Spiritual Disciplines for the Christian Life

Moody Pub

“God has appointed preaching in worship as one great means of accomplishing his ultimate goal in the world.” —John Piper John Piper makes a compelling claim in these pages about the purpose of preaching: it is intended not merely as an explanation of the text but also as a means of awakening worship by being worship in and of itself. Christian preaching is a God-appointed miracle aiming to awaken the supernatural seeing, savoring, and showing of the glory of Christ. Distilling over forty years of experience in preaching and teaching, Piper shows preachers how and what to communicate from God’s Word, so that God’s purpose on earth will advance through Bible-saturated, Christ-exalting, God-centered preaching—in other words, expository exultation.

Alone With God Worship

For over 30 years trusted pastor and teacher John MacArthur, Jr. has delivered practical, Biblical insights for helping Christians grow in their own journey of faith. Now David C Cook is offering the very best of John MacArthur Jr.'s Christian living titles in a repackaged and revised format. Based on the timeless originals, these new editions feature a fresh look and study guides for both personal and group reflection, all centered on topics and issues that matter most to believers. We all know that spending time with God is essential to an intimate, growing relationship with Him. Yet many of us struggle to make prayer a consistent, dedicated part of our daily lives. Alone with God offers powerful encouragement for anyone longing for a deeper, richer time of prayer. Here John MacArthur turns to the perfect mentor on prayer, Jesus Christ, as he explores the profound insights found in the

Lord's Prayer.

True Worshipers

The best of A. W. Tozer, on one of his favorite subjects Few subjects invigorated A. W. Tozer like the topic of worship. He saw it—like the church has traditionally—as the sole reason for which creation exists. Worship: The Reason We Were Created features collections from the beloved spiritual writer on this important topic. The church's current worship is emaciated; its thoughts of God are too low. Here is a compilation to raise those thoughts high once more, and provoke the church to true, spiritual worship. Topics include: The act and object of worship The Presence of God Worship throughout the week Feelings and emotion in worship Man as a worshipping creature If it's true that we are made to worship God, that it is the sole reason that we exist, that we are most alive when we live for His glory, then reading Worship is more than time well spent. It is time invested in the very foundation of your life. The Spiritual Child Wm. B. Eerdmans Publishing Nothing is more important than worship. It is the theme of Scripture, the

theme of eternity, and the theme of redemptive history—to worship the true and living and glorious God is the purpose of all creation. So why do we treat it as only what is sung or played in church on Sunday morning? Pastor John MacArthur leads you through Scripture texts about true worship. You will learn that worship is any essential expression of service rendered unto God by a soul that loves and extols Him for who He is. Worship is the nonstop role of believers, not merely part of a church service. So get ready to alter your priorities, aiming higher than entertaining worshipers on Sunday mornings. Worship shows that your ultimate priority must always be to worship the true and living God, with a radically different type of living.

Real Worship David C Cook

In a world of divorce, casual sex, and homosexual unions, "family"—once the bedrock of our culture—is becoming a matter of uncertainty and argument. From some quarters, traditional roles for men and women are ridiculed. And standing firm in a healthy, well-functioning family is

harder than ever. So how can you have a happy home? How can you pass on strong morals to your children in a world going awry? By following God's divine plan for family life," writes Bible teacher, pastor, father, and grandfather John MacArthur in this book.

There's no magic formula. There's no gimmick. It's not about how many times you do something, or who is in charge of this or that, or what kind of processes or methods you use. It comes down to answering these questions: "Am I committed to obedience to the Spirit of God? Am I committed to the controlling influences of the Word of God? Am I going to live out a Christian life?" If you can answer yes to all of those questions, then you are bound to have a successful, fulfilled, God-honoring family life.

Francis Shaeffer had been serving as a pastor for over a decade when he began to wonder if Christianity really made a difference in people's lives. True Spirituality, a twentieth-century spiritual classic, outlines the result of his effort to "start at the beginning" and re-examine his faith. The

book is a treasure trove of wisdom for Christians trying to discover what true spirituality looks like in everyday life. Includes a foreword by Chuck Colson and an introduction by Dr. Jerram Barrs, director of the Schaeffer Institute. [History of Palestine](#) Thomas Nelson
Franklin addresses the theology behind corporate prayer times as well as the effective habits and practices of a praying church.

In *The Spiritual Child*, psychologist Lisa Miller presents the next big idea in psychology: the science and the power of spirituality. She explains the clear, scientific link between spirituality and health and shows that children who have a positive, active relationship to spirituality:
* are 40% less likely to use and abuse substances
* are 60% less likely to be depressed as teenagers
* are 80% less likely to have dangerous or unprotected sex
* have significantly more positive markers for thriving including an increased sense of meaning and purpose, and high levels of academic success. Combining cutting-edge research with broad

anecdotal evidence from her work as a clinical psychologist to illustrate just how invaluable spirituality is to a child's mental and physical health, Miller translates these findings into practical advice for parents, giving them concrete ways to develop and encourage their children's—as well as their own—well-being. In this provocative, conversation-starting book, Dr. Miller presents us with a pioneering new way to think about parenting our modern youth.

