The Book Thief Simon and Schuster

First published in 1970 to wide acclaim, this harrowing novel digs deep into the lives of Otto and Sophie Bentwood, whose seemingly perfect marriage begins to crack much as post-war society is cracking around them. Reprint.

Revenge of the living dummy. #1 Scholastic Inc.

Matt hates his tiny bedroom. It's so small, it's practically a closet! Still, Matt's mom refuses to let him sleep in the guest room. After all, they might have guests. Some day. Or year. Then Matt does it. Late one night. When everyone's in bed. He sneaks into the guest room and falls asleep. Poor Matt. He should have listened to his mom. Because when Matt wakes up, his whole life has changed. For the worse. And every time he falls asleep, he wakes up in a new nightmare...

"Jillian and Jackson freak out when they suddenly can read people's thoughts. But the trick turns to terror when the twins are stalked by a strange scientist who wants to know exactly what's on their minds. Will the twins ever lead normal lives again?"--Page 4 of cover.

Monster Blood For Breakfast! (Goosebumps HorrorLand #3) The Streets of Panic Park

When Willa's upside-down magic brings rain, the storminess threatens her grades and her friendships.

Goosebumps Horrorland 1-20 Toy Cat Charlesbridge

Sharp turns ahead! All aboard the next-to-last thrill ride in this epic series from fright-master R.L. Stine! And be prepared for the most shocking twists yet. . . . Lizzie and Luke have uncovered secret information about the freaky amusement park. Lizzie wants to help the others, but since the twins don't trust her, they're all in a deadlock. Did someone say DEAD? A trip through the hall of Mirrors lets the kids escape HorrorLand and enter Panic Park. Safe at last! Or are they? Why are there no exits? What's in the Tunnel of Hate? Have they been tricked again?

Take a little Horror home with you! Marco is a diehard fan of The Ooze, a comic book villain with the power to sludge his enemies. So when he finds a super-rare edition at the Chiller House gift shop, Marco is sure he has found something special for his collection. Outside of HorrorLand there are a few other people interested in the comic book. The kinds of people you don't want to mess around with. Like a muscular monster of a man dressed as The Ooze. But if he's only wearing a costume, why does he leave an oily mess everywhere he goes? And why is he following Marco?

The Naughty Nork Albert Whitman & Company

Watch out, Junie B., there's a new kid on the block! It's Freddy Thresher, a 1st grader who knows it's a jungle out there. Here's the fourth in a new series by an elementary teacher who's seen it all. "I have a problem. A really, really, big problem. I want to try out for the peewee hockey team, but so does Max . . ." Bullies are a problem in school, and Max Sellars is the worst one yet. In addition to hassling Freddy, Max also challenges him for the

open spot on the peewee hockey team. Freddy's close friend Jessie is a star hockey player, and she secretly teaches him some rules and tricks. In a warm and funny ending, Max and Freddy make peace with one another, and--in a surprising twist--end up becoming teammates.

Whatever Happened to the World of Tomorrow?, the long-awaited follow-up to Mom's Cancer, is a unique graphic novel that tells the story of a young boy and his relationship with his father. Spanning the period from the 1939 New York World's Fair to the last Apollo space mission in 1975, it is told through the eyes of a boy as he grows up in an era that was optimistic and ambitious, fueled by industry, engines, electricity, rockets, and the atom bomb. An insightful look at relationships and the promise of the future, award-winning author Brian Fies presents his story in a way that only comics and graphic novels can. Interspersed with the comic book adventures of Commander Cap Crater (created by Fies to mirror the styles of the comics and the time periods he is depicting), and mixing art and historical photographs, this groundbreaking graphic novel is a lively trip through a half century of technological evolution. It is also a perceptive look at the changing moods of our nation-and the enduring promise of the future. Praise for Whatever Happened to the World of Tomorrow? "A graphic novel that looks like TV's "Futurama" bred with The Golden Age of Comic Books, Whatever Happened to the World of Tomorrow? is at times charming, at times sad and foreboding, and always thought provoking." —Air & Space Smithsonian "A hopelessly optimistic moon-age daydream"—The Village Voice "An exceptional and highly engaging experience." —The Miami Herald "Whatever Happened To The World Of Tomorrow is a very special book that will speak to you on so many levels. And at the end of it, when you sit there and think on what you've just read, it may even make you, like it did me, realise that Fies' vision of our past and his hope for the future is something we can all share in. Quite brilliant."—Richard Bruton, forbiddenplanet.co.uk F&P level: Y

Luke, Lizzy, and the other children have escaped HorrorLand, but to get out of Panic Park, where they are now trapped, they must join forces with an old enemy to defeat a villain named The Menace and overcome a friend's treachery.

Slappy New Year! (Goosebumps HorrorLand #18) Scholastic Paperbacks

One October morning, Laina gets the news that her brother has been shot and killed by Boston cops. But what looks like a case of police brutality soon reveals something much stranger. Monsters are real. And they want everyone to know it. As creatures from myth and legend come out of the shadows, seeking safety through visibility, their emergence sets off a chain of seemingly unrelated events. Members of a local werewolf pack are threatened into silence. A professor follows a missing friend's trail of bread crumbs to a mysterious secret society. And a young boy with unique

abilities seeks refuge in a pro-monster organization with secrets of its own. Meanwhile, more people start disappearing, suicides and hate crimes increase, and protests erupt globally, both for and against the monsters. At the center is a mystery no one thinks to ask: Why now? What has frightened the monsters out of the dark? The world will soon find out.

It's a whole new ride from master of horror and bestselling author R.L. Stine--with a story so fiendish that it can't be contained to just one book! What should Carly Beth be for Halloween this year? TERRIFIED! Late at night, an ugly green mask is mysteriously calling out to her, and ugly green masks don't like to be ignored. If Carly Beth survives the night, even a scary theme park might sound like a vacation. Or maybe not! At HorrorLand, every night is Halloween. And those monster masks? They aren't masks.

Streets of Panic Park (Goosebumps HorrorLand #12) Abrams

When Grandma was a little girl in Mississippi, she sneaked into town one day. It was a hot day—the kind of hot where a firecracker might light up by itself. But when this little girl saw the "Whites Only" sign on the water fountain, she had no idea what she would spark when she took off her shoes and—wearing her clean white socks—stepped up to drink. Bravery, defiance, and a touch of magic win out over hatred in this acclaimed story by Elevelyn Coleman. Tyrone Geter's paintings richly evoke its heat, mood, and legendary spirit.

Dr. Maniac vs. Robby Schwartz (Goosebumps HorrorLand #5) W. W. Norton & Company
