, Annabelle will learn just what it takes to topple a duke.... "There is nothing quite so satisfying as seeing such a man brought to his knees by a beautiful woman with nothing to her name except an inviolable sense of her own self-worth."—NPR

A Tale Of The Crusades Black & White Publishing

Follows the adventures of the teen superheroes as they fight Mighty Endowed, Tora, and a slew of other supervillains.

New Outlook Citadel Press

Could the absence of the Dark Knight mean the end of the Outsiders? Collects *Batman & the Outsiders #8-12*.

Fantasy Football League McFarland

Jennie Paul is the only daughter of Baseball Hall of Fame nominee, and former New York Yankees owner and President, Gabe Paul. An experienced sports reporter in her own right, Jennie is a keen observer whose unique view, combined with never-before seen excerpts from her father's diaries, gives a new perspective on the tumultuous world of 1970s Yankees baseball. Her struggle to find her

place in that world - and in her father's life - played out on the field known as "The Bronx Zoo." The Yankee Princess is for every father who wants to be closer to his daughter, and for every daughter who lovingly tries to understand her father. The Centennial Edition is a special gift-quality hardback book honoring the 100th anniversary of Gabe Paul's birth, and includes materials not found in the softback version.

A League of His Own Little, Brown Books for Young Readers

Fantasy Football League guides students as they set up and operate their own fantasy football league for their friends. The considerate text includes easy-to-follow lists and will hold the readers' interest, allowing for successful mastery and comprehension. Written with a high interest level to appeal to a more mature audience, these books maintain a lower level of complexity with clear visuals to help struggling readers along. A table of contents, glossary with simplified pronunciations, and index all enhance achievement and comprehension.

Born of Night Text Publishing

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The *Poisonwood Bible* was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

"Valuable...important...recommended"--Choice "Heaphy and May deepen the historical record on the nation's pastime...ample cross references"--Library Journal "Unique...commendable...valuable"--Reference Reviews "Remarkably comprehensive"--Feminist Collections Women have been involved in baseball from the game's early days, in a wide range of capacities. This ambitious encyclopedia provides information on women players, managers, teams, leagues, and issues since the mid-19th century. Players are listed by maiden name with married name, when known, in parentheses. Information provided includes birth date, death date, team, dates of play, career statistics and brief biographical notes when available. Related entries are noted for easy cross-reference. Appendices include the rosters of the World War II era All American Girls Professional Baseball League teams; the standings and championships from the AAGPBL; and all women's baseball teams and players identified to date.

Batman & the Outsiders Institute of Public Administration of Canada

THE MOVING SAGA OF RACHEL CAMPBELL AND HER FAMILY CONTINUES... It's October 1954 and life in post-war Britain is slowly starting to return to normal. For Rachel Campbell, however, her family is proving to be a constant challenge. As her children grow older and start families of their own, Rachel must help them learn the often difficult lessons of life. Back from his National Service in Korea, Sam quickly rises through the police force, but soon finds himself in competition with his younger brother

Paul. Meanwhile, Carrie realises that the joys of marriage may not create the easy life she had hoped for. And on what feels like the other side of the world, Rachel's eldest daughter Hannah faces the harsh realities of life on a Hebridean island. Through blessings and tragedies, streaks of luck and blows of misfortune, the Campbells will face their most trying days. But when surprising news brings the opportunity for redemption, can the family learn to put the past behind them? Millie Gray once again brilliantly recreates the atmosphere of the era with all the hardships and struggles as well as the fun, warmth and humour of everyday life.

Out of Their League Independently Published

They were the murder league, a group dedicated to committing any murder for anyone. For the small sum of one thousand pounds, the group would perform the killing for whatever the reason—love, hate, money, fun. All the client had to do was drop a line in their post box and the deal was done. The murder league, three former mystery writers, performs their dispatches with a cool demeanor and the utmost dignity, with only their goal of ten heads on their minds. Soon the spice has returned to their lives, but that is until everything begins to go wrong. Join this lovable group of vigilantes as they spiral into a world where committing murder is never as easy as writing about it.

