MAXIMILLIAN HAMILTON

The Edge of Never Ams PressInc

This is the story of the Japanese who immigrated to Hawaii around the turn of the present century, worked as forced laborers on the sugar plantations, and afterwards remained in Hawaii to work as free men and to raise families. It is the story also of their children, born and raised in Hawaii, and who, during World War II, won fame and glory for themselves and their country on the bloody battlefields of Italy and southern Europe. But more than all of this, it is the story of the fate of the original immigrants during World War II. Rounded up by a panic-stricken American Government after the Japanese attack on Pearl Harbor, these

people were sent to the mainland to spend the war years being confined in one refugee camp after another, all while their sons were winning fame as American combat troops. And finally, it is the story of these elderly people who, at the end of the war, became free men once again and were allowed to return to their beloved Hawaii to live out their lives in peace.

My Journey from Correction and Police Commissioner to Inmate #84888-054 Berkley

A short yet fascinating account of Russia's most celebrated writer. In Robert Chandler's exquisite biography, literary giant Alexander Pushkin, lauded as the Russian Shakespeare, is examined as writer, lover and public figure. Chandler explores his relationship to politics and provides a fascinating glimpse of the turbulent history Pushkin lived through. The book acts as a succinct guide to anybody trying to understand Russia's most

celebrated literary figure and also illuminates the wider historical and political context of early nineteenth-century Russia.

Object Oriented Data Structures Penguin

This new edition features the Greek text reconstructed from Photius' Epitome and Suidas' Lexicon with critical apparatus, English translation, commentary, and a full historical introduction; there are three appendices, a bibliography, indices, and tables of concordance between the present edition and Zintzen's (*Vitae Isidori Reliquiae*.) Written in the early sixth century by the head of the Platonic Academy in Athens, this work tells the story of the pagan community from the late fourth century AD. The critical landmarks of this 'anti-ecclesiastical' history are the destruction of the Serapeion in 391 and the persecution of the pagan intelligentsia of Alexandria in 488/9. (*The Philisophical History*) also establishes a sacred geography of paganism, comprising not merely intellectual centres like Athens, Alexandria and Aphrodisias but sacred sites in the countryside of the Greater Eastern Mediterranean as well. Offering a panorama of the spiritual life of late antiquity from a pagan perspective, the book puts on stage orthodox and heretical exegetes of Hellenism - rhetors, philosophers, iatrosophists, poets, politicians and holy men and women. The linguistic, historical and philisophical commentary on the reconstructed text allows the solution of several prospographical enigmas, while providing at the same time fresh comparative evidence for the study of the period's historiographical methodology. Greek text, critical apparatus, English translation, commentary, historical introduction, appendices, bibliography, indices, and tables of concordance between the present edition and Zinten's

People of the Three Treasures Oxford University Press, USA

One of the greatest aesthetic attractions in the ancient world was pantomime dancing, a ballet-style entertainment in which a silent, solo dancer incarnated a series of mythological characters to the accompaniment of music and sung narrative. Looking at a multitude of texts and particularly Lucian's "On the Dance", a dialogue written at the height of pantomime's popularity, this innovative cultural study of the genre offers a radical reassessment of its importance in the symbolic economy of imperial and later antiquity. Rather than being trivial or lowbrow, pantomime was thoroughly enmeshed in wider social discourses on morality and sexuality, gender and desire and a key player in the fierce battles about education and culture that raged in the ancient world. A close reading of primary sources, judiciously interlaced with a wealth of interdisciplinary perspectives, makes this challenging book essential for anyone interested in the performance culture of the Greek and Roman world.

The Right Madness Cambridge University Press

This book explores how British and German business associations formed their political attitudes towards Economic and Monetary Union between 1988 and 1998. With provocative argument and unique insight, it demonstrates how business associations are political entities in their own right, acting strategically to promote members' specific interests.

"Witches are gathering." When most people hear the word "witches," they think of horror films and Halloween, but to the

nearly one million Americans who practice Paganism today, it's a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day witchcraft. *Witches of America* follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters: a government employee who founds a California priesthood dedicated to a Celtic goddess of war; American disciples of Aleister Crowley, whose elaborate ceremonies turn the Catholic mass on its head; second-wave feminist Wiccans who practice a radical separatist witchcraft; a growing "mystery cult" whose initiates trace their rites back to a blind shaman in rural Oregon. This sprawling magical community compels Mar to confront what she believes is possible-or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying all faiths: Why do we choose to believe in anything at all? Whether evangelical, Pagan priestess, or atheist, each of us craves a system of meaning to give structure to our lives. Sometimes we just find it in unexpected places.

