Where do we go from here? TIME brings you a visually inspiring exploration of humankind's speculation about the afterlife, from the Christian view of heaven to its myriad spiritual and literary versions: Valhalla, Nirvana, Shangri-La and many other concepts of paradise. The quest is not just a spiritual one, but a scientific and eyewitness journey as well. Fully 85% of Americans believe in heaven, according to Gallup, and now TIME takes you on an unforgettable quest into what it may look like. Our quest for understanding the afterlife include: What are the common elements (and key differences) in how cultures around the world view the afterlife? Ware Near-death Experiences and why do so many people report similar accounts? Do we have a psychological need to believe in life after death? How did the biblical version of heaven take shape? What are the best literary depictions of heaven, from "Paradiso" by Dante to "The Lovely Bones" by Alice Sebold.

For centuries, controversy has raged over the authorship and genuineness of the book of Daniel. Is it an authentic document from the sixth century before the Common Era with a message from God to postexilic Israel; or is it a forged document written centuries later to encourage Israelites being oppressed by the Seleucid king, Antiochus Epiphanes? Robert Johns addresses these issues and more in his thesis on Daniel's visions. Importantly, Johns establishes when Daniel was provided with his visions, and he defines why God provided Daniel with the visions. The Visions of Daniel the Hebrew Prophet examines the metal image, the beast with eleven horns, the Seventy "sevens," chapter eight's little-horn, and the 2,300 evening-mornings. It demonstrates that the enigmatic 1,290 days and 1,335 days are anything but enigmatic, and it identifies the reason why Daniel's fifth and final revelation is so detailed. Appendices address issues

of general nature, such as the historicity of Jesus the Christ, the popularity of dispensationalism, the identity of "the abomination that desolates," and the integrity of novels representing the Christian-fiction genre (which focus on a seven-year tribulation period at the end of history). This book will be of value to every Christian who has an interest in Bible prophecy and eschatology. *Visions, Visitations and the Voice of God* WestBow Press

The Lord shall descend from heaven with the voice of the archangel. The angel that I saw may be Michael. Michael and Gabriel are the only archangels that are mentioned in the Bible. Michael appears to have a key role in the end-time plan of God. Therefore, it may be a strong guess that Michael is the angel that I saw and communicated with about the Rapture. I also have a special message for gang members, drug abusers, adults, teenagers, and the youth. I wrote my visions down for you to know what is out there waiting for you on the other side of the veil. I peeped over and saw some things that were good and witnessed a horror that was beyond my wildest dreams. Most of you have not read the Bible, and a number of you who have, act as though you have forgotten what is in it. I often encounter people, old and young, who say that they cant understand the Bible. Therefore, I use a number of verses that are taken directly from the Bible to support the visions that I have seen. I am doing this purposely to acquaint you with a book that you all know but very seldom pick up to read. Hopefully, it will be a reminder that the Bible is inclusive of everything from the beginning of time to the end. Most of these Bible verses are self-explanatory.

DO YOU BELIEVE THAT THERE IS NO HEAVEN ON EARTH? THE AUTHOR, TAMESA COX, DISCOVERS THROUGH THE SPIRITUAL AND EARTHLY EXPERIENCES THAT THE PERFECT PEACE THAT WE LONG FOR ON EARTH WILL NEVER BE. THERE IS SOME PEACE ON EARTH BUT NOT AS IN THE MYSTERIOUS PLACE WE SOME KNOW AS HEAVEN. In *No Heaven On Earth*, this new inspirational author, Tamesa Cox elaborates on her life experiences, dreams, and accomplishments to show the readers that life on earth is what you make of it. This new author's goal is to fish for as many unsaved and saved readers across the world. Dedicated to her mother, Karen Ann Gamble/Wheelock, Tamesa Cox wanted her mother's name, teachings, and memories to be remembered in the most positive manner. Giving was one of Karen Ann Gamble/Wheelock's strongest traits, which was passed down to this talented author, Tamesa Cox. This book is a gift to people at freewill. According to Tamesa Cox whatever gift or talent you have it should never be hidden or buried but rather shared with all of God's people. Tamesa believes that God will reward you in Heaven about doing his will on Earth. The author closes her first of many books with the scripture: "Trust in the Lord with all thine

heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths (Proverbs 3: 5,6 KJV)."

