A seagull and a crab find friendship and compromise in this sweet and humorous story about the meaning of perfection. The sky is blue, the sun is warm, the breeze is cool--it's a perfect day for Seagull, perched on a rock in the sea. That is, until crabby Crab comes along and points out all of the day's flaws! There's a cloud in the sky, a smelly boat in the distance, and the rock that they're sitting on is covered in barnacles. In this sweet and funny story about finding happiness amidst flaws, Seagull and Crab learn that nothing is more perfect than spending time with friends. Praise for A Perfect Day: "This stand-out is the rare picture-story book that develops distinct characters, creates dramatic tension, and then resolves the story beautifully, all in less than 100 words. Bravo!" --The Providence Journal "A sweet, simple friendship story buoyed by sophisticated art." --Kirkus Reviews "A timeless tale of embracing friendship among differing points of view. Great for

storytime or one-on-one sharing, this humorous title will appeal to both young audiences and adults." --SLJ "A simple story perfect for very young listeners." --Booklist

Harness the Power of Behavioral Science to Transform Your Working Life The Rosen Publishing Group, Inc

In simple text this book follows the daily activities of a young boy who is always the first in every activity--waking up, eating breakfast, playing, and getting ready for bed.

[How Microdosing Made a Mega Difference in My Mood, My Marriage, and My Life](#) Vintage

From a writer "whose genre-jumping refusal to be pinned down [makes him] an exemplar of our era" (NPR), a new book that confirms his power to astound readers. As a child Geoff Dyer spent long hours making and blotchily painting model fighter planes. So the adult Dyer jumped at the chance of a residency aboard an aircraft carrier. Another Great Day at Sea chronicles Dyer's experiences on the USS George H.W. Bush as he navigates the routines and protocols of "carrier-world," from the elaborate choreography of the flight deck through miles of walkways and hatches to kitchens serving meals for a crew of five thousand to the deafening complexity of catapult and arresting gear. Meeting the Captain, the F-18 pilots and the dentists, experiencing everything from

a man-overboard alert to the Steel Beach Party, Dyer guides us through the most AIE (acronym intensive environment) imaginable. A lanky Englishman (could he really be both the tallest and the oldest person on the ship?) in a deeply American world, with its constant exhortations to improve, to do better, Dyer brilliantly records the daily life on board the ship, revealing it to be a prism for understanding a society where discipline and conformity, dedication and optimism, become forms of self-expression. In the process it becomes clear why Geoff Dyer has been widely praised as one of the most original—and funniest—voices in literature. Another Great Day at Sea is the definitive work of an author whose books defy definition.

A Wonderful Day! is an engaging early reader that playfully depicts the shared experiences of child and parent who are enjoying a day together at the zoo. This unique story is beautifully told in a gender-neutral text that captures many of the special moments children and adults often treasure and share together.

Slimy Oddity's Guide to Happiness The Great Day

The New York Times Best Seller For the first time ever, 75 beloved songs from Mister Rogers' Neighborhood and The Children's Corner are collected in this charmingly illustrated treasury, sure to be cherished by generations of children as well as the millions of adults who grew up with Mister Rogers. It's you I like. It's not the things you wear, It's not the way you do your hair— But it's you I like. From funny to sweet, silly to sincere, the lyrics of Mister Rogers explore such universal topics as feelings, new siblings, everyday life, imagination, and more. Through these songs—as well as endearing puppets and honest conversations—Mister Rogers instilled in his young viewers the values of kindness, self-awareness, and self-esteem. But most of all, he taught children that they are loved, just as they are. Perfect for bedtime, sing-along, or quiet time alone, this beautiful book of meaningful poetry is for every child—including the child inside of every one of us.

