MURRAY MAHONEY

Wish You Were Here Ballantine Books

Jackson Watt's senior year should have been a blast. Then Jax's best friend Brady runs away without telling anyone. His mom gets remarried, which means a new family, a new house, and a new role as well-adjusted stepbrother. Not until a life-changing road trip to Graceland does Jax learn to accept the past year—and what it means to grow up.

Wish You Were Here, Liza (Candy Apple #25) Scholastic Inc.

The Mother-Daughter Book Club says bon voyage to Concord and bonjour to France! It's a dream come true for Megan, who's jet-setting to Paris for Fashion Week with Gigi. Meanwhile, back in Concord, Mrs. Wong decides to run for mayor, so Emma and Stewart team up to make her campaign a success. Jess and Cassidy are also hoping for victories, Jess in the a cappella finals with the MadriGals and Cassidy in the national hockey championships with her teammates. In the midst of it all, the girls—along with their Wyoming pen pals, who drop in for a visit over Spring Break—dive into Charlotte Brontë's classic *Jane Eyre*. Some real life romance follows, as Becca may have found a Mr. Rochester of her own. And then there's the matter of a certain wedding. The book club girls, their families, the British Berkeley brothers, and even Annabelle Fairfax (aka Stinkerbelle) will be attending the ceremony, which means there might be some bumps before the bride waltzes down the aisle...

Wish You Were Here Simon and Schuster

Ship to shore! Or whatever that expression is... Yup, still here on this dumb island, and still no sign of rescue. Feels like all we've been doing is hauling firewood around and gathering food. Cleaning up an island is one thing, but this is not what I signed up for! Anyway, now we're planning a dance, if you can believe that. The sky looks a little overcast, but the dance might be fun (even though it was Evil Angela's idea). Especially since I'm trying to figure out whether Josh likes me or not. If only Kenny would stop bugging me, things might be okay. I mean, seriously, what else could go wrong?

Too & Puddle: Wish You Were Here Graffeg

A brilliant romantic comedy exploring beach basics for the broken-hearted from number one bestselling author Mike Gayle. Their holiday brochure said 18-30 . . . But they've just turned 35. After ten years together Charlie Mansell has been dumped by his live-in girlfriend, Sarah. All he wants to do is wallow in misery, but mates Andy and Tom have a better idea: a week of sun, sea and souvlaki in Malia, party capital of the Greek islands. But Charlie and his mates aren't eighteen any more. Or even under thirty. And it shows. It isn't the cheap beer, the late nights or even the fast-food that's the problem. It's girls. And life. And most of all . . . each other. WISH YOU WERE HERE is a heart-warming, funny and wise tale about love and friendship and how seven days in the sun can change your life forever.

Pink Floyd - Guitar Anthology Iron Circus Comics

As our world was racked by military conflicts, governmental scandals, political assassination attempts, and a near-total erosion of the public trust, Pink Floyd emerged victorious, responding to this external dissonance with their ultimate band statement.

Dancing with Daddy Backbeat Books

(Guitar Recorded Versions). 18 of the most memorable songs from Pink Floyd's career in note-for-note guitar transcriptions in notes and tablature, including: Another Brick in the Wall, Part 2 * Astronomy Domine * Brain Damage * Breathe * Comfortably Numb * Have a Cigar * Hey You * Keep Talking * Learning to Fly * Money * On the Turning Away * Pigs (Three Different Ones) * Run like Hell * Shine on You Crazy Diamond (Parts 1-5) * Time * What Do You Want from Me * Wish You Were Here * Young Lust * and more.

I Wish You More Hachette UK

An illustrated collection of poems about traveling and vacations, including "I'm Off to Treasure Island," "If You're Traveling in Transylvania," and "Are We Nearly There Yet?"

