The world has changed and is looking closely at the technology that is changing our lives, but how and why does it affect real estate? "Big Data" is a buzzword that has been at the forefront of many discussions over the past couple of years. "Big Data in Real Estate" is the first book that explains everything from the basics of big data to how people are profiting from this revolution of technology and thought. Big Data is here to stay, and will change the way we live, work and play. The processing of Big Data will help determine who to marry, where to live, where to retire, and what employment opportunities are available. "Big Data in Real Estate" shows you how to harness data to allow you and your company to be proficient and become a millionaire through the efficiencies of Big Data. Whether you're thinking about entering the business or you're a 30-year veteran, this book covers who the players are in big data, technology, and real estate and how people are profiting from it. Throughout the centuries, real estate has been one of the principal ways for building and maintaining wealth. In the era of big data, the game is the same but the rules have changed. "Big Data in Real Estate" shows you how to navigate the Big Data landscape and the business opportunities that have arisen because of Big Data.

Subscribe to our email list to obtain discounts and notifications While there is no doubt that real estate investment is a relatively safe and reliable way to earn a return on an investment, it is also much slower than other types of investments, oftentimes much, much slower than the investor might like. Additionally, it can often be easier to find beginner information, as well as advanced discussion but there is little material linking the two. If you are looking for ways to speed up your real estate rental investments as much as possible, while also learning what you need to become a true expert, then Rental Property Millionaire: The Essential Strategies You Were Never Taught- is the book that you have been waiting for. Part of the Rental Property Millionaire series, this volume concerns itself with everything that those who already have a rental property or two need to focus on in order to take their investments to another level. This comes in the form of a two-pronged approach wherein the first half of the book concerns itself with teaching you ways to get the best deals possible and how to expand your target market. The second half of the book then transitions into a true plan for the long term, discussing the myriad of ways in which turnkey rental properties are the smart choice for those who want to have the time to enjoy all their hard earned money. Turnkey properties are those that are ready to start generating a profit from the moment you purchase them, sometimes they even come with their own tenants, and the secrets for finding the right property for you can be found inside the chapters of this book. It doesn't matter who you are or what your long-term plans for the future happen to be, it is never too early to start investing in your future. Don't let the opportunity to improve your lot in life pass you by without a fight, buy this book today! Inside you will find: One surefire way to ensure you start every negotiation off on the right foot every time The reasons that listening during a negotiation is so important (may not be what you think) The secret to actually finding a profitable listing on the Multiple Listing Service Two different ways driving around your target neighborhood can easily turn a profit Simple ways to find guaranteed motivated sellers in your area that most people are unaware of Everything you are going to want to consider before you go ahead and start looking at commercial property Why turnkey rental properties are the right long-term rental investment solution for you The most surefire way to find an area that is going to turn out profitable real estate in the future The best ways to pick a turnkey rental property company that you can feel confident trusting with your investment The most reliable ways to get a loan for a rental property investment, even if you have a credit score of under 700 or a bankruptcy or other black mark on your record And more For the sake of yourself, your family, and your bank account- TAKE ACTION TODAY AND PURCHASE THIS BOOK!! Well done on making it to this far in life. Did you know? "Ninety percent of all millionaires become so through owning real estate." - Andrew Carnegie By just spending the price of a coffee, you have probably made the highest return investment you will ever made. After all, if you got one or two ideas from this book which allowed you to increase the value of your property investment by \$50,000 then your investment from reading this book would have paid for itself many times over. And if you continue to apply these millionaire property lessons throughout your investment journey; it will continue to pay off again and again. Education is one of those special gifts that keeps on giving year after year. Why property? Property is a favored asset class among New Zealanders, Canadians, Australians, and Americans with about 66% of households owning their own home. Owning property and businesses have made more millionaires than any other asset class. Now not everyone is born to be an entrepreneur and start a business. But everyone can build wealth through property. It is a proven asset class to build wealth, however, this does not mean its risk free. There are still risks involved in investing in property but if you learn these top 10 lessons, you are more likely to avoid mistakes and be a successful investor. "It's said that a wise person learns from his mistakes. A wiser one learns from others' mistakes. But the wisest person of all learns from others' successes." So that's what this is about: to share with you the top ten lessons that will help you build a multi-million property portfolio.