 "Becoming a Christian means being sick of your sin, longing for forgiveness and rescue from present evil and future hell, and affirming your commitment to the Lordship of Christ to the point where you are willing to forsake everything. I've said it before and I'll say it again: it isn't just holding up your hand or walking down an aisle and saying, 'I love Jesus.'" ?John MacArthur Best-selling author and pastor John MacArthur brings his deep knowledge of Scripture to this foundational subject. Step by step, he walks through the impact of

God's sovereignty, our submission, the characteristics of holy living, and our assurance of salvation. MacArthur makes the case that the Christian life is full and rich?but not easy. It requires sacrifice, perseverance, and transformation in the ongoing process of becoming more like Christ. And it is absolutely worth the cost. The Truth About Series For decades, MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God's truth. In The Truth About Series, he now gathers his landmark teachings about core aspects of the Christian faith in one place. These powerful books are designed to give readers a focused experience that centers on God's character and how it applies to their daily walk of faith. *The Master's Plan for the Church* P & R Publishing
 Worship isn't just something we do--it's the purpose of our existence. Every week, Christians come together to share a taste of heaven itself, where all of God's redeemed people will exalt His holy name forever. But what's really

going on when we worship? And what's worship supposed to look like in the life of the church? In *Let Us Worship God*, Dr. Derek Thomas addresses the "how" and "why" of Christian worship. May we worship God however we want? Do we need the church, or can we worship alone? What are the necessary elements of a worship service? These and other questions find their answers in these pages, leading us to a greater understanding of worship as life's highest privilege and richest joy.

Ethics as Worship: The Pursuit of Moral Discipleship Inter-Varsity Press
 Why do you lead worship? Often the motives are mixed. You find yourself wanting to point people to Jesus but also feeling a desire to be noticed and praised, to make yourself the center of attention. Stephen Miller is the worship pastor for a large church of young, energetic Christians. He and his band record albums and lead worship for conferences all over the country. He knows the temptation to make himself the show, to pursue fame, to seek the applause of other people. And he has learned to

want nothing to do with it. In this book, Miller exhorts his fellow worship leaders to make Jesus the center of all their efforts. He teaches how to do this with Scripture, teaching, prayer, story, and song. In all, Miller's call for worship leaders is to lead worship, whole-hearted and whole-minded exalting of God, rather than making a spectacle out of it. *Worship Leaders, We're Not Rock Stars* will encourage and challenge worship leaders by clarifying their purpose and identity, and by doing so will bless those they lead.

This declaration reaffirms a historic commitment to fully orbed conservative Christianity. The authors believe in transcendent, absolute principles of truth, goodness, and beauty; they are confident that such principles are knowable; and they are determined to align themselves and their ministries to those principles in our pursuit of the whole counsel of God. They also pledge to conserve those institutions and forms that best reflect a recognition and respect for this transcendent order. The authors offer this

document out of a deep love for Christ, his gospel, his inerrant Word, and his church, and from a humble desire to help churches conserve and nourish historic, biblical Christianity by affirming the teachings of the Bible concerning truth, goodness, beauty, and rightly ordered affections in life and ministry.

Paul and the Power of Grace David C Cook

Now in paperback, this helpful volume by pastor and best-selling author John MacArthur guides readers in cultivating a biblical worldview on a wide range of issues.

What we think shapes who we are. That's why the Bible tells us, "Do not be conformed to this world, but be transformed by the renewal of your mind" (Romans 12:2a). In a world of differing voices competing for our allegiance, we must learn to "think biblically" so we can distinguish good from evil. God is the Creator of this world; his voice-his Word-must guide our thoughts and our lives. With the Bible in their hands, John MacArthur and other scholars and teachers from the Master's College confront the false worldviews that dominate our postmodern world. The authors

provide models for cultivating a biblical mindset on worship, psychology, gender, science, education, history, government, economics, and literature. This book will help anyone who is striving to think biblically in today's culture.

True Spirituality

Thomas Nelson

Contrary to popular belief, we do not have to be perfect to do God's work. Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament. Jesus chose ordinary men - fisherman, tax collectors, political zealots - and turned their weakness into strength, producing greatness from utter uselessness. MacArthur draws principles from Christ's careful, hands-on training of the original twelve disciples for today's modern disciple - you.

Only Jesus Crossway

The soul is NOT "a theological and abstract subject." The soul is the coolest, eeriest, most mysterious, evocative, crucial, sacred, eternal, life-directing, fragile, indestructible, controversial, expensive dimension of your

existence. Jesus said it's worth more than the world. You'd be an idiot not to prize it above all else. Shouldn't you get pretty clear on exactly what it is? Shouldn't you know what it runs on? Wouldn't it be worth knowing how to care for it? Two things are for sure. One is: you have a soul. The other is: if you don't look after this one you won't be issued a replacement. Bestselling author John Ortberg writes another classic that will help readers discover their soul and take their relationship with God to the next level.

Transforming Worship

Tyndale House Publishers, Inc.

It is absolutely essential that a church perceive itself as an institution for the glory of God, and to do that, claims John MacArthur, the local church must adhere unfalteringly to biblical leadership principles. Christ never intended church leadership to be earned by seniority, purchased with money, or inherited through family ties. He never compared church leaders to governing monarchs, but rather to humble shepherds; not to slick celebrities, but to laboring servants. Drawing from some of the best-received material on church leadership, this updated edition guides the church

with crucial, effective lessons in leadership. This book is valuable not only for pastors and elders, but for anyone else who wants the church to be what God intended it to be.
