There are hundreds of exhibits in the investment "factor zoo." Which ones are actually worth your time, and your money? Andrew L. Berkin and Larry E. Swedroe, co-authors of The Incredible Shrinking Alpha, bring you a thorough yet still jargon-free and accessible guide to applying one of today's most valuable quantitative, evidence-based approaches to outperforming the market: factor investing. Designed for savvy investors

and professional advisors alike, Your Complete Guide to Factor-Based Investing: The Way Smart Money Invests Today takes you on a journey through the land of academic research and an extensive review of its 50-year quest to uncover the secret of successful investing. Along the way, Berkin and Swedroe cite and distill more than 100 academic papers on finance and introduce five unique criteria that a factor (at its most basic, a characteristic or set of characteristics common among a broad set of securities) must meet to be considered worthy of your investment. In addition to providing explanatory power to portfolio returns and delivering a premium, Swedroe and Berkin argue a factor should be persistent,

pervasive, robust, investable and intuitive. By the end, you'll have learned that, within the entire "factor zoo," only certain exhibits are worth visiting and only a handful of factors are required to invest in the same manner that made Warren Buffett a legend. Your Complete Guide to Factor-Based Investing: The Way Smart Money Invests Today offers an in-depth look at the evidence practitioners use to build portfolios and how you as an investor can benefit from that knowledge, rendering it an essential resource for making the informed and prudent investment decisions necessary to help secure your financial future. AS SEEN ON PUBLIC TELEVISION New for 2021—The complete action plan from Ed Slott, "the best source of IRA advice" (Wall Street Journal), to help you make sure your 401(k)s, IRAs, and retirement savings aren't depleted by taxes by the time you need to use them. If you're like most Americans, your most valuable asset is your retirement fund. We diligently save money for years, yet most of us don't know how to avoid the costly mistakes that cause a good chunk of those savings to be lost to needless and excessive taxation. Now, in the midst of a financial crisis, there is more need than ever to protect your assets. The New Retirement Savings Time Bomb, by renowned tax advisor Ed Slott, shows you in clear-cut layman's terms how to take control over your retirement savings plan. This easy-to-follow plan helps you place your assets to avoid the latest traps set out by congress in addition to any that might be set down the road, so you can keep your hard-earned money no matter what. And, it's fully up-to date with information on the SECURE Act and everything you need to know about how the coronavirus relief bills will affect your savings down the road. This book is required reading for every American with savings and investments who is planning to retire, be it five years from now or fifty.

I want to help you reach millionaire status, even get rich, if you believe that you deserve to be the person in the room that writes the check for a million dollars, ten

million or even 100 million—let's roll. *No Guilt, No Excuses - Just a 6-Week Programme That Works* Ramsey Press
An inspiring and illuminating guide to true self care, from the sage teacher and breakout star of the critically acclaimed drama, *Queen Sugar*, from Executive Producers Oprah Winfrey and Ava DuVernay for OWN. Featured on Essence Magazine's Culture List In all your years of schooling, did you ever take a single class that explained how to navigate the hurt, drama, and fear that come with living? Tina Lifford sure didn't. She learned the hard way—through experience as both a Hollywood actress and as the founder of the personal development network The Inner Fitness Project. Now, she brings together her own hard-won insights as well as those of her clients in this helpful and transformative guide. A blend of personal anecdotes and meaningful, practical—and most important, actionable—advice, *The Little Book of Big Lies* is the life skills class you need to nurture the inner you and move beyond the past. In fourteen raw, personal stories, Tina teaches you how to change your self-perception—to see yourself in the best possible light, to love and honor what you see, and to forge a new sense of what's possible in every aspect of your life. But make no mistake, *The Little Book of Big Lies* is not a "rah-rah" quick fix for fear and pain. Like physical fitness, building and maintaining emotional strength requires continued effort. This invaluable book is the foundation you need to start building inner health and well-being so you can thrive. Tina guides you on a journey of self-discovery that will help you turn shame into self-acceptance, self-rejection into self-love, blame into freedom, and old hurt into power. Wise and powerful, *The Little Book of Big Lies* will completely change how you think and live.

9 Steps to Transforming Your Relationship with Money and Achieving Financial Independence: Fully Revised and Updated for 2018 Penguin

David Bach has a plan to help you live and finish rich—no matter where you start So you feel like you've started late? You are not alone. What if I told you that right now as you flip through this book, 70% of the people in the store with you are living paycheck to paycheck? What if I told you that the man browsing the aisle to your left owes more than \$8,000 in credit card debt? And the woman on your right has less than \$1,000 in savings? See? You're really not alone. Unfortunately, the vast majority of people who've saved too little and borrowed too much will never catch up financially. Why? Because they don't know how. You can start late and finish rich—but you need a plan. This book contains the plan. It's inspiring, easy to follow, and is based on proven financial principles. Building a secure financial future for yourself isn't something you can do overnight. It will take time and it will take work. But you can do it. I know. I've helped millions of people get their financial lives together—and I can help you. Spend a few hours with me—and let me challenge you. Give me a chance to become your coach. Just because you started late doesn't mean you are doomed to an uncertain future. Whether you're in your thirties, forties, fifties, or beyond, there is still time to turn things around. It's never too late to live and finish rich. All it takes is the decision to start. —David Bach
Is it too late for me to get rich? Over and over, people share their fears with David Bach, America's leading money coach and the number-one national best-selling author of *The Automatic Millionaire*. "If only I had started saving when I was younger!" they say. "Is there any hope for me?" There IS hope, and help is here at last! In *Start Late, Finish Rich*, David Bach takes the "Finish Rich" wisdom that has already helped millions of people and tailors it specifically to all of us who forgot

