A Touch of Light Rob J. Hayes

From the international bestselling author of the Broken Empire Trilogy, the thrilling conclusion to the Red Queen's War... All the horrors of Hell stand between Snorri ver Snagason and the rescue of his family, if indeed the dead can be rescued. For Jalan Kendeth, getting out alive and with Loki's key is all that matters. Loki's creation can open any lock, any door, and it may also be the key to Jalan's fortune back in the living world. Jalan plans to return to the three w's that have been the core of his idle and debauched life: wine, women, and wagering. Fate, however, has other plans, larger plans. The Wheel of Osheim is turning ever faster, and it will crack the world unless it's stopped. When the end of all things looms, and there's nowhere to run, even the worst coward must find new answers. Jalan and Snorri face many dangers, from the corpse hordes of the Dead King to the many mirrors of the Lady Blue, but in the end, fast or slow, the Wheel of Osheim always pulls you back. In the end, it's win or die.

Forever shamed for family actions a century earlier, Antiquity Grey is a young woman living in a far-future city of Erth. It is a life of danger and hardship, dragons and advanced technology. But

Holy Sister 47North

Already a publishing sensation in England, *The Red Wolf Conspiracy* marks the debut of a remarkably gifted young writer. Robert V. S. Redick has been compared to Philip Pullman, George R. R. Martin, and China Miéville, among others, and like them he is a spellbinding storyteller, unafraid to sail his imagination into uncharted waters. With *The Red Wolf Conspiracy* he launches the first book of a trilogy destined to take its place among the classics of epic fantasy. The Imperial Merchant Ship *Chathrand* is the last of her kind. Six hundred years old, the secrets of her construction long forgotten, the massive vessel dwarfs every other sailing craft in the world. It is a palace with sails, a floating outpost of the Empire of Arqual. And it is on its most vital mission yet: to deliver a young woman whose marriage will seal the peace between Arqual and its mortal enemy, the secretive Mzithrin Empire. But the young woman in question—Thasha, the daughter of the Arquali ambassador—has no intention of going meekly to the altar. For the ship's true mission is not peace but war—a war that threatens to unleash an ancient, all-consuming evil. As the dark conspiracy at the heart of the voyage unfurls, Pazel Pathkandle, a lowly tarboy with an uncanny gift, will find himself in an unlikely alliance with Thasha and her protectors: Hercól, a valet who is more than he appears; Dri, the queen of a race of tiny stowaways who have their own

plans for the great ship; and Ramachni, a powerful sorcerer from another world. Arrayed against them are the Chathrand's brutal captain, Nilus Rose; the Emperor's spymaster and chief assassin, Sandor Ott; and the enigmatic Dr. Chadfallow, a longtime friend to Pazel's family whose kind words may hide a vicious betrayal. As the Chathrand navigates treacherous waters to complete its mission, Pazel, Thasha, and their allies—including a singularly heroic rat—must also navigate a treacherous web of intrigue to uncover the secret of the legendary Red Wolf. Praise for *The Red Wolf Conspiracy* “What can I say about a book as exciting and fresh as *The Red Wolf Conspiracy*? I can't remember when I've been so enthralled. Maybe when I first read Philip Pullman. This is one terrific read.”—Terry Brooks “Wonderfully inventive—Robert Redick is an extraordinary talent.”—Karen Miller, author of *The Innocent Mage*

The Girl and the Mountain Penguin

The Girl and the Moon Ace
First in a brand new series from the author of *The Broken Empire Trilogy*. The Red Queen is old but the kings of the Broken Empire dread her like no other. For all her reign she has fought the long war, contested in secret, against the powers that stand behind nations, for higher stakes than land or gold. Her greatest weapon is The Silent Sister?unseen by most and unspoken of by all. The Red Queen's grandson, Prince Jalan Kendeth?drinker, gambler, seducer of women?is one who can see The Silent Sister. Tenth in line for the throne and

content with his role as a minor royal, he pretends that the hideous crone is not there. But war is coming. Witnesses claim an undead army is on the march, and the Red Queen has called on her family to defend the realm. Jal thinks it's all a rumor?nothing that will affect him. But he is wrong?

Kings of the Wyld HarperCollins UK

Earthquake. Drought. Lightning. These are the six Decimates, wielded by sorcerers for both good and evil. But a seventh Decimate exists—the most devastating one of all... For centuries, the realms of Belleger and Amika have been at war, with sorcerers from both sides harnessing the Decimates to rain blood and pain upon their enemy. But somehow, in some way, the Amikans have discovered and invoked a seventh Decimate, one that strips all lesser sorcery of its power. And now the Bellegerins stand defenseless. Prince Bifalt, eldest son of the Bellegerin King, would like to see the world wiped free of sorcerers. But it is he who is charged with finding the repository of all of their knowledge, to locate the book of the seventh Decimate—and reverse the fate of his land. All hope rests with Prince Bifalt. But the legendary library, which may or may not exist, lies beyond an unforgiving desert and treacherous mountains—and beyond the borders of his own experience. Wracked by hunger and fatigue, sacrificing loyal men along the way, Prince Bifalt will discover that there is a game being played by those far more powerful than he could ever imagine. And that he is nothing but a pawn...

In the gripping sequel to Robert V. S. Redick's acclaimed epic fantasy novels *The Red Wolf Conspiracy* and *The Ruling Sea*, the crew of the vast, ancient ship *Chathrand* have reached the shores of the legendary southern empire of Bali Adro. Many have died in the crossing, and the alliance of rebels, led by the tarboy Pazel Pathkendale and the warrior Thasha Isiq, has faced death, betrayal, and darkest magic. But nothing has prepared them for the radically altered face of humanity in the South. They have little time to recover from the shock, however. For with landfall, the battle between the rebels and centuries-old sorcerer Arunis enters its final phase. At stake is control of the Nilstone, a cursed relic that promises unlimited power to whoever unlocks the secrets of its use—but death to those who fail. And no one is closer to mastering the Stone than Arunis. Desperate to stop him, Pazel and Thasha must join forces with their enemies, including the depraved Captain Rose and the imperial assassin Sandor Ott. But when a suspicious young crewmember turns his attentions to Thasha, it is the young lovers themselves who are divided—most conveniently for Arunis. As the mage's triumph draws near, the allies face a terrible choice: to break their oaths and run for safety, or to hunt the world's most dangerous sorcerer through the strange and deadly dream kingdom known as the River of Shadows, and to face him a last time among the traps and horrors of his lair. Brimming with high adventure, dark enchantment, and unforgettable characters, *The River of Shadows* deftly secures Redick's place in

the ranks of epic fantasy's most original and enthralling storytellers.

old races is cast into the Pit of the Missing, never to be seen again. Yaz is only sixteen, but she feels a burgeoning gift and she knows the next gathering will be her last--the priests see everything, and her aberrance will not be tolerated. But then she is spared and her brother is identified as one of the broken and cast down into the pit.

Stunned, awash with guilt and grief, she flings herself in after him. She expects to find death. Instead she finds a sprawling, secret civilization, where survival is even less assured than on the ice plains. And she soon realizes that this underground empire revolves around a great truth--and an even greater evil--that puts all of Abeth in danger.