Positive Words in a World Gone Negative Max the Missing Puppy Max misses Molly when she's at school. One day, Max gets out of the house and sets off to find Molly. But the world is a scary place for a puppy, and soon, Max is in danger. How will he

An ideal combination of communication theory and practical advice, *Communicating About Health: Current Issues and Perspectives*, Fourth Edition, is an indispensable resource for readers looking to improve their communication abilities in the health care field. Written by Athena du Pré--an experienced researcher and noted scholar--the text offers an excellent balance of theory and practice; research and pedagogy; coverage of patient/caregiver issues; and material on the current, historical, and philosophical backgrounds of communication in health care. In addition to enhancing features found in the previous edition, this new edition includes a greater emphasis on theory, narrative, and technology in order to reflect changes in the health industry. What's New to the Fourth Edition? * A new chapter--eHealth, mHealth, and Telemedicine--describes the global impact of smartphone and tablet technology, tailored health messages, and the Internet on the health industry * A new chapter, Health Care Administration, Human Resources, Marketing, and PR, provides in-depth coverage of the contributions and communication strategies involved in leadership, morale, service excellence, community engagement, and more * An expanded discussion of communication not only involves physicians and nurses but also pharmacists, allied health personnel, dentists, therapists, and others * New features--"Can You Guess?," "What Do You Think?," "Check It Out!," and "In Your Experience"--offer a higher level of engagement with students and stimulate critical thinking and discussion Support Package (contact your Oxford sales representative or call 800-280-0280 to

request these resources) * An interactive website, known as a Prezi, is available for each chapter at www.oup.com/us/dupre and includes videos, activities, discussion questions, key points, and more. Suitable for use in class or online. * An Instructor's Manual and Test Bank, available both in print and online at www.oup.com/us/dupre, features sample syllabi, test questions, self-assessment activities, background reading, and more.

In a thoroughly revised and expanded edition of his popular guide, the author outlines the principles behind his financial seminars, including the four laws of wealth, to show readers how to increase their incomes by leaps and bounds. Reprint.

Plead Mercy Forever

Discover the beloved New York Times bestseller about two lost souls who embark on an epic road trip and find love along the way. A New York Times, USA Today, and Wall Street Journal bestselling blockbuster! Twenty-year-old Camryn Bennett thought she knew exactly where her life was going. But after a wild night at the hottest club in downtown Raleigh, North Carolina, she shocks everyone-including herself-when she decides to leave the only life she's ever known and set out on her own. Grabbing her purse and her cell phone, Camryn boards a Greyhound bus ready to find herself. Instead, she finds Andrew Parrish. Sexy and exciting, Andrew lives life like there is no tomorrow. He persuades Camryn to do things she never thought she would and shows her how to give in to her deepest, most forbidden desires. Soon he becomes the center of her daring new life, pulling love and lust and emotion out of her in ways she never imagined possible. But there is more to Andrew than Camryn realizes. Will

his secret push them inseparably together -- or destroy them forever?

Mémoire à consulter sur un système religieux et politique, tendant à renverser la religion, la société et le Trône Pushkin Blues

In contrast to the role traditionally fulfilled by secular rulers, the pope has been perceived as an individual person existing in a body subject to decay and death, yet at the same time a corporeal representation of Christ and the Church, eternity and salvation. Using an array of evidence from the eleventh through the fifteenth centuries, Agostino Paravicini-Bagliani addresses this paradox. He studies the rituals, metaphors, and images of the pope's body as they developed over time and shows how they resulted in the expectation that the pope's body be simultaneously physical and metaphorical. Also included is a particular emphasis on the thirteenth century when, during the pontificate of Boniface VIII (1294-1303), the papal court became the focus of medicine and the natural sciences as physicians devised ways to protect the pope's health and prolong his life. Masterfully translated from the Italian, this engaging history of the pope's body provides a new perspective for readers to understand the papacy, both historically and in our own time.

