## BAKER DEACON

*IEEE Pulp and Paper Industry Technical Conference Record*  
 Institute of Electrical & Electronics Engineers(IEEE)  
 The PPFIC TECHNICAL PROGRAM is developed over the course of  
 a 2 year period by dedicated members of the IAS Pulp & Paper  
 Industry Technical Committee The objective of the Technical  
 Committee is To advance the theory and practice in the electrical  
 field as related to the design and management of electrical  
 systems within the pulp, paper and forest products industry Our  
 committee is comprised of five subcommittees, each with domain  
 expertise in specific industry applications

 and Paper Industry Technical Conference  
 The Pulp and Paper Technical Operations Committee (PPIC) is a  
 technical committee of the Process Industries Department (PID)  
 of the Industry Applications Society (IAS) of the Institute of  
 Electrical and Electronics Engineers (IEEE) The objective of the  
 Pulp and Paper Technical Committee is To advance the theory  
 and practice in the electrical field as related to the design and  
 management of electrical systems within the pulp and paper  
 industry  
[IEEE Annual Pulp and Paper Industry Technical Conference](#) IEEE  
 Technical papers that cover a wide range of subjects relevant to  
 the Pulp and Paper Industry are presented

Maintenance and construction of pulp and paper facilities

**2013 59th IEEE Pulp and Paper Industry Conference (PPIC 2013) IEEE**

This is the premier technical conference for Electrical Professionals supporting Forest Products based industries (Pulp, Paper, Packaging, Board, Tissue, and Building Products) to learn about solutions to real mill needs, network with industry professionals, and learn about the application of electrical technology specific to this industry. A variety of papers will be presented on subjects such as control, power distribution, safety, and maintenance. During the breaks, there will be an opportunity to view exhibits from several industry suppliers.

**Conference Record of 2021 IEEE IAS Pulp and Paper Industry Conference (PPIC)**

The PPIC TECHNICAL PROGRAM is developed over the course of a 2 year period by dedicated members of the IAS Pulp & Paper Industry Technical Committee. The objective of the Technical Committee is to advance the theory and practice in the electrical field as related to the design and management of electrical systems within the pulp, paper and forest products industry. Our committee is comprised of five subcommittees, each with domain expertise in specific industry applications.

2019 IEEE IAS Pulp, Paper and Forest Industries Conference (PPFIC)

consideration in the authoring and submission of a technical paper for the IEEE (Institute of Electrical and Electronics Engineers) Pulp, Paper & Forest Industries Committee (PPFIC).

This is an annual conference for non-commercial presentations of

technical paper at the IEEE Pulp, Paper & Forest Industries Committee's Annual Conference. The 2019 event will be held in Jacksonville, Florida area.
