Nutrition Chapter 37 (1).docx - Biol 106 10th ... AP: Chapter 37: Plant Nutrition. Two pages of questions provide a brief overview of plant nutrition. Biology or botany brainiacs describe how plants absorb and transport nutrients, they explain the role of different bacteria, and they describe a variety of unusual nutrient gathering practices. Use this as a lecture guide for yourself, or hand it out to your class to take notes on as you coach them through these concepts.