The Magazine of Health HarperCollins

During his nine years at Dublin's Museum of Modern Art, Spanish director Enrique Juncosa's energetic, sometimes controversial style secured this relatively small museum a place in the pantheon of postmodernism as one of the most vibrant and innovative venues in Europe.

Literary Quotation and Allusion in Lucian Trotman Education

This book focuses on the behavior of the ruling families of Brescia, a rich and strategically vital city under Venetian rule, during the late sixteenth and early seventeenth century. The first part of the book conceptualizes the civic leadership of Brescia, with a profile of its origins and a brief history of the process of aristocratization. Further, it examines the relationship between family structure and the local socio-political structures. Size, wealth, education, and marriage ties were all pivotal factors which helped determine the family's position in public life. Its strength rested ultimately on its continuity over time. Women and women's property are given careful attention. The second part places the Brescian elite within the Venetian state. Besides controlling urban political institutions, the Brescians held strong economic links with the surrounding countryside, the basis of their power, and they enjoyed ample authority in the rural communities subject to the city.

A Memoir Springer

Various authors present case studies of microhistory, an evolving branch of historical research that seeks to focus on writing without anachronism about events and peoples. The microhistorian uses the methodology of strict positivist standards to reconstruct the meanings of artifacts in their original context. They seek to find historical causation on the level of small groups and open history to ideas tainted by the modernity of other methods.

Max misses Molly when she's at school. One day, Max gets out of the house and sets off to find Molly. But the world is a scary place for a puppy, and soon, Max is in danger. How will he find Molly?

Money Is My Friend Tuttle Publishing

Hans Küng is undoubtedly one of the most important theologians of our time, but he has always been a controversial figure, and as the result of a much-publicized clash over papal infallibility had his permission to teach revoked by the Vatican. Yet at seventy-five he is also something like a senior statesman, one of the 'Group of Eminent Persons' convened by the UN Secretary-General Kofi Annan, and a friend of heads of government like Tony Blair and President Mubarak of Egypt. In this fascinating autobiography he gives a frank and outspoken account of the first four decades of his life. He tells of his youth in Switzerland and his decision to become a priest; his doubts and struggles as he studied in Rome and Paris, and his experiences as a professor in Tübingen, where he received a chair at the amazingly early age of thirty-one. Most importantly, as one of the last surviving eye-witnesses he gives an authentic account of the struggles behind the scenes at the Second Vatican Council, in which he took part as a theological expert. Here it becomes clear just how major an influence he was, to the point of shaping the Council's agenda and drafting speeches for bishops to deliver in plenary sessions. With its rich thought and vivid narrative, Küng's book paints a moving picture of his personal convictions, and his struggle for a Christianity characterized not by the domination of an official church but by Jesus.

The Winter Ghosts Bretschneider Giorgio

The book contains a collection of letters from prison written by Gabrielle Russier, a 30 year-old teacher whose love affair with a sixteen year-old student resulted in her prosecution, imprisonment, and suicide. Mavis Gallant provides an

interpretative essay.

[Eliminate Your Financial Fears--And Take Your First Steps to Financial Freedom!](#) Baker Books

These two volumes capture the vicissitudes of Italian public and private law from their antecedents in the Dark Ages to their realization in more modern times.

Bloomsbury Publishing

From the New York Times bestselling author of *Sepulchre* and *Labyrinth*-a compelling story of love, ghosts and remembrance.

World War I robbed England and France of an entire generation of friends, lovers and futures. In Freddie Watson's case, the battlefields took his beloved brother and, at times, his peace of mind. In the winter of 1928, still seeking some kind of resolution, Freddie is travelling through the beautiful but forbidding French Pyrenees. During a snowstorm, his car spins off the mountain road. Freezing and dazed, he stumbles through the woods,

emerging in a tiny village, where he finds an inn to wait out the blizzard. There he meets Fabrissa, a lovely young woman also mourning a lost generation. Over the course of one night, Fabrissa and Freddie share their stories. By the time dawn breaks, Freddie will have unearthed a tragic mystery that goes back through the centuries, and discovered his own role in the life of this old remote town. By turns thrilling, poignant, and haunting, this is a story of two lives touched by war and transformed by courage.

From Jailer to Jailed Deseret Book

The definitive guide to career options for students who want to learn more about their future career prospects. With 500 different careers, from catering and construction to nursing and engineering, *Careers 2013* provides detailed facts and statistics about each jobs including the qualifications required and future prospects.