If You Were Here Simon and Schuster

* USA TODAY Bestseller * Cosmopolitan September 2017 Pick * Goodreads Best Romance of August 2017 * Hello Giggles "17 Books We Can't Wait to Read" * Charlotte has spent her twenties adrift, searching for a spark to jump-start her life and give her a sense of purpose. She's had as many jobs as she's had bad relationships, and now she's feeling especially lost in her less-than-glamorous gig at a pie-and-fry joint in Los Angeles, where the uniforms are bad and the tips are even worse. Then she collides—literally—with Adam, an intriguing, handsome, and mysterious painter. Their serendipitous meeting on the street turns into a whirlwind one-night stand that has Charlotte feeling enchanted by Adam's spontaneity and joy for life. There's promise in both his words and actions, but in the harsh light of morning, Adam's tune changes, leaving Charlotte to wonder if her notorious bad luck with men is really just her own bad judgment. Months later, a new relationship with Seth, a charming baseball player, is turning into something more meaningful, but Charlotte's still having trouble moving past her one enthralling night with Adam. Why? When she searches for answers, she finds the situation with Adam is far more complicated than she ever imagined. Faced with the decision to write a new story with Seth or finish the one started with Adam, Charlotte embarks on a life-altering journey, one that takes her across the world and back again, bringing a lifetime's worth of pain, joy, and wisdom.

Wish You Were Here Ballantine Books

#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *The Book of Two Ways* comes "a powerfully evocative story of resilience and the triumph of the human spirit" (Taylor Jenkins Reid, author of *The Seven Husbands of Evelyn Hugo* and *Daisy Jones & The Six*) Rights sold to Netflix for adaptation as a feature film • Named one of the best books of the year by *She Reads* Diana O'Toole is perfectly on track. She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art

auction world. She's an associate specialist at Sotheby's now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She's not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their departure, Finn breaks the news: It's all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana's dream vacation goes awry. Her luggage is lost, the Wi-Fi is nearly nonexistent, and the hotel they'd booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local family when a teenager with a secret opens up to Diana, despite her father's suspicion of outsiders. In the Galápagos Islands, where Darwin's theory of evolution by natural selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different.

Wish You Were Here Candlewick Press (MA)

A chronicle of Adams's rise from alt-country to rock stardom, featuring stories about the making of the albums *Strangers Almanac* and *Heartbreaker*. Before he achieved his dream of being an internationally known rock personality, Ryan Adams had a band in Raleigh, North Carolina. *Whiskeytown* led the wave of insurgent-country bands that came of age with *No Depression* magazine in the mid-1990s, and for many people it defined the era. Adams was an irrepressible character, one of the signature personalities of his generation, and as a singer-songwriter he blew people away with a mature talent that belied his youth. David Menconi witnessed most of *Whiskeytown's* rocket ride to fame as the music critic for the *Raleigh News & Observer*, and in *Ryan Adams*, he tells the inside story of the singer's remarkable rise from hardscrabble origins to success with *Whiskeytown*, as well as Adams's post-*Whiskeytown* self-reinvention as a solo act. Menconi draws on early interviews with Adams, conversations with people close to him, and Adams's extensive online postings to capture the creative ferment that produced some of Adams's best music, including the albums *Strangers Almanac* and *Heartbreaker*. He reveals that, from the start, Ryan Adams had a determined sense of purpose and unshakable confidence in his own worth. At the same time, his inability to hold anything back, whether emotions or torrents of songs, often made Adams his own worst enemy, and Menconi recalls the excesses that almost, but never quite, derailed his career. *Ryan Adams* is a fascinating, multifaceted portrait of the artist as a young man, almost famous and still inventing himself, writing songs in a blaze of passion. "Menconi, a veteran music critic based in Raleigh, North Carolina, had a front row seat for alt-country wunderkind Ryan Adams' rise to prominence—from an array of local bands, to *Whiskeytown*, and on to a successful and prolific solo career. Here, Menconi enthusiastically revisits those heady days when the mercurial Adams' performances were either transcendent or tantrum-filled—the author was there for most of them, and he packs his book with tales of magical performances and utterly desperate train wrecks. . . . This interview- and anecdote-laden exposé of the artist's early career will doubtless find a happy home with Adams fans." —Publishers Weekly

Wish You Were Here Ballantine Books

Poorcraft is the essential comic book guide to practical urban and suburban frugality! Whether you're new to independent living, a recent college graduate or just downshifting to a simpler lifestyle, *Poorcraft* can help you with everything from finding a home to finding a hobby, dinner to debt relief, education to entertainment. It's time to cut your expenses! Or just make sure they never pile up.