Daniel's Good Day Harper Collins

Dreading work? Tired of a 9 to 5 that's more like an 8 to 10? Feeling overwhelmed by your job? A Great Day at the Office offers practical solutions to the challenges of modern-day business life for a healthier, happier and more productive time at the office and away. For almost two decades, Dr John Briffa has worked with a wide range of organisations, both in the UK and abroad, to inspire literally thousands of people to live and work more healthily, effectively and sustainably. His techniques have proven, time and again, that small changes to your lifestyle will recharge your batteries and boost your performance and productivity. Areas he will cover include: diet, hydration, the amount of alcohol you drink, and the relation these bear to your quantity and quality of sleep. Many of his solutions go against conventional wisdom, but are based on the most recent and cutting-edge studies.

The true story of how a renowned writer's struggle with mood storms led her to try a remedy as drastic as it is forbidden: microdoses of LSD. Her revealing, fascinating journey provides a window into one family and the complex world of a once-infamous drug seen through new eyes. When a small vial arrives in her mailbox from "Lewis Carroll," Ayelet Waldman is at a low point. Her moods have become intolerably severe; she has tried nearly every medication possible; her husband and children are suffering with her. So she opens the vial, places two drops on her tongue, and joins the ranks of an underground but increasingly vocal group of scientists and civilians successfully using therapeutic microdoses of LSD. As Waldman charts her experience over the course of a month--bursts of productivity, sleepless nights, a newfound sense of equanimity--she also explores the history and mythology of LSD, the cutting-edge research into the drug, and the byzantine policies that control it. Drawing on her experience as a federal public defender, and as the mother of teenagers, and her research into the therapeutic value of psychedelics, Waldman has produced a book that is eye-opening, often hilarious, and utterly enthralling.

Another Great Day at Sea Random House Books for Young Readers

Twelve Dora the Explorer books specially created to develop reading skills by means of the phonetic method.

The Poetry of Mister Rogers Macmillan

The #1 New York Times–bestselling author of *The Power of Positive Thinking* provides a treasure trove of daily inspiration. To have a great day every day it helps to think great thoughts and to concentrate on at least one every day. Philosopher, self-help innovator, and minister, Norman Vincent Peale invites readers to Have a Great Day . . . every day! The influential author whose groundbreaking bestseller, *The Power of Positive Thinking*, changed millions of lives all over the world now offers inspiration for every day of the year with an uplifting volume of positive thought to nourish our souls and spirits, and help us through even the darkest of times. From profound “thought conditioners,” accentuating the everyday positive, to “spirit lifters” devised to help us soar above our troubles, Dr. Peale’s effective affirmations are “daily vitamins” keeping us mentally and spiritually healthy throughout each and every day of the year. Each dose of Dr. Peale’s thought-provoking words of wisdom addresses a specific topic in a wide range of emotional, psychological, and physical concerns—from tapping into our inner strengths to dealing with criticism and negativity, from achieving our personal and professional goals to learning how to release tension and relax. Have a Great Day will gladden the heart with essential insights and inspirations to help each of us live every day to its fullest.

A Perfect Day Penguin

When a strange starship mysteriously arrives at a distant alien planet, bearing only a single human and his bee-like companion, with a message to end an all-out war or face the consequences, the powerful overlord dismisses them, but James Lawson has the power to back up everything he says. Reissue.

A Riveting Psychological Thriller about the Perfect Marriage St. Martin's Press

The Bible book of Revelation is a prophetic warning of God's judgment upon mankind. It was presented in visions to Apostle John, who transmitted it to the early congregations at the beginning of the Christian era. An accurate understanding of the Word of God in general and Revelation more specifically can mean the difference between life or death, the difference between an eternal life of bliss in the kingdom of God or eternal death in the lake of fire. Apocalyptic Visions endeavors to provide such an understanding. Revelation reveals the culmination of a spiritual battle between God and Satan. It is a struggle for the very souls of mankind. Satan has made a challenge to the sovereignty of God and the motivations of man. The continued existence of man is at stake. The first prophecy of Genesis sets the stage for the whole theme of the Word of God, and Revelation brings it to a close. There are four distinct principles in Revelation, and a clear understanding of these elements and their interaction brings God's plan for mankind into focus. The serpent and his seed are at war with a woman and her seed. It is important that those who wish to please God be well informed with his will and commands. Those who live in accordance with the will of God receive part in the blessings of the kingdom of God.
