Heal Yourself--Heal the World

Sourcebooks, Inc.

With the fate of the galaxy at risk, love may not be enough... In the lawless fringes of deep space, pirate Tia Sen has a rep for being hard as plascrete, tough as Amalan leather, and as strong as she is beautiful. She also has a secret that courts death: For years she has been freeing enslaved children. Stepping in to rescue a valiant mechanic from a near-fatal beating risks

more than her life. Thanks to her traitorous heart, her web of lies is in danger of unraveling. Undercover operative Rork Al'Ren is no stranger to lies. Emotionally scarred by the murders of his wife and unborn child, he wants nothing more than to eradicate every bit of pirate scum in the galaxy. Then his mission goes sour, and he finds himself Tia's personal slave-and falling in love with the very pirate he's sworn to destroy. Yet love is a luxury he can't afford. Tia possesses a powerful new weapon that could overwhelm the Union of Planets and plunge the galaxy into war. If Rork can't

convince her to surrender it, he may have to break her trust-and her heart. Warning: This title contains sensual love scenes and kick-ass, nail-biting action. May cause reckless behavior, lapses into daydreams, belief in happily-ever-afters, and is certainly habit-forming.

Shaggy Dogs Camden House
To get her help...he'll have to bleed for her. Adam Brody is desperate—he'll do anything to get Maya Black to help him.

And, unfortunately for him, the price of Maya's services...is blood. A former cop turned vamp, Maya's reputation definitely precedes her. Once upon a time, she helped the weak and innocent. Now, she spends her nights terrifying demons and all manner of paranormal beasts. According to the stories, she is the baddest of the bad...and she's exactly the vamp that Adam needs. The only one who can help him. Maya's days (and nights) of helping are long gone—she stopped that routine when she bled out in a dirty alley and woke with bloodlust and fangs. But now she's got a sexy stranger standing in front of her, offering her anything she wants, as long as she helps him find his missing niece. Okay. Fine. Maybe somewhere deep in her cold, cold heart, she has a vague soft spot for kids...and for gorgeous, muscled, hot guys. So she'll help him. This once. She'll take the blood payment he offers, and she'll find the kid. Except... Adam has secrets. The kind of secrets that can burn a whole town straight to ash. The longer that he's around Maya, the more uncontrolled he becomes as the beast he keeps locked inside himself fights for freedom. Adam

didn't count on falling for the fearless vamp, but now that he's under her spell, Adam isn't sure he can ever imagine a life without her...And when someone like Adam finds a mate, that bonding lasts forever. Author's Note: Strap in...it's going to be one hot ride. Maya and Adam are about to fight the baddest of the supernatural predators out there. They're also about to find out that opposites can attract—and ignite. IMMORTAL DANGER is a full-length, paranormal romance with a guaranteed happy ending. It was originally first released in March of 2009, but it has now been revised and updated.

Weintraub shows how a genre of Indonesian music called dangdut evolved from a debased form of urban popular music to a prominent role in Indonesian cultural politics and the commercial music industry. Dangdut Stories is a social and musical history of dangdut within a range of broader narratives about class, gender, ethnicity, and nation in post-independence Indonesia (1945-present).

A Wicked Gentleman Simon and Schuster
Damn her. His body was still on fire. Damn her, why had she responded that way? So honestly. With no coyness. No affectation. Her mouth had been so receptive. Her kisses so generous. Her breasts so soft... Only two survive the small plane crash in the Canadian wilderness miles from civilization: Rusty Carlson, a real estate agent from Beverly Hills, who has never faced anything more perilous than L.A.'s rush hour traffic; and Cooper Landry, an embittered Vietnam veteran, who has endured the horrors of warfare and a POW camp. Rusty wouldn't have believed herself capable of dragging her unconscious fellow passenger from the wreckage, but that was only the first challenge confronting her. The man

himself is as hostile and unforgiving as the mountainous terrain in which they're stranded. If they had a choice, they would go their separate ways. But they don't. If they want to live, they must stay together. Teamed against the harsh elements, injury, and a pair of conniving cutthroats, Rusty and Cooper must rely on each other in order to survive. In a one room cabin they find shelter. . .but, as winter closes in, they have no protection against the sexual attraction that becomes the real test of their fortitude. Within those four rough walls, Rusty discovers that Cooper's brusqueness arises from immeasurable heartache, and, to Cooper's dismay, his credo of No romance, no love, no thanks becomes his desperate chant to ward against Rusty's allure.
