Long Walk to Freedom Penguin
Random House India Private Limited
Translated by the author 'Tamasdrove
the point home that ordinary people
want to live in peace' The Guardian Set
in a small-town frontier province in 1947,
just before Partition, Tamas tells the
story of a sweeper named Nathu who is
bribed and deceived by a local Muslim
politician to kill a pig, ostensibly for a
veterinarian. The following morning, the
carcass is discovered on the steps of the
mosque and the town, already tension-
ridden, erupts. Enraged Muslims
massacre scores of Hindus and Sikhs,
who, in turn, kill every Muslim they can
find. Finally, the area's British
administrators call out the army to
prevent further violence. The killings
stop but nothing can erase the awful
memories from the minds of the
survivors, nor will the various
communities ever trust one another
again. The events described in Tamas
are based on true accounts of the riots
of 1947 that Sahni was a witness to in
Rawalpindi, and this new and sensitive
translation by the author himself
resurrects chilling memories of the
consequences of communalism which
are of immense relevance even today.
Kabir Says Oswaal Books and Learning

Endurance: A Droll Saga Originally Published In Gujarati In 1947 As Manavini Bhavai Is A Modern Classic. Set Against The Rural Backdrop Of Gujarat,

It's A Fictionalized Account Of The Great Famine Of 1990, Which Had Ravaged This Part Of The World. Written In A Simple, Direct Style, Free Of Conventional Artifice And Sophistication It Is Not 'Crude' Or 'Raw'. It Is The Story Of Love Between Kalu And Raju As Well As The Story Of Hard And Tragic Life Of The Farmers In Indian Villages. The Translation Seeks To Retain The Essential Simplicity, The Rustic Flavour And Spirit Of The Original As Closely As Possible.

Ratnavali Oxford India Collection (Paper Originally written in Marathi, 'Ayurveda Garbha Sanskar' is a book that serves as a guide to a couple who are looking to start a family, starting out by getting pregnant, giving birth to a healthy child and nurturing the little one. The book comprehensively provides people everything that a person wants to know about conceiving, pregnancy and delivery to nurturing the little one for up to 2 years of age. Not simply a book laden with known-lectures, rather this book can be seen as an elaboration of various ancient Ayurvedic practices that leads to the complete well-being of the mother and child's physical, spiritual and psychological health. It also advises on the traditional herb mixes, yoga, music and mantras that the new-mothers or the mothers-to-be may find helpful. Besides, this book also charts a nutritious Ayurvedic diet-plan for the couples to detoxify their bodies and be healthy in the right sense of the term. Once a mother conceives, she must be able to nourish and condition the little one in her womb. Likewise, this book also provides a month-by-month nutrition plan that helps in proper nourishment of the baby. Yoga and full-body herbal oil massages during pregnancy are also recommended for

the mothers-to-be along with a list of health tonics prescribed in this book. In order to reach out to more people worldwide, this book has been translated in English, and is available in hardcover. Computational Sanskrit & Digital Humanities Oxford University Press, USA

The most effective vaccine against the corona virus has now been discovered. After all, how long we will live with fear, we cannot keep everyday life still tied for many days. Even though the corona virus infection may subside for a few days, it is not going to end completely. In winter infection can spread rapidly, so now everyone will have to wear a

permanent protective cover, only then everyday life will run smoothly. If you use this protective cover, you will not have to put on a mask and you will get rid of the corona. Corona virus cannot harm us, it is absolutely guaranteed. Even if a person gets corona virus infection, that person can easily eradicate corona virus through this protective cover. He will not require any medication or vaccine. This protective cover has been discovered recently and its information is given in a book called Self Immunity Booster (Book for Life), which has been made available in all countries of the world. The common man can also easily develop immunity power inside his body through this book, so that no bacteria or virus can ever harm him. Its research and uses has been 100% successful. After assessing the current world infection of corona virus, it can be said that corona virus infection is not going to end easily now. Like other viruses, you will have to make a habit of living with it now. Therefore, there is no need to fear its infection, rather it needs to know the process of eliminating it in the body automatically. Therefore, in the time of this pandemic situation of corona virus, this book will prove to be a boon for the common people and will act like a lifesaving herb for the world. In other words, we can say that this book will prove to be the most powerful Vaccine against Corona virus. Today people are drinking many types of decoction, taking protein rich food, consuming many types of fruits and medicines, including juice for vitamin-C, even then people are falling prey to corona, because those people have become afraid of negative thinking, he has become obsessed with fear due to which his body's security system is becoming imbalanced and out of control. In this new discovery, it has