It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. *Imagine Heaven* is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

This nineteenth century classic inspires the reader with new confidence and excitement about an eternal home and reunion with loved ones gone on before. It contains two missing chapters that have not appeared in print in over 100 years! The words of the author, Rebecca Ruter Springer, set the stage for this classic treasure from the original 1898 version. Within the pages of this little volume lies... "the hope that it may comfort and uplift some who read, even as it then did, and as its memory ever will do, for me, I submit this imperfect sketch of a most perfect vision." This version includes a foreword and afterword from well-known speaker and minister Vicki Jamison-Peterson.

Dante Alighieri (1265-1321) is one of the greatest European writers, whose untrammelled imaginative capacity was matched by a huge base in embracing the science of his era. His texts also paint compelling visual images. In *Visions of Heaven*, renowned scholar Martin Kemp investigates Dante's supreme vision of divine light and its implications for the visual artists who were the inheritors of Dante's vision. The whole book may be regarded as a new Paragone (comparison), the debate that began in the Renaissance about which of the arts is superior. Dante's ravishing accounts of divine light set painters the severest challenge, which took them centuries to meet. A major theme running through Dante's *Divine Comedy*, particularly in its third book, the *Paradiso*, centres on Dante's acts of seeing (conducted according to optical rules with respect to the kind of visual experience that can be accomplished on earth) and the overwhelming of Dante's earthly senses by heavenly light, which does not obey his rules of earthly optics. The repeated blinding of Dante by excessive light sets the tone for artists' portrayal of unseeable brightness.

Through her visions, we are given a glimpse of heavenly things. We learn about our loved ones who have passed into paradise, the beautiful mansions, the love of Jesus for children, the rivers, the lakes, and the harmony there. When the wicked have traveled a course of sin, and discover they have reason to fear the God;s judgement and wrath for their sins, they begin to wish there is no God to punish them, then by degrees they persuade themselves there is no God, and then they set themselves to study the arguments to support their opinion. This excellent book by John Bunyan covers the subject matter of the existence of heaven and hell as well as studies and dispels the arguments presented by sinners who argue there is no heaven and hell. Most do not know that Bunyan wrote some 60 books, and poetry too. And also almost a well-kept secret is that his doctrine was so biblically laced that many good men would call him too severe. He believed in, and taught, ALL the doctrines of grace, including double-predestination, or reprobation. Why then is he not smeared with the name of hyper-Calvinist like Goodwin, Gill, and others? I guess the same people ought to call Luther a hyper-Lutheran, for he believed and taught it, too. Why begin a review of Bunyan's writings with such a view of his doctrine? It is to show that a Pilgrim's Progress can come only from someone who believes and teaches ALL the counsel of God, without flinching, yea, with loving-kindness. Illegally, He sat in a jail cell over a river for 12 years with his Bible, Galatians by Luther, and another book or two. He had the choice of feeling miserable and murmuring, or of filling his time, thoughts, and energies with studying that Bible, and seeking a way to be of help to his more comfortable, but less dedicated, brothers and sisters. Listen, dear saints, you can't do any better than reading Bunyan. Like Gurnall, he covers everything here and there, and with a sweetness that can come only from God. What a shame that his large heart should be encased in such small print. But, like digging gold, it is worth the time and trouble to dig spiritual gold. Bunyan (1628-1688) rose from an humble beginning to being a preacher to a little house church, to 12 years in jail because he would not agree to quit preaching, to a huge church in London. He wrote 66 books, nearly all while in jail.