Portrait of a Scotsman Penguin

Maleeka suffers every day from the taunts of the other kids in her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?

League of Liars Citadel Press

Special Centenary Edition. The centenary year of 2017 for this legendary team saw them recognised in the most magnificent way and a happy ending for these pioneering Lancashire Lassies has finally been achieved. They were honoured with the first Blue Plaque in the world for a women's football team.

The Skin I'm in Houghton Mifflin

This sequel to 'In a Class of their Own' continues the story of Rachel Campbell and her family. Millie Gray once again recreates the atmosphere of the post-war era with all the hardships and struggles as well as the fun, warmth and humour of everyday life.

This novel by Sir H. Rider Haggard, is a classic tale of love and chivalry, unfolding amidst the touching story of two English knights who are in love with the same maiden. The devotion of these men is tested as they are thrust into epic crusader battles.

My Own Story McFarland

The Essays of Michel de Montaigne (1877) is a collection of essays and letters by Michel de Montaigne. Originally published in French as *Essais* (1580), this edition was translated by English poet Charles Cotton in the late-17th century and republished by William Carew Hazlitt, the grandson

of renowned English essayist and critic William Hazlitt. "No man living is more free from this passion [of sorrow] than I, who yet neither like it in myself nor admire it in others, and yet generally the world, as a settled thing, is pleased to grace it with a particular esteem, clothing therewith wisdom, virtue, and conscience. Foolish and sordid guise!" In his masterful essays, Michel de Montaigne eschews the typical distancing required of the authorial voice in order to investigate public matters through a personal lens. As the subject of his own musings, he provides both a stirring self-portrait and an invaluable new voice that will resonate throughout Western literature. Unlike the Enlightenment thinkers who would follow in his footsteps, Montaigne is skeptical of the possibility of human certainty and takes an ethical stand against the European colonial project in the Americas and elsewhere. At times serious, at others tongue-in-cheek, his wide-ranging topics include conscience, politics, sorrow, solitude, fear, friendship, war, and poetry. The Essays of Michel de Montaigne were written at a crossroads in human history—between Renaissance and Enlightenment, Catholicism and Protestantism, Montaigne argues that to look outward requires we first look within, and that the quest for happiness requires us to accept what we cannot know. With a beautifully designed cover and professionally typeset manuscript, this edition of The Essays of Michel de Montaigne is a classic of French philosophy reimagined for modern readers.

[A League of Their Own](#) Graphic Arts Books

"Dr. Williams set out to answer a question from her students who asked her for real life examples of how sports made a larger difference in women's lives. This book is the result of that research and

readers will be amazed and inspired by the stories they read. There can be no doubt after reading about the careers of the players that their lives were transformed. With a focus on economics, travel, education and patriotism readers will never again wonder about the transforming power of sports."--Leslie Heaphy, Kent State University at Stark, editor of Encyclopedia of Women and Baseball. The hit 1992 film *A League of Their Own* made the All-American Girls Professional Baseball League famous. But the players' stories remain largely untold. The 600 women who played for the AAGPBL through the 1940s and 1950s enjoyed a rare opportunity to lead independent lives as well-paid professional athletes. Their experiences in the league led many to education and careers they never imagined. The league's greater mission was saving America's pastime as millions of men fought in World War II. This sense of commitment to a larger cause stayed with the players throughout their lives. As teachers, coaches and role models, they strove to broaden the horizons of girls and young women. Many continued to be involved in athletics, supporting the efforts leading to Title IX and the women's sports revolution. Today, they are dedicated to preserving the history of women in baseball and creating opportunities for girls to play.

[In A League Of Their Own](#) Macmillan

From a multiple New York Times best-selling author, the rollicking, outrageous story of the United States Football League, a bona fide professional sports phenomenon full of larger-than-life characters and you-can't-make-this-up stories featuring some of the biggest celebrities and buffoons in the game.