been told that unless we know the art of controlling the mind and soul in the form of hypothalamus located in our brain, no matter how much we can use food supplements to increase immunity, our body's immune system will not function properly. Therefore, through this new discovery, ordinary people can also learn this art easily and can control themselves for their immunity power and can remain healthy for a lifetime. That is, if we want, the corona virus will not cause any harm to our body. In recent days, there are many cases where lung function has been affected after the corona infected person is free from infection, complaining of lung contraction. In this case, it is important to maintain normal lung function. It is often seen that those who are cured of corona infection are not having any personal problems right now, but if special attention is not given to the lungs, then there may be a possibility of pneumonia and TB infection in future. . The greatest danger is to those who have been infected and cured themselves, but they have never found it. Half of the world's population will be infected by this virus by the end of this year and they will all be cured themselves, but they will never be aware of this. In this book, measures have been given to maintain normal lung function through food. What to do and what not to do in the Corona period, what to eat and what not to eat and what kind of lifestyle to adopt, all these things are also mentioned in this book.

Jaishankar Prasad's epic poem *Kamayani* (1936) is a feast for intellectuals. It operates at three different levels: the gross or mythological, the emotional and the spiritual. Prasad infused the vision of a rishi, a sage, into this work. The reader experiences poetic currents of human emotions - anxiety, hope, desire, love, shyness, sorrow, conflict - and finally emerges at an elevated level of consciousness.

Pearson Education India

Beginning with a discussion on frameworks of writing history, the volume sheds light on the origins and growth of civilizations, empires, and religions. It covers the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as the Harappan civilization. The author discussed the rise of Jainism and Buddhism, Magadha, and the beginning of territorial states. The period of Mauryas, Central Asian countries, Satavahanas, Guptas, and Harshvardhana are also analysed. He highlights important phenomena such as the varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. He also examines the process of transition from ancient to medieval India and addresses topical issues such as the origin of the Aryan culture. This engaging and lucid text, by one of the best-known scholars of ancient India, will be indispensable for students and

teachers of ancient Indian history. This book is the Hindi translation of the English edition.

Cambridge University Press

"The Slaves" is nothing but Frederick Douglass's groundbreaking autobiography and his first book "Narrative of the Life of Frederick Douglass, An American Slave, written by Himself". We have renamed the title here as "The Slaves" to keep the title short as well as to establish that Frederick Douglass is no longer a name of a particular slave born in nineteenth-century America, but a name that represents slaves of the entire world and of all time. Even though, we do not wish anyone to be born into slavery anymore like Frederick was, we have taken him as a symbol of all the slaves as a wish that all who are still in slavery may have the spirit of Frederick Douglass and fight their ways to the freedom and work to free other slaves to make the slavery history. The life of Frederick, is in one way or another, is the lives of all other slaves. Hence, we have named this version of his book "The Slaves".

Introduction to the Constitution of India
Penguin Books India

Foreword by Shivraj V. Patil The story of Tirthankara Rishabha has passed down generations of Jains. Acharya Mahapragya, the tenth Acharya of the Jain Svetambar Terapanth, presents it to us in a composition of 2,000 verses. Tracing the evolution of human civilization as it grew from a society based on need to one attached to material possessions, the epic depicts the search for truth and the role of renunciation and sacrifice in it. As the first king, Rishabha does his primary duty of ensuring the well-being of his subjects. But then one spring morning, a

small thought on the withering away of flowers triggers deep reflection in him: Is there more to life than reigning over a kingdom? To discover the meaning of life, he renounces his kingdom and wanders up to the Himalayas, thus introducing the idea of monkhood. With enlightenment comes the realization that all living beings have a soul that is indestructible and permanent and that true happiness lies in freedom from all

attachment. Thus evolve the pillars of Jainism based on self-introspection and non-violence. Capturing the subtle dilemmas of the human soul caught in the mesh of existence, this translation by eminent translator Sudhamahi Regunathan offers the classic in a contemporary idiom, something to read aloud and savour for both the general reader and the scholar alike.
