This book is a classic exposition of the Christian life. It provides Bible-based answers to a lot of questions, and provides explanations needed to live a constantly victorious life. Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy.

In the midst of a world that seems, sometimes, to be spinning out of control, a world where we witness unspeakable acts of evil on our TV news, a world full of discord, hatred, and great pain, it is easy to get discouraged and feel hopeless. It is a fair question to ask, "Is there hope in the midst of a world like ours?" In this book, *The Power of One Day's Time*, Pastor Chris Slosser answers a resounding yes to this question. In these pages, Pastor Chris shares of numerous biblical characters who were in the midst of great darkness, pain, and hardship like so many of us today, who had a one-day's-time encounter with the Living Lord, Jesus Christ. Many of these characters woke up to what they thought was going to be another horrible, mundane day in the midst of a horrible, mundane life, and then God showed up, and everything changed forever. The good news is that this same Savior is still in the life-changing, eternity-changing business, and he has come to seek and save what is lost (Luke 19:10). At any moment, in one day's time, this same Savior may come on the scene in your life as well and change the whole trajectory of your life, now and always, and that is reason for great and sure hope. Jesus Christ was a miraculous Savior in Bible times, and Jesus Christ is the same yesterday and today and forever (Hebrews 13:8). At any given moment, Jesus Christ may very well have a miracle with your name written all over it.

We live in a society that has largely abandoned moral standards and Christian principles. Unkept campaign promises, false advertising, exaggerated tax exemptions, employee theft--compromise has become a way of life. Such moral concession has even invaded the church. Faced with an opportunity to proclaim Christ to unbelievers, we feel intimidated and keep silent. Or we water down God's Word on ethical issues at work or in our community to avoid rejection. Too often we prefer hypocrisy to integrity. But God longs for His people to be different--to maintain a commitment to His standards, no matter what the cost. Is consistent obedience to God--integrity--attainable in this world of sin and self? By the grace and power of God, yes! One of the nation's most respected pastors points the way to persevering character in Christ. Drawing from scriptural examples of godly men who modeled integrity during severe testing, MacArthur makes a compelling case for the impact a man or woman of integrity can have in our world. A helpful study guide for individuals or groups is included.

Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything.
