From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (Denver Post). Antonio Marez is six years old when Ultima comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is Ultima, who delivered Tony into the world... and will nurture the birth of his soul.

[The book] is intended to meet the need for a text to accompany the Advanced Placement Spanish Lanugae course. The overall goal ... is to prepare students to perform at a high level of proficiency in the four basic language skills: listening, speaking, reading and writing. Upon completing the course, students are expected to be able to comprehend formal and informal Spanish, and also speak, read and write cohesively and precisely at the third-year college level. [The authors] have attempted to create a series of exercises that will both meet the general objectives of the course and help the students prepare for the Advanced Placement examination ... Although geared primarily to the AP course and examination, the book is also intended to provide an opportunity for advanced learning. The exercises are desgined not only to review and reinforce students' knowledge, but also to increase their vocabulary and sharpen their grammatical skills. [The book] can be used as a complementary text in any advanced course in Spanish.-Intro.

Written by pioneers in the field, this practical book presents an authoritative yet accessible overview of the methods and applications of causal inference. With a wide range of detailed, worked examples using real epidemiologic data as well as software for replicating the analyses, the text provides a thorough introduction to the basics of the theory for non-time-varying treatments and the generalization to complex longitudinal data.

**Bless Me, Ultima** Barrons Test Prep From the beloved and award-winning author Junot Díaz, a spellbinding saga of a family's journey through the New World. A coming-of-age story of unparalleled power, Drown introduced the world to Junot Díaz's exhilarating talents. It also introduced an unforgettable narrator—Yunior, the haunted, brilliant young man who tracks his family's precarious journey from the barrios of Santo Domingo to the tenements of industrial New Jersey, and their epic passage from hope to loss to something like love. Here is the soulful, unsparing book that made Díaz a literary

sensation.