Creative Haven Wish You Were Here! Coloring Book Penguin UK

A member of the greatest generation looks back on the loves and losses of his past and comes to treasure the present anew in this poignant and thoughtful new novel from a modern master. Stewart O'Nan is renowned for illuminating the unexpected grace of everyday life and the resilience of ordinary people with humor, intelligence, and compassion. In *Henry, Himself* he offers an unsentimental, moving story of a twentieth-century everyman. Soldier, son, lover, husband, breadwinner, churchgoer, Henry Maxwell has spent his whole life trying to live with honor. A native Pittsburgher and engineer, he's always believed in logic, sacrifice, and hard work. Now, seventy-five and retired, he feels the world has passed him by. It's 1998, the American century is ending, and nothing is simple anymore. His children are distant, their unhappiness a mystery. Only his wife Emily and dog Rufus stand by him. Once so confident, as Henry's strength and memory desert him, he weighs his dreams against his regrets and is left with questions he can't answer: Is he a good man? Has he done right by the people he loves? And with time running out, what, realistically, can he hope for? Like *Emily, Alone*, O'Nan's beloved portrait of Henry's wife, *Henry, Himself* is a wry, warmhearted portrait of an American original—a man who believes he's reached a dead end only to discover life is full of surprises.

"You know when you're looking at someone and you can't help but smile at how oblivious they are to their own charm? That's what was happening to me, and it was making me feel...happy. Euphoric. Something indescribable. It was like we already knew each other, like we had met in a previous life. Memories that didn't exist began exploding in my mind like fireworks."--

NEW YORK TIMES BESTSELLER • "Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily's journeys, creating a provocative exploration of the strength that love and acceptance require."—The Washington Post
GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE'S BOOK OF THE WEEK • ONE OF THE BEST BOOKS OF THE YEAR: PopSugar
Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father's beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can't help but fall for him, too. With Ash, she feels happy for the first time. Yet she wonders if she can trust him

completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn't acknowledge the flashes of his father's temper in Ash, and as the case against him unfolds, she realizes he's hidden more than he's shared with her. *Mad Honey* is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves.

Wish You Were Here Ballantine Books

Wish You Were Here Little, Brown Books for Young Readers

Following a family tragedy, siblings Lou and Oz must leave New York and adjust to life in the Virginia mountains--but just as the farm begins to feel like home, they'll have to defend it from a dark threat in this New York Times bestselling coming-of-age story. Precocious twelve-year-old Louisa Mae Cardinal lives in the hectic New York City of 1940 with her family. Then tragedy strikes--and Lou and her younger brother, Oz, must go with their invalid mother to live on their great-grandmother's farm in the Virginia mountains. Suddenly Lou finds herself growing up in a new landscape, making her first true friend, and experiencing adventures tragic, comic, and audacious. When a dark, destructive force encroaches on her new home, her struggle will play out in a crowded Virginia courtroom...and determine the future of two children, an entire town, and the mountains they love.

Wish I Were Here Sourcebooks, Inc.

'In this moment I am perfect. I am free to be whoever I want, and all I want to be is a woman in a red

spotty dress, speeding into her future in a shiny red car.' Raw, sharply funny and heartfelt, *Wish You Were Here* is a girl's own adventure with bite, a hilarious rollercoaster ride that will make you itch to escape the everyday and hit the road with this irresponsible and irresistible adventurer.