to save, procrastinated, or got sidetracked by life's unexpected challenges. Whether you are in your thirties, forties, fifties, or even older, Bach shows that you really can start late and still live and finish rich – and you can get your plan in place fast. In a motivating, swift read you learn how to ramp up the road to financial security with the principles of spend less, save more, make more – and most important, LIVE MORE. And he gives you the time tested plan to do it. The Start Late, Finish Rich promise is bold and clear: Even if you are buried in debt – there is still hope. You can get rich in real estate – by starting small. Find your “Latte Factor” – and turbo charge it to save money you didn't know you had. You can start a business on the side – while you keep your old job and continue earning a paycheck. You can spend less, save more and make more – and it doesn't have to hurt. David Bach gives you step-by-step instructions, worksheets, phone numbers and website addresses –everything you need to put your Start Late plan into place right away. And he shares the stories of ordinary Americans who have turned their lives around, at thirty, forty, fifty, even sixty years of age, and are now financially free. They did it, and now it's your turn. With David Bach at your side, it's never too late to change your financial destiny. It's never too late to live your dreams. It's never too late to be free.

INSTANT NEW YORK TIMES, USA TODAY, WALL STREET JOURNAL, AND INTERNATIONAL BESTSELLER Discover #1 New York Times bestselling author David Bach's three secrets to financial freedom in an engaging story that will show you that you are richer than you think. Drawing on the author's experiences teaching millions of people around the world to live a rich life, this fast, easy listen reveals how anyone—from millennials to baby boomers—can still make his or her dreams come true. In this compelling, heartwarming parable, Bach and his bestselling coauthor John David Mann (*The Go-Giver*) tell the story of Zoey, a twenty-something woman living and working in New York City. Like many young professionals, Zoey is struggling to make ends meet under a growing burden of credit card and student loan debt, working crazy hours at her dream job but still not earning enough to provide a comfortable financial cushion. At her boss's suggestion, she makes friends with Henry, the elderly barista at her favorite Brooklyn coffee shop. Henry soon reveals his “Three Secrets to Financial Freedom,”

ideas Zoey dismisses at first but whose true power she ultimately comes to appreciate. Over the course of a single week, Zoey discovers that she already earns enough to secure her financial future and realize her truest dreams—all she has to do is make a few easy shifts in her everyday routine. The Latte Factor demystifies the secrets to achieving financial freedom, inspiring you to realize that it's never too late to reach for your dreams. By following the simple, proven path that Henry shows Zoey, anyone can make small changes today that will have big impact for a lifetime, proving once again that “David Bach is the financial expert to listen to when you're intimidated by your finances” (Tony Robbins, #1 New York Times bestselling author of *Money: Master the Game*).

Priceless finance advice everyone can relate to from one of the world's most respected businessmen and the most successful investor of all time Of course you know who Warren Buffett is; he's the most successful investor in the

world—maybe of all times. But what do you know about his approach to business and investing? It's an approach that, over the past four decades, has made him richest man in America and the third-richest man in the world, and that has earned vast fortunes for his business partners and investors. But as Buffett himself will tell you, at the heart of any wealth-building system there are certain core beliefs, not just about finance, but about business, work, morality, your responsibility to yourself, your family and society, and about living a decent life. Written in conjunction with the hit television series, “Secret Millionaire Club” and with Buffett's input and full support, this book makes Buffett's financial philosophy and homespun life lessons available to everyone outside his “Secret Club.” Warren Buffett's goal in spearheading this book was to share lessons about personal finance he has learned and that he hopes will benefit you (and your kids) for a lifetime You'll learn the fundamentals of personal finance by reading Warren Buffett's war stories and personal reflections on money, life, business, ethics and more All of the finance principles covered in the book were personally approved by Warren Buffett as those which he himself follows Unforgettable Buffett quotes include: “Price is what you pay. Value is what you get”; “Risk comes from not knowing what you're doing”; and “Profit from folly rather than participate in it.”

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is

undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you *Baby Steps Millionaires* isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

Summary of the Automatic Millionaire by David Bach - a Powerful One-Step Plan to Live and Finish Rich Doubleday Canada From Academy Award-nominated actress Quvenzhané Wallis comes a story about glitz, glamour, and the most important thing of all—family. A very talented little girl has a very special night ahead of her. A night where she'll get to wear a new dress in the most beautiful shade of blue with shoes that match it perfectly. A night where she'll get to ride in the biggest car she's ever seen! A night that will, of course, include ice cream. But most special of all, it will be a night out with her mama.

A Powerful One-Step Plan to Live and Finish Rich Mind Power Corporation The economic tipping point for the United States is no longer theoretical. It is a reality today. The country has gone from the world's largest creditor to its greatest debtor; the value of the dollar is sinking; domestic manufacturing is winding down - and these trends don't seem to be slowing. Peter Schiff casts a sharp, clear-sighted eye on these factors and explains what the possible effects may be and how investors can protect themselves. For more than a decade, Schiff has not only observed the U.S. economy, but also helped his clients reposition their portfolios to reflect his outlook. What he sees is a nation facing an economic storm

brought on by growing federal, personal, and corporate debt, too-little savings, a declining dollar, and lack of domestic manufacturing. *Crash-Proof* is an informed and informative warning of a looming period marked by sizeable tax hikes, loss of retirement benefits, double digit inflation, even - as happened recently in Argentina - the possible collapse of the middle class. However, Schiff does have a survival plan that can provide the protection that readers will need in the coming years.
