To the modern mind, the concept of poverty is often confused with destitution. But destitution emphatically is not the Gospel ideal. A love-filled sharing frugality is the message, and Happy Are You Poor explains the meaning of this beatitude lived and taught by Jesus himself. But isn't simplicity in lifestyle meant only for nuns and priests? Are not all of us to enjoy the goodness and beauties of our magnificent creation? Are parents to be frugal with the children they love so much? The renowned spiritual writer Dubay gives surprising replies to these questions. He explains how material things are like extensions of our persons and thus of our love. If everyone lived this love there would be no destitution. After presenting the richness of the Gospel message, more beautiful than any other world view, he explains how Gospel frugality is lived in each state of life.

When Sarah and Tom Arthur were appointed to a suburban church after three years in an urban Christian community, they faced a unique challenge: how to translate the practices of "radical" faith into their new context. Together with their friends and fellow church members Erin and Dave Wasinger, the Arthurs embarked on a yearlong experiment to implement twelve small practices of radical faith--not waiting until they were out of debt or the kids were out of diapers or God sent them elsewhere, but right now. This book is Sarah and Erin's story, told with humor, theological reflection, and practical insight, exploring such practices as simplicity, hospitality, accountability, sustainability, and social justice--but, most of all, discernment. Along the way readers will consider how God might be calling them to embark on their own year of small but radical changes, right where God has planted them. Each chapter includes discussion questions and suggested readings. Foreword by Jonathan Wilson-Hartgrove. For more information, visit www.YearofSmallThings.com.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." -- Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small."

Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

A Biblical Theology of Discernment DOCATWhat to do?

This work analyzes how the three key elements of a democratic society—freedom, equality, and fraternity—have been misconstrued by intellectuals and policy makers who do not respect the limitations of the human condition. Their lack of common sense has resulted in social and cultural problems rather than solutions to them. By contrast, the social teachings of the Catholic Church mesh nicely with the demands of human nature, and as such they offer the right remedy to our cultural crisis. Freedom defined as radical individualism has eclipsed the understanding that real rights are tethered to responsibilities. Equality defined as radical egalitarianism yields little in the way of equality and much in the way of state-sponsored social discord. And fraternity without the foundation of familial bonds and religious communities leaves people isolated and disoriented. Catholic teaching offers much wisdom to remedy our insufficient understanding of the elements needed for a free and flourishing society. Its common sense is greatly needed to help modern Americans rediscover the true meaning of their highest ideals.

Happy Are You Poor Mercysong

In the ancient disciple-rabbi relationship, the disciple would follow the rabbi so closely that he would be covered in the dust kicked up from his rabbi's feet. Thousands of years later, though we walk on roads of pavement and not dust, we are still called to be disciples—to follow our Rabbi, Jesus Christ, so closely that we are covered with his life, changed, and made new. Into His Likeness provides an approachable but in-depth exploration of how to live as a disciple and experience the transformation Jesus wants to work in our lives. We might desire to live more like Christ, but we know we fall short. This book simply helps us follow those initial promptings of the Holy Spirit, so that we may more intentionally encounter Jesus anew each day and be more disposed to his grace changing us ever more into his likeness.

3 Minute Catechism is a presentation of the Catholic faith. The episodes are short and try to keep things simple. While this makes the content easily accessible for many age groups, the series cannot address every question or avoid all simplification. 3MC is therefore best used in conjunction with other catechetical material such as the Catechism of the Catholic Church or Youcat. The series was first released in German receiving an official "Permission of Publication" from the competent Church authority.

What to Do? - the Social Teaching of the Catholic Church Wipf and Stock Publishers

Welcome to the new tyranny "If it feels good, do it." "That's your opinion, and this is mine." "I don't want to impose my beliefs on others." And thus the Dictator of Relativism speaks as he has always spoken to seduce humanity into a false sense of freedom. Pope Benedict XVI, Christ's personally chosen defender of the Truth is fighting back. He recognized this in his homily on April 18, 2005, "We are building a dictatorship of relativism that does not recognize anything as definitive and whose ultimate goal consists solely of one's own ego and desires." Through a down-to-earth, easily accessible Question-and-Answer format, Stefanick's book shows: Why relativism inherently contradicts its own claims. What makes it one of the worst ideas in the history of ideas. How relativism has a direct influence on the morals and virtues of a nation. Why relativism doesn't even work "in real life." How relativism is counterproductive to the true practice of tolerance Why religion which makes claims to absolute truth is finally more tolerant than relativism. What Christianity has almost singlehandedly done to foster true tolerance in the world. How all laws legislate morality What the true meaning of "open-minded" means it's not what you think!
