Friend of the Devil Eden Summers

\*\*\* A USA TODAY BESTSELLER \*\*\*  
 Tori... For the record, I'm not going to hook up with my boss. I'm a lot of things—a screwup, a basket case, a flunky. But when I take a nanny job to be near my pregnant sister, I swear to myself I'll walk the straight and narrow, which means I cannot fall for my insanely hot boss. I don't want to be tempted by that rugged rancher. By his chiseled muscles or southern charm or the way he snuggles his kids at bedtime. Ethan Carter won't get the key to my heart, no matter how much I want him. Ethan... Between us, she's the last thing I need as I finalize my hellish divorce. What sane man trying to rebuild his life wants a hot nanny with long, sexy hair, curves for miles, and a smart mouth? A perfectly kissable, pouty mouth that I shouldn't notice. My focus is on my kids and my ranch, not the insufferable siren who sleeps in the room next to mine. It doesn't matter that she wins over my kids in a heartbeat or runs my life better than I do. Tori Duran is the one woman I can't have and shouldn't want, no matter how much I crave her.

"A runaway train of revenge, rivalry and angst. This complex and venomous tale takes on a modern-day Cruel Intentions/Mean Girls vibe. Pretty Reckless is unputdownable and absolute Kindle Crack." - Kindle Crack Book Reviews From USA Today and Washington Post bestselling author L.J. Shen comes an intense, high school enemies-to-lovers romance with a twist. PennThey say revenge is a dish best served cold. I'd had four years to stew on what Daria Followhill did to me, and now my heart was completely iced. I took her first kiss. She took the only thing I loved. I was poor. She was rich. The good thing about circumstances? They can change. Fast. Now, I'm her parents' latest shiny project. Her housemate. Her tormentor. The captain of the rival football team she hates so much. Yeah, baby girl, say it-I'm your foster brother. There's a price to pay for ruining the only good thing in my life, and she's about to shell out some serious tears. Daria Followhill thinks she is THE queen. I'm about to prove to her that she's nothing but a spoiled princess. Daria Everyone loves a good old unapologetic punk. But being a bitch? Oh, you get slammed for every snarky comment, cynical eye roll, and foot you put in your adversaries' way. The thing about stiletto heels is that they make a hell of a dent when you walk all over the people who try to hurt you. In Penn Scully's case, I pierced his heart until he bled out, then left it in a trash can on a bright summer day. Four years ago, he asked me to save all my firsts for him. Now he lives across the hall, and I want nothing more than to be his last everything. His parting words when he gave me his heart were that nothing in this world is free. Now? Now he is making me pay.

*Pretty Reckless* Running Press Kids

He's my nemesis. My tormentor. A notorious criminal with a smoldering smile to mask the devil hidden beneath. Conniving.

Threatening. Brutal. He stalks me from the shadows. Makes me itch to place him behind bars. But he has an offer I can't refuse. A major risk with the perfect reward. I can't let down my guard. Can't be tempted to trust him. Not even when I begin to understand his corrupt ways. Because the only face the devil shows is the one he wants you to see. And all I'm seeing is hunger.

*Reckless Lex Martin*

Now an AMAZON INTERNATIONAL BESTSELLER "A beautifully crafted, thrilling red-hot romantic suspense." Goodreads reviewer. He protected me from danger and became my biggest threat. He's my defender. My savior. A brutally determined man with a cocky smirk and an equally cocky attitude. Broad. Strong. Focused. He seduces me with his flirtation. Warms me with his care. But he's hiding something. There are ulterior motives beyond his concern for my security. A thirst for more than my safe keeping. I can't fall for him. Can't be tempted by his touch. Not when he can't be trusted. But questioning my protector means I've now become his target. From bestselling author, Eden Summers, comes another seductively thrilling STANDALONE destined to leave you breathless.

In "Strip Poker," a reckless adolescent girl must find a way of turning the tables on a gathering of increasingly threatening young men. In the award-winning "Smother!" a young woman's nightmare memory of childhood brings trouble

on her professor-mother. In "The First Husband," a jealous man discovers that his wife seems to have lied about her first marriage—and waits years before exacting a cruel revenge. In these and other powerful tales, children veer beyond their parents' control, wives and husbands wake up to find that they hardly know each other, haunted pasts intrude upon uncertain futures, and those who bring us the most harm may be the nearest at hand.

From award-winning author Beth Vrabel comes a new middle-grade Breakfast Club drama set in a old folks' home. As punishment, they each have to volunteer one beautiful summer day—the last one before school—at Northbrook Retirement and Assisted Living Home, where they'll push creamed carrots into toothless mouths, perform the world's most pathetic skit in front of residents who won't remember it anyway, hold gnarled hands of peach fuzzed old ladies who relentlessly push hard candies, and somehow forge a bond with each other that has nothing to do with what they've done and everything to do with who they're becoming. All the action takes place in the course of this one day, with each chapter one hour of that day, as the five kids reveal what they've done, why they did it, and what they're going to do now.
